(Mr. Don Martin - Manager)

McDonalds Family Restasurants

Studfield Riteway Licensed Supermarket

K-Mart (Mr. David Snell)

Cadbury Schweppes Pty. Ltd.
(Mr. Howard Norton)

Ron Lovett

A very sincere thank you to our sponsors listed above. Ward Spinks (major sponsor) has been of wonderful assistance to T.C.C. over the years and a great supporter of local sport and the community in general. Ward Spinks continues to be the leading real estate company in the eastern suburbs and we hope our association continues into future seasons.

McDonalds Family Restuarants once more sponsored us with many weekly awards for our juniors and K-Mart, through David Snell, kindly assisted with various donations.

Studfield Riteway was very generous in its support, which included many donations and a trophy sponsorship.

To Howard Norton and Ron Lovett, thank you for your donations during the season.

PRESIDENT'S/SECRETARY'S REPORT

Templeton Cricket Club Inc. really came alive in the second half of season 1988/89, culminating in three fantastic premierships. Our 4th XI, Under 14-2's and U12-1's played superbly, displayed wonderful sportsmanship and treated their respective opposition to some "champagne" cricket. To all the players and those associated with the teams, congratulations for a magnificent achievement - all of Templeton is very proud of you.

Approaching the season, the Committee made a conscience decision to install drainage at Templeton Reserve. The Knox Council offered funds to supply a quantity of pipes, sand, etc., however we had to supply the labour. Occasionally, it is advantageous to suffer in the short term to reap the long term rewards. In this instance we certainly suffered, however, I am absolutely sure that the work we did will go a long way to significantly improving the playing surface in future years. Unfortunately, we couldn't play on the oval until after Christmas, which did tend to disrupt us on the field and socially.

At the seasons end, the ground was a picture, hopefully we will get full use next year.

There is no doubt, we as a single club, could not have installed the drains ourselves. This working bee really saw the Football and Cricket Clubs unite as one body and complete the task together. For the first time in my memory there is a terrific relationship between the two clubs, which is exactly how it should be. To all the kind-hearted members of both clubs, thanks a million.

As the season developed, it became obvious we were going to struggle off the field more so than on. Through many factors, we fell down socially, the main reason probably the non-use of Templeton and the widely fluctuating age gap of our Club. There is no "mid-range" age group, we have an extremely young Club, people at an age where many different activities are available which means that a majority of members are consistently unavailable for cricket club functions.

Under the leadership of Peter Rogers, the 1st XI finished fifth in A1, a marvellous performance, considering all the disruptions we had during the season.

Peter's role this year was a very difficult one. Firstly, the ground being out of use, many senior players consistently unavailable and the majority of senior members (1st XI aspirants) rarely at practice. Who knows what our 1st XI could have achieved with a little more dedication and thought.

The remainder of the Senior XI's struggled (except for the 4th's), however, quite a few juniors were "blooded" which should benefit Templeton in future years.

Junior teams had a great year, winning two premierships, one third place and two teams just outside the four.

Overall, Templeton had a fairly successful year on the field, but a very poor season otherwise. As mentioned earlier, there were reasons. However, I believe there are too many members who are prepared to leave all the work to everyone else. The Sunday cleaning rosters for the 1st through to 5th elevens were poorly attended. I am pleased to say the sixth's all pitched in.

With the exception of the drainage, the working bees were bordering on a disgrace, even though the last working bee was notified by letter.

Socially, I must admit, was very disappointing, and it was left to all the familiar families to support the Club. One encouraging aspect was the appearance at two functions of a number of junior parents.

From an executive committee viewpoint, this season was a very traumatic one. During the year we had in excess of \$700 stolen, which was never recovered. This put us on the back foot financially and resulted in a very ordinary year from a social and financial viewpoint.

Sadly, we lost our Secretary, Paul Owen, and Treasurer, Paul Denton, during the season. Both gentlemen have worked very hard since the Club started and to lose their combined experience was a severe blow.

I would like to personally thank both Paul Owen and Paul Denton for their one hundred per cent contribution to me as President, but more so to the development and growth of Templeton Cricket Club.

