PRESIDENTS REPORT

Reflecting upon the past few years, it is clear we have matured as a club and gained the respect of the R.D.C.A and our competitors. Although we were not fortunate enough to win any premierships this year, we certainly competed fiercely in all grades with the juniors performing extremely well.

Season 96/97 will be analysed by the coaching panel and executive with a view of taking the strengths or positive aspects and building on them for future years. Let no person doubt, we progressed this year and with careful planning and recruiting a continual improvement is assured.

One element I believe the club must look at for the future is a well structured plan to develop the young men coming out of the juniors. If there is an area we have fallen down on, that is it. T.C.C has bred many talented young players however their transition to senior cricket is not being thought through well enough. From completion of under sixteens there is an enormous "void" which requires immediate attention. If we can prepare a coordinated plan to develop these players the club will prosper, if not it will never maximise its potential.

I am looking forward to another generation of "management" to steer the club towards 2000. This year myself and a couple of friends and colleagues will retire to make way for a younger and hopefully more dynamic committee to guide T.C.C. Good Luck to those who gain the appointment.

My sincere thanks go to the whole club and the membership base for the support and fun I have been fortunate to derive. Special thanks to some very dear friends, Barry McClure, Paul Denton, Norm Barnfield and Ian Wood for their uncompromising support and commitment to the Templeton Cricket Club.

Finally may I say the future of this club is in your hands so please treat it kindly, develop it thoughtfully so it can be a major part of yours and your children's lives forever.

Thankyou

Murray Parker

GENERAL SECRETARY'S REPORT 1996/97

It gives me great pleasure to present the Templeton Cricket Club Inc Annual Report and Financial Statement for season 1995/96, at this our Fourteenth Annual General Meeting.

It is extremely pleasing to report, that all senior and junior teams were competitive during the season with all senior and the majority of junior elevens participating in the semi-finals. The Firsts and Seconds along with the under 41/1 teams made it through to their respective Grand Finals but unfortunately it was not Templetons season for Grand Final success.

We lost senior coach John Simmonds early in the season when John looked interstate for greener pastures "work wise", and although our recruitment of Paul Payne proved to be a huge plus, the executive was faced with finding a replacement for John. Ultimately and "old" player Jason Disney was chosen, and throughout the season rewarded the club with dedication and commitment. In forming a partnership with Paul Payne the firsts were able to contest the Grand Final, this success is something the club can build on in our endeavours to be promoted into Chandler Shield.

The executive look forward to Jason and Paul leading our push for this "Holy Grail".

Off-field accomplishments showed a continued improvement, but executive committee members elected for the 1997/98 season still have an enormous challenge ahead of them ensuring a continued improvement of the club, on and off the field.

I congratulate Lucas Small and Glenn Morrison on the hard work and commitment they displayed regarding their executive duties throughout the season, with a special mention to Bar Manager, Paul Denton who, although he faced a serious illness, was able to set the club on the right track with a concerted effort behind the bar, his efforts produced an excellent financial result and were most appreciated and admired by the executive..

The season passed with all players representing the Templeton Cricket Club with distinction, and most importantly with exemplary behaviour.

I congratulate all individual club trophy winners, particularly those players who achieved Association success, WELL DONE FELLAS !.

I look forward to seeing all players, senior and junior, next season.

NORM BARNFIELD.

TREASURER'S REPORT

Obviously a sporting club needs to not only have success on the field but also off the field to be considered truly successful.

I believe that season 1996/97 was an extremely successful one for Templeton Cricket Club. Not only did we end the season with all senior sides and three junior sides making the finals but also ended the financial year in an extremely healthy financial position as well.

Any club that can boast a bank balance of over \$10,000.00 and no debts to carry into the next season is in a very strong position.

Unfortunately, this strong position will be diminished early next season when the initial expenses have to be met. This will be no different to each successive season. It is therefore important for the incoming committee to conscientiously strive to maintain such a healthy position.

During the 1996/97 season the Committee had to make some important decisions to turn around the operating deficit of the previous season. These decisions enable the Committee to turn an operating deficit of \$1,087.38 into an operating surplus of \$3,981.74. A turn around of over \$5000.

Some of these decisions were not popular however, they were necessary, in fact vital, for the continuing viability of the Club.

Sponsors once again provided a great source of revenue this season, not only by way of cash but also by way of donations of raffle prizes such as meat trays, mystery flights, mobile telephones and other products as well as financial assistance towards the purchase of trophies. These sponsors greatly assist the Club and I urge all members to support them.

Finally, thanks must go to Paul Denton for a tremendous effort behind the bar. As you are all aware Paul had to undergo a serious operation early in the season. Nevertheless, as soon as he could he was back behind the bar working for Templeton Cricket Club. He also organised the telephone book delivery that netted the Club around \$1,500. Speaking of the telephone book delivery it was great to see so many members put their hand up to enable this to be done. It was the best Club effort I have seen.