Brett Keys also resigned towards the end of the season and was replaced with Glen Leonard.

I would be remiss if I did not pass on a special thank you to Rosemary McClure, Terry Elverd, Marie Walker and Gwen Lavoie for their consistent support in the canteen throughout the season and during the finals. Also to Rob Sharpe who continually offered his services to assist in many areas during the year.

To the Executive, thank you for your efforts during the year.

Murray Parker
President

TREASURER'S REPORT

THE CLUB FINISHED THE SEASON IN A SOUND FINANCIAL POSITION WITH A BALANCE AT THE BANK AT THE END OF MAY OF \$3071.04. IN ADDITION THE SOCIAL ACCOUNT HAD A BALANCE OF JUST OVER A THOUSAND DOLLARS.

INDIVIDUAL ITEMS OF INCOME AND EXPENDITURE ARE DETAILED IN THE ATTACHED STATEMENT.

THE COST OF FIELDING TEAMS HAS INCREASED OVER LAST YEAR. IN 1987/88 THE COST PER TEAM WAS APPROXIMATELY \$600. IN THE SEASON JUST COMPLETED IT COST APPROXIMATELY \$700 PER TEAM.

AS IN PREVIOUS SEASONS ANNUAL & MATCH SUBS DO NOT MEET THE COST OF OPERATING THE CLUB AND THE BALANCE MUST BE FOUND FROM SPONSORSHIP & INCOME FROM BAR SALES & CANTEEN SALES.

I WOULD LIKE TO THANK PAUL DENTON FOR THE WORK THAT HE DID AS TRAESURER. ALSO TO THE REGULARS WHO SUPPORT THE CLUB ON A SATURDAY NIGHT AFTER THE MATCH AND TO EVERYONE INVOLVED IN THE RUNNING OF THE CANTEEN.

ATTACHED FOR YOUR APPROVAL IS THE INCOME & EXPENDITURE STATEMENT OF TEMPLETON CRICKET CLUB INC. AS AT 31 MAY 1989

COACH'S REPORT

The 1988/89 season provided the club with a premiership to the fourth XI team. This was indeed a marvelous climax for them especially as some 20 odd players had rotated through the ranks. A job well done to Geoff Ofield and his team. Of the others only the firsts and thirds showed any real push for a finals berth.

Unfortunately for the first players not enough pressure was put on them by the second XI players and this probably had an effect on the overall playing standard and missed a finals chance.

A pleasing aspect coming out of this season was the number of younger senior players (either not long out of junior ranks or still playing juniors) that showed potential. The future of our club lies in these players and, if we persevere with their development, I'm sure the club will not be far off a firsts' premiership.

Some outstanding on-field performances, this season were highlighted by the record-breaking unbeaten triple century by Wayne Farrell and the matchwinning Grand Final performance with both bat (unbeaten century) and ball by Michael Levi. Also congratulations to Paul Denton for winning the Association D Grade bowling award.

My sincere thanks to all concerned with trying to make the club successful. I'd especially like to thank Murray Parker and Paul Owen for their support and encouragement throughout the season. Also to Paul Denton as practice Captain, this was a difficult and thankless task but definitely helped on the practice track. That dedication as shown by Paul is required by more players. From this will stem a strong, competitive club.

Having mentioned the senior premiership team, I would be remiss not to mention the victorious junior teams, both U14/4 and U12/1 bringing home a flag. Well done boys and may you bring this type of prosperity with you in the senior ranks in years to come.

Thanks again to all concerned, including Team Captains, Junior Coaches etc. and congratulations to all trophy winners.

Let's think about our cricket, both the physical aspect and mental aspect, over winter and come back next season looking for a flag.

PETER ROGERS.
COACH

A1 GRADE - CAPTAIN'S REPORT

This season the firsts won seven games, lost 5 games and had one washout. The second half of the season was certainly the better part with a few strong wins but unfortunately we faltered at the finish to miss out on a finals berth.