Finally, I would like to thank the Committee for their support during the season and to wish the incoming Committee, especially the Treasurer, all the best for next season.

Barry R McClure
Treasurer.

FIRST ELEVEN CAPTAINS REPORT - SEASON 1996/97

With the ending of my first years involvement with Templeton Cricket Club, I must say it was a very enjoyable one.

The season opened with two one day games which we lost, but I really think the one day games didn't suit our style of cricket..

We went on to show good improvement which came with a change of attitude from all players to take us through to Christmas with a four win three loss record, including an outright win against Glen Park, which placed us in the four.

After the break, with a loss to St Andrews but then went on to win every game until the last game of the season in which we could not lose second spot on the ladder.

A great effort from all the guys

The semi-final saw us play Scoresby, who had beaten us in the previous game, but a week is a long time in cricket, and our whole approach to this game was very good. We batted first and made 218, then rolled Scoresby for 168 after they were 0-68 off sixteen overs. This was a great fighting effort.

We then moved to take on South Ringwood to try and create history for the club, unfortunately we only made 134. But once again the spirit of this team shone, and with a bit of luck on our side we may have won.

I really do believe you have to lose a grand final to know how to win one. Now it's up to every player to work harder at pre season to ensure that we give ourselves the opportunity to turn the tables next year.

A big thankyou to Sharon for all her encouragement and patience for the year, plus the afternoon tea, Nerissa for doing the scoring all year, Scott for all his help in making my afternoons worry free and all the people who supported us all year.

*Paul Payne
Firsts Captain (A1)*

Seasons Highlights :-

J. Disney 100 runs & 9 wickets against Glen Park plus runner-up as Club Champion.

S. Johnston 167 against Sth Warrandyte.

S. Cochrane 3 wickets in one over in the semi-final to turn the game.

And of course our Semi-Final win.

Captain's Report Second XI Season 1996/97

In my first year as a senior captain I have learned a lot about the good and the bad side of being a captain, I hope that all who have played in the 2nd XI enjoyed their cricket this year.

After finishing sixth last year we were looking for a much more consistent effort this year, and as overall figures show, we did. As a team, we finished third on the ladder, we made over three hundred runs on four occasions, with efforts from Gary Peters, Travis Turnbull, Steve Cochrane, and later on James Clyne and Jai Thomas, all contributing well. We also bowled very well as a team, very rarely going for more than two hundred runs, with Barry Mealings, Gary Peters and Keith Smith all taking over fifteen wickets. Probably the one area where we let ourselves down, sometimes, was the catching.

There were some notable individual efforts this season. James Clyne's 150 runs, Travis Turnbull's two centuries, Steve Cochranes 128, Gary Peters 121, and Keith Smith taking 18 wickets in the last four games. Catch of the season would have to be Jai Thomas' catch in the Semi Final.

I would like to thank Gary Peters and Barry Mealings for their help on the field, especially Barry, for constantly keeping me on my toes. Thankyou, also, to the other members of the selection committee.

With a good pre season, from the players who played in the 1st and 2nd XI this year, we can look forward to not only making the grand final, but taking the next step next year.

SEASON OVERVIEW 1996 / 97

TEMPLETON U12-1

In the first half of the season, the team won only one (1) game out of the first five (5).

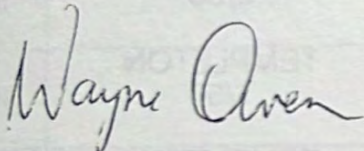

We had quite a few new young boys playing for the first time and with sixteen in the squad, it took a while to sort out the batting and bowling positions.

With the coaching from both Duncan and Gordon (a great effort), who set about concentrating on the basic skills in batting, bowling and catching, a vast improvement was shown in the second half of the season.

We won three (3) out of the last four (4) games, with scores of 211 & 198 respectively in the last two innings.

It was pleasing to see practically every boy improve in at least one department.

Regards

Wayne Owen

JUNIOR ADMINISTRATOR'S REPORT 1996/97

A most pleasing season, not only because we achieved two teams reaching the finals but because of the steady improvement of all players from the start to the completion of the year.

This season I believe we made one of the best strategic decisions as an executive, that was the appointment of Duncan as Junior Coach and towards the end of the year, our new assistant Gordon. Duncans diligent, patient and greatly enthusiastic coaching from mid August through to March was a god-send. After Christmas, Gordon assisted the boys with first class tuition. These two factors were the catalyst in the boys progress and improvement.

Templeton, unlike other clubs, are more concerned about development, fun and giving the lads an enjoyable learning experience, more so than winning at all costs..

Congratulations to the teams that made the finals and likewise to the other sides that just missed out.

Thankyou to the parents and club minded members who helped us throughout the year. Parental support is critical to the success of the juniors and next year we would like to see even more parents involved.