In the main was our inability by the batsmen to consistently put a score on the board. Although some games showed the obvious depth and wealth of batting talent, only Michael Owen was able to provide a steady flow of runs. The accolades of the season certainly go to our bowlers who consistently bowled good line and length and either won the game for us or put us in line for a batting win. To Chance McPhee, Frank Vey, Robert Sharpe and Peter Bergshoeff I earnestly say thank you for your efforts this past season.

It was pleasing to be able to 'blood' a number of the young Club players like Jason Denton and Glen Leonard. These players gave their all when asked and I'm sure they will have benefited from their brief experiences. They will certainly be the players the Club will come to rely on in the future.

Over the winter break, though, some players should seriously look at their approach and commitment to the game. By improving such they will then be able to improve and enjoy next season and bring the Club success.

A2 GRADE - CAPTAIN'S REPORT

On a results only basis the 2nd's had an ordinary 88/89 season. However results are not necessarily the main criteria in measuring success for 2nd or 3rd X1 year. In my view 2nd or 3rd X1's are about giving younger players an opportunity to improve their game and progress towards the 1st X1.

From this viewpoint I believe that the 2nd X1 had more success. Glen Leonard is clearly the most improved cricketer in the club with his 23 wickets and a 150 runs for the season indicating he is true all rounder. Jason Denton and prior to injury Jamie Mullen also showed that in future seasons with a little improvement and hard work at practice all three players will be regular 1st X1 players.

Other younger players who contributed during the season and displayed promise were Adrian Watson and Tony Brambilla

However for all players to succeed, whether they be young or experiences I believe they must:-

- (i) practice regularly
- (ii) learn to "tough out" the hard times; and
- (iii) concentrate at all times whilst on the field.

At times, during the season, the 2nd X1 suffered on the field due, I believe to the above factors.

Finally I would like to thank all players who played for 2nd X1 during the season as they all gave 110% effort and vice vice captains for their valuable advice during the season.

I am confident that season 1989/90 will see the younger players of this season further progress and push the 1st X1 and 2nd X1 to the finals.

LOWEST TEAM TOTAL - 10/96 Vs Kilsyth

FIELDING AWARD - S Lambrick / B McClure

ALL ROUNDER - G Leaoard

A3 GRADE - CAPTAIN'S REPORT

After a great start up until Christmas when we were second on the ladder, the season did not finish on such a high note as we lost 3 out of 4 games after the break, to finish with 6 wins , 4 losses and a washout.

During the season we tried 33 players which included 6 players from the under 16 team and 5 players just out of the under 16's.

From these players we had some good performances Matt Maynard who kept wickets very well and also batted well; his fielding was a credit to him taking some good catches. Steve Harper who bowled fairly quick without much luck. Anthony Brambilla who also played some games in the seconds finished the season with his maiden century scoring 101 not out.

During the year we had some great team performances and also some by our "younger" players like Neville Walker scoring 139 not out his first century in a team score of 3 for 349.

Must thank Dave Tattersall my Vice Captain, plus Neville Walker and Norm Barnfield for their help and advice during the year.

Well done to Geoff Ofield and the 4th's making the finals and also to the junior teams that played in the finals.

TREVOR TORMEY

"E" GRADE - CAPTAINS REPORT

The Fifts began the season with high hopes and a good performance in its first innings of the season versus Heathmont. The next week, however, providence (and probably a prayer by the opposition) caused the heavens to open at exactly 1.45pm as we strolled confidently onto the ground.

By the time the end of January had rolled around we were fielding our 32nd player for the season and things looked bleak. Roll call revealed only nine players available fifteen minutes before the game against Bayswater Park was due to begin at Milpera. Some timely door-knocking occurred and Ross Lambrick and Simon Denton, both under 14 players, were dragged away from the 5th Test and onto the field. We had also recently inducted a young leg spinner, Lee Gray, into the side and he was to play a decisive part in the match.

The result - Bayswater Park all out for 159 and with the young players showing the way, Ross Lambrick 48, Anthony Bech 38, Jason Disney 54 and Matthew Brotheridge 33 Templeton wins by 97 runs.

We kept the best for last however. We were playing Croydon United at Milpera in our last match of the season. It was a beast of a day, 36 degrees and no breeze. This was a toss to win and I willed the coin to fall tails. Bingo! I had promised myself that I would make a ton this season and this was the only match left to do it in. After all, I'd spent a fortune on the bowling machine during the winter and I wanted my moneys worth. I also tried a new strategy batting the team in chronological order. Accordingly, Chris Harper and myself opened the batting. It was so hot even the umpires were calling for drinks and the glare of the sun off the players almost created a white-out. It began well: we inched the score to 42 and then in the 14th over, disaster struck! Trying to cut a ball off my right ear I feathered the ball to the keeper and faced the prospect of getting a ton next season. But if it was a tragedy for me it was an opportunity for Chris Harper and Matthew Brotheridge to lay about them with their bats like men possessed. The second wicket fell at 212 - a second wicket partnership of 170 runs and a personal milestone for Chris Harper who had scored his maiden century. Perhaps lonely for his former partner, Matthew let one through the gate later on and left the wicket with 92 runs against his name - a personal best. Steve Jacobs continued the onslaught with a dashing 28 and at the close of play Templeton was 5/298. The following Saturday we went for the kill, but in fact the opposition keeled over quite easily, succumbing for 113 with Matthew Brotheridge taking 5/44 off 14 overs. A great win and a great way to end the season.

Memorable moments? David Cartwright's grin when he took his first wicket of the season; Lee Gray's agonised screeched when a batsman effortlessly lifted him over mid wicket in his first over of senior cricket; the marvellously athletic run-out by Matthew Brotheridge when he ran, gathered and threw the stumps down while the rest of use stood frozen; Tom De Pradines at short leg; Chris Harper pacing like a caged bear; the smiles of victory in the last game.

"F" GRADE - CAPTAINS REPORT

Following a brilliant season by the "geriatrics" (G grade 87/88) in finishing 6TH, we were lifted a grade for the 88/89 season and quite rightly had to drop this derogatory and uncomplimentary title. This awesome array of experienced, mixed talented, bone creaking, failed eye sighted players were formed into a cohesive bunch that became known, and feared, by the opposition as "F Troop"; apt title that adequately portrayed the talent (or otherwise!) that abounded in this team who are legends in their own minds.

The purpose of this team continued the tradition to provide a competitive but social outlet for the senior members of the Club whilst providing a social and financial support along with guidance to juniors who were fortunate to see "F Troop" risking life and limb to try and take catches, stop 6's and duck bounces.

After a shaky start, with a forfeit to us and a couple of losses, the team settled down to 2 good wins against Kilsyth and Wantirna Sth. Highlights being at Kilsyth Simon Graham's (under 16) 4 wickets and Laurie Jones (over 16) second 49 in two years on the same ground against the same team (surely a 50 next year Laurie!) whilst at Wantirna Sth heralded our new recruit Wayne Farrell hitting 128 and carrying his bat.

From there on "F Troop", in its usual spasmodic fashion, lost and won each game alternatively until the end of the season where we missed the finals by just 6 points.

With 16 teams in the grade it was decided to have a final 8. This concept became a farce as teams that received forfeits during the season played in the finals - it was just the luck of the draw. Out of 16 teams we played all the top teams and only received one forfeit. We finished a creditable 9th - a true measure of our performance during the year.

For the early part of the season we adopted a different captain for each game but by seasons end it was unanimous that Ken Maynard become the permanent captain (No, it was not only because he's got the biggest sword).

Apart from the convivial social interaction and camaraderie and the winning 6 out of 11 games, the outstanding performances were clearly Wayne Farrell making four 100's with a stupendous 336n.o. in the last game. Also in this game Bob (English Tour) Walker took 5/24. In game 2 against St. Andrews Ken Maynard collected 3 stumpings and 2 catches for a great game.

All in all another fantastic year enjoyed by the sixths and their families (thanks for turning up each match). We didn't manage to knock down the watch tower ("F" Troop the serial) but we knocked down many good cool ones after the matches in enjoying this "Mad Dogs and Englishmens" game of cricket.

RON LOVETT
TEAM MANAGER

JUNIOR ADMINISTRATOR'S REPORT

Season 1988/89 proved to be a successful year for Templeton Cricket Club Inc Juniors, not only with the winning of two premierships but successful in the behaviour, player improvement and enjoyment of cricket by the Junior players.