Boys, thankyou for all the enjoyment each and every one of you gave me this season.

Murray Parker.

UNDER 16-1 TEAM MANAGERS REPORT - SEASON 1996/97

I would like to thank Murray Parker and the Templeton Cricket Club for giving me an opportunity to coach such a talented bunch of young men..

With a disappointing end to the season, the guys should really hold their heads high, not winning a game last year, to this year finishing off by just losing to Croydon North in the semi-final. We had our chances in that game, another twenty runs and we might have been playing in the final.

Big thank you's must go to all the parents for their support, particularly Wayne, Peter, Barry, Esky and Gordon.

Thanks to Aaron Vinen for captaining the side with such a professional attitude. We were very lucky to have players such as Mark Wadsworth and Ben Hanley coming into the side this year.

There was some fantastic on-field efforts this season, but the highlight for me was the boys friendly, happy, unselfish nature which made it a pleasure to go to training and Saturday morning warm-ups. With such a great bunch of guys I am really looking forward to coming back next season to see how everyone progresses. Special mention to Sam Powell, Paul Drew and Leigh Caulfield, thanks to Peter Jackowski for being twelfth man in the finals.

I wish everybody the best of luck for the future..

UNDER 16-4 TEAM MANAGERS REPORT - SEASON 1996/97

After a good home and away season, it was disappointing to lose in the semi-final to a team which we had easily beaten during the year.

The team finished second on the ladder, missing out on top spot by only a small percentage. We won four matches on the first innings (plus three others on forfeits) drew one match and lost only one game on the first innings. In the semi-final, we put in one of our best bowling/fielding performances, restricting Croydon to 8/112 off fifty overs. However, we put in one of our worst batting performances, being bowled out for 101 in forty three overs.

At times we struggled for numbers and during the year used a total of nineteen players, including two under twelves and two under fourteens. Despite this, the boys pulled together and the season was an overall success.

Many thanks to all the parents who helped, in particular to Michael Lee, Dennis George and Peter Harrup, also to Sam Powell and Andrew Howard for their captaincy input.

Thanks also go to Duncan Maclachlan and Murray Parker for their untiring efforts during the year.

Well done guys.

UNDER 14/1 TEAM MANAGERS REPORT 1996/97 SEASON

The 1996/97 season has been one of the most enjoyable years of cricket that I have experienced at Templeton with the juniors. There were many reasons for this but I think that the three main ones were:

1. Having a terrific bunch of kids in the first U14 team who seemed to enjoy their cricket and who displayed a high degree of team spirit and companionship.
2. Working with Duncan, our junior coach who made life so much easier on training nights than has been the case in previous years.
3. Having Murray and all the parents who offered their assistance (even when I didn't want their help with umpiring!) on many occasions.

The boys in the U14 firsts were a combination of the previous year's U12's and some second year U14's. The combined talent of all these kids was of a very high standard which showed itself on many occasions, enabling us to win six out of the nine home and away games during the season. Two of the three games that we lost were very close and I thought that we thoroughly deserved our final four finish.

Everyone worked very hard in the semi final against Ainslie Park and we had a resounding win, beating the team that had ended up on top of the ladder by a massive 136 runs. For better or worse we ended up in the grand final against North Ringwood and although we contained their score to 142, our top order batsman didn't fair well and we were looking at a defeat at 4/32. Then our middle order and tail fought very hard to hang in there and after some extremely anxious and nail biting moments (mainly by yours truly) we were finally all out, 11 runs short of a victory.

It was very disappointing for all the boys because they had worked so hard to get there, but at least they did get there and everyone of them can hold their heads high as I was very proud of them. I would also like to congratulate both the U16 sides for reaching the semi finals and even though they both got beaten by small margins they are all to be commended for a fine effort.

My congratulations also to the trophy winners in all grades and I hope you all continue your cricket into the future.

Finally my thanks to Murray for his efforts this year, and not just with helping in the U14's but also for his efforts around the club, including the seniors.

SEASON OVERVIEW 1996 / 97

TEMPLETON U12-1

In the first half of the season, the team won only one (1) game out of the first five (5).

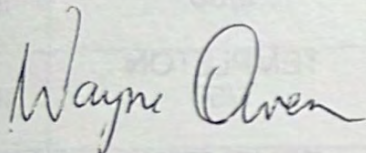

We had quite a few new young boys playing for the first time and with sixteen in the squad, it took a while to sort out the batting and bowling positions.

With the coaching from both Duncan and Gordon (a great effort), who set about concentrating on the basic skills in batting, bowling and catching, a vast improvement was shown in the second half of the season.

We won three (3) out of the last four (4) games, with scores of 211 & 198 respectively in the last two innings.

It was pleasing to see practically every boy improve in at least one department.

Regards

Wayne Owen