A strong team spirit was evident in every side which built a Club spirit I was pleased to see .

Templeton fielded five Junior sides with the under 12-1's and under 14-4's winning their premierships, the under 14-1's reaching the semi-finals and the under 12-5's and under 16-2's finishing in 6th place on their respective ladders.

The season also saw under 12 players selected to represent the RDCA and one under 14 player selected to play for Hatch and RDCA teams.

Templeton players won the RDCA averages for the under 12-1's batting and bowling, the under 14-4's batting and the under 14-1' bbowling. This demonstrates the talent and ability in the Club which, for the future, must be nurtured.

The desire of Templeton Cricket Club to be a Chandler Shield Club rests with these younger players and the future looks assured as players mature to play senior cricket.

Although the Club managed to achieve some good results and the development of Junior cricket this season there are still areas I would like to see improved however, as in any part time-time organisation there is a limit to the time and facilities available to achieve these ends.

I wish to thank all team managers and their respective teams of helpers for their enthusiastic and efficient running and support of their teams during the summer and look forward to your continued support of the Club next season.

For myself, I thoroughly enjoyed season 1988/89 and will hold memories of achievements by the Junior players and teams as the season progressed and look forward to meeting you all again for season 1989/90.

GEOFF OFIELD
JUNIOR ADMINISTRATOR

UNDER 16 DIVISION 2 - TEAM MANAGER'S REPORT

Templeton Cricket Club fielded one under 16 team this season which proved to contain players of a good all-round ability. I was pleased to see that vital team-spirit develop early in the season and the skills and confidence build throughout the season.

Match results were good early in the year but poor results around the Christmas break cost the team a place in the finals. However, as a team the players rallied and finished the year with the some good wins.

This team, had it made the "four" would have been, I believe, an excellent finals team with their ability and depth of all-rounders which is vital to premiership success.

Most of the under 16's played some senior cricket during the summer and acquitted themselves well and will prove to be valuable for the Club in its advance towards Chandler Shield.

I hope all under 16 players enjoyed their summer of cricket and are looking forward to many more seasons of representing Templeton Cricket Club.

I take this opportunity to thank the parents for their support and assistance to this team in the areas of scoring, umpiring, transport, coaching and encouragement and look forward to season 1989/90 with the expectation of templeton again fielding two under 16 teams of high standard.

I wish the players entering senior cricket a long and successful playing future and thank all under 16 players for their good behaviour and attitude which made managing this team a pleasure for me.

GEOFF OFIELD
TEAM MANAGER.

UNDER 14 DIVISION 1 - TEAM MANAGER'S REPORT

At the commencement of season 1988/89 all under fourteen boys set out to achieve three common goals, firstly to enjoy their cricket, secondly, to win more than they would lose and thirdly, to win the premiership.

Our first goal was achieved easily with all boys having an enjoyable year.

The second goal was a little harder but achieved just the same with the team winning 9 matches, losing 2 and drawing 1.

Unfortunately the the final goal proved to be out of reach with the team being defeated in the Semi-final.

Throughout the season there were some fine individual performances and some excellent team performances. Perhaps with a little more consistency we could have pulled off the big one.

May I offer my congratulations to the trophy winners and to all other team members.

My congratulations are also extended to Gary Lear and the Under 12 Division 1 team for there fine season which culminated in winning the premiership and to Howard Norton and the Under 14 Division 4 team who also had a fine season which culminated in a premiership win.

Last but not least I would like to thank Geoff Ofield and congratulate him on a fine job as Junior Administrator. Geoff has had a difficult year as far as the Juniors are concerned but has performed his many tasks admirably.

The Junior Administrators job is an extremely important and difficult position to fill so if you are able to assist the Club as far as Juniors are concerned, but do not feel confident enough to do so as as coaches or team managers then consider the administrative side, all assistance will be greatly appreciated.

PAUL DENTON
TEAM MANAGER.

FIELDING AWARD - S Hunt

U/14 DIVISION 4 - TEAM MANAGER'S REPORT

Congratulations and well done to all boys who helped Templeton Cricket Club to achieve its first U14 Premiership flag.

The teams performance throughout the full season was very good and indeed we lost only one game for the whole season. Our loss came in the last home and away round prior to the finals. It proved to be the tonic we really needed, as the loss sharpened all the boys for the final series.

During the season there were some fine individual performances, but more importantly, the boys played as a team and were always helping and encouraging each other in the field. This was most evident in the Grand Final when three excellent catches were held and a run out performed. Indeed, every boy can be truly proud of his game in the grand final as each contributed quite significantly either in the field or with the bat.

My sincere thanks go to all the parents who supported the team throughout the season. A special thanks go to Laurie Jones, Bill Sturgeon and Junior Administrator, Geoff Ofield for their contributions week in, week out.

Finally, to the boys.

Once again, congratulations on a job well done and the spirit in which you displayed sportsmanship when representing Templeton Cricket Club. I know the Club is very proud of your efforts in winning the U14/4 1988-89 PREMIERSHIP and may I say "I am to".

On behalf of you all I offer congratulations to Gary Lear and the U12/1 team who also won a premiership pennant for Templeton.

In closing, I wish all the boys the very best for their future and I trust they have thoroughly enjoyed season 1988-89.

HOWARD NORTON
TEAM MANAGER.

U14-4 TEAM RESULTS

U12 DIVISION 1 - TEAM MANAGER'S REPORT

In accepting the coaches job this year I realised that we had the nucleus of boys capable of performing very well in a strong competition.

My objective through the year was to try and give every boy a fair go even though we were playing a competitive sport and to the boys who may not have batted or bowled as much as the others I apologise although I suppose we won the pennant.

As a team I was extremely proud of the boys as they were a pleasure to be associated with both on and off the field, and a credit to both the Club and their parents.

My congratulations go to all the trophy winners and especially to our "three" captains, Noddy, Snelly and Craig who controlled the team so well during the finals that helped go a long way to winning the flag (and saved me from a heart attack!).

Many thanks to all the parents who helped, especially David Snell who was always there when needed and to Allan Wallace who, like David, was always available (if he didn't sleep in) and, of course, to Lucy for my weekly "cuppa", and to Chris Slatter for his support.

Thanks also to Geoff Ofield and Murray Parker for their support and encouragement.

Well done boys, you deserve all the credit for a very successful year and an enjoyable one for myself.

GARY LEAR
TEAM MANAGER

UNDER 12 DIVISION 5 - TEAM MANAGER'S REPORT

Only one player in this years side had ever played organised cricket before. But what they lacked in experience they more than made up keenness and dedication.

I have to admit that I held no hopes for a finals berth at the beginning of the season, but was content with teaching the boys the rudiments of the game and trying to nurture a spirit that would pay dividends in future seasons. I may not have thought the team could win many matches, but the boys thought quite differently and raced to a victory in the very first game.

Psychology has a great part to play in any game, no less in cricket than in footy or tennis. How often have we seen a team beat themselves by giving up? So when Templeton was beaten resoundingly by Lilydale (a team that was playing at least three grades below its proper level) and had to play them again with the same result, I was concerned for the boys' morale. I need not have been - they played the following games as if the Lilydale matches had never taken place and they won again and again and clamoured for still more. Now the boot was on the other foot: it was I who would anxiously scan the ladders, make late night phone calls to the RDCA representative for the very latest position. It was I who was hopping from foot to foot on the boundary willing them to win.

Regrettably, a mix-up with registrations during the season which was nobody's fault resulted in a Templeton victory being reversed and the team losing points. But still they wouldn't give up. It came to the very last game and an outright victory was the only result that could get them into the final four. And they tried so hard, it was a delight to watch them. Remember, this was the team that at the beginning of the season didn't know the leg side from the off side; who would pack the slips with nine players, who would let the ball roll between their legs.

Now you should see them! And, next season, just try beating them!

Many thanks for a delightful season to:

Cameron Crough (Captain)
Steven Greenall
Sebastion Slatter
Brenton Pedrotti
Haydon Strickland
Mark Renshaw
John Mansour
