RON LOVETT

A very sincere thank you to all our Sponsors, listed above.

Ward Spinks has been a major sponsor to TCC for many years and also of local sport and in the community at large.

McDonalds Family Restaurant once more sponsored through weekly awards for our Juniors.

K-Mart (through David Snell) and Cadbury's (through Howard Norton) kindly assisted us with various donations.

Boococks Meats provided many succulent meals on Thursdays and Saturdays; and Riteway Studfield provided the necessary refreshments for all ages.

A special thank you to Boltong Safety Equipment for providing the Junior First Aid Kits.

Finally to Ron Lovett for his vital contribution to the Club, an unnoticed but much needed donation to the Club.

PRESIDENT'S REPORT

Once again the cricket season has drawn to a close with a mixed bag of success and personal achievements for a number of our Junior and Senior players.

Although our walls will have to wait for additions to our premiership flags, the season was still marked with many individual and future building successes. The most obvious success of the season was the consolidation in the Senior first XI of youthful players, giving the club an important foundation for season 90-91 with Templeton remaining in A grade cricket following the reduction in the number of teams in A grade by the R.D.C.A. This will affect all grades of Senior cricket in next season's competition as all matches will be competitive, which can only improve the standard of players prepared to meet their opportunities.

As we have a youthful club membership the services of experienced players will be vital to Templeton's future in the next few seasons while our younger players receive the opportunity to perform and display the commitment necessary to maintain or improve their selected positions, ability alone is not enough as ambition and a commitment to succeed will be required to bring the rewards of personal and team achievements.

The season closes with a healthy membership overall, particularly in the vital Junior membership. Templeton's playing future looks extremely strong with many talented players in all our six junior sides, however, this must be supported in administration where there is an urgent requirement for more assistance in many areas of the club, and I take this opportunity to request that if you can assist in any way at all to please volunteer your services as they will be gratefully received.

An area of the club that will require a concentrated effort in season 90-91 and beyond is the question of income. As can be seen from the Treasurer's Report the expenses of providing sport, even at our club's level, is increasingly expensive and I personally feel that "social" sport is becoming a major expense in many families budgets, however sport is important in the development of youth and as an outlet for life's "pressures" and should be available to all who wish to participate. A strong move to find sponsorship is required and will be my priority over the winter months.

Templeton again performed on-field in a sporting and competitive nature although a few incidents arose during matches that required a reminder from the Executive that un-sporting behaviour will not be tolerated at Templeton and that we will continue to uphold our objectives of promoting good fellowship amongst members and encouraging the interests of cricket in general. This requires a self-discipline which was sometimes lacking in our opposition during the season.

I would like to thank all who assisted the club during the season, it takes the help and assistance of many people to keep the club functioning and I thank all helpers from the Junior parents that provided transport through to Norm Barnfield our hard-working Secretary - Thank-you All. In particular I wish to thank Paul Denton whose year-long dedication to Templeton was again evident as Social Secretary and his efforts in this vital position saved us all from digging into our pockets to cover a short-fall in budget.

In closing I offer my congratulations to all trophy winners and give my thanks to all club members for their support of myself, my committee and OUR club.

Geoff Ofield
PRESIDENT

GENERAL SECRETARY' REPORT

Dear Members,

It gives me great pleasure to present the Templeton Cricket Club Inc. Annual Report and Financial Statements, at this our Sixth Annual General Meeting.

Your General Committee was well aware of the problems facing our Club during the 1989/90 Season, and a concerted effort was made to overcome these difficulties.

Appointing Pieter Bergshoeff to oversee onfield competitiveness and training routines was I believe our most constructive decision. Indoor training at Bayswater was well attended and gave players participating a good grounding for 1989/90.

Social involvement linked with a great importance to financial viability within the Club, were serious concerns also, Paul Denton and his helpers certainly went a long way in achieving an excellent result. Without the Social Committee's fund raising efforts during the season a very hard year (financially) in season 1990/91 was imminent.

Several members of our present Committee have indicated they will not be seeking a further term next season. I sincerely ask any members who consider they have the necessary desire to ensure T.C.C.Inc. will be around for a long time, please contact any committee member and have a chat about what is required.

Unfortunately the Club had to report to the R.D.C.A. Executive Committee incidents of on field idiocy that occurred during the season, both Clubs were severely disciplined including their offending members, I along with your committee were grateful Templeton players did not instigate or join these fracas, this showed that our members used common sense and discipline which was admired by R.D.C.A. Officials.

Season 1990/91 is an important one for us, improving our training facilities, enhancing sponsorship, creating a regular news letter are all important aspects that must be achieved in ensuring we remain a successful and progressive Club.

My thanks to the members of the General Committee for their efforts during the season, and to my family for their patience and assistance.

Yours in cricket

Norm Barnfield

TEMPLETON CRICKET CLUB INC.

TREASURER'S REPORT

The past season has seen a large increase in the running costs of the Club. Overall expenditure increased dramatically over last year whilst subscriptions showed a small increase.

We have however finished in a sound financial position with cash at bank of \$6,219.86, an increase of \$3,148.82 over the year.

The 1989/90 Social Committee led by Paul Denton have contributed \$5,000 to the Club Account and I would like to congratulate Paul and his band of helpers for their stirring efforts.

Looking to the coming season our resources will again be tested as consideration needs to be given to replacement of pitches and upgrading training facilities.

Attached for your approval is the Income & Expenditure Statement of Templeton Cricket Club Inc. as at 15th May, 1990.

NEVILLE K. WALKER
TREASURER

N WALKER
HONORARY TREASURER

SOCIAL SECRETARY'S REPORT

Prior to the season commencing it was obvious that fund raising would play a vital role in the economic stability and future of the club. With this in mind we set about arranging four functions spread evenly throughout the season.

Our first function, Luigis Bistro & Trivia Night was well attended and enjoyed by all who came along. Special thanks to Andrea Owen for the Trivia Questions.

Function number two, the Christmas Party was attended by the same old familiar faces, you know, the people who have carried the club financially for years, however those who did bother to come along had an enjoyable evening.

The third function, which was a Progressive Dinner had to be cancelled due to lack of support, not however before many hours of work had been spent in organisation.

The final function for the year was our Club Presentation Night. Although attended by over eighty members it was most disappointing to see several Trophy Winners not even bothering to attend and support the Club.

As you will see from the attached financial statement a considerable amount of money was raised, and none of this would have been possible without the assistance of several people. Firstly all members who participated in the rosters for meals and bar service on Saturday Nights. Secondly to my Social Committee who assisted in the planning and organisation of all functions. Thirdly to our Sponsors - Boococks Meats and Studfield Cellars, thankyou for your support. A special thankyou must go to both Howard Norton and David Snell for their magnificent donations throughout the year, they were very much appreciated.

Last and certainly not least I thank my family for their support and encouragement all season.

It now gives me great pleasure to present for your approval, the Social Committee Financial Statement for Season 1989/90.

Paul Denton

Social Secretary

Registration Secretary Report.

During season 1989/90, 68 senior and 75 junior players represented Templeton Cricket Club Incorporated.

Given the extraordinarily high rate of unavailability of senior players during the season, the Club would have been forced to forfeit matches in the lower grades had it not been for the assistance of junior players who also participated in senior matches. A special vote of thanks is extended to these junior members who helped the Club.

A pleasing aspect of this junior participation in senior matches was the performance of many of those players. By the end of the season, Under 16 players held four places in the First and Second Elevens. This will surely stand the Club in good stead for the years to come.

Once again, the junior teams acquitted themselves extremely well. The players are a credit to their families and the Club and I hope that they maintain a long association with us.

Unfortunately, fines due to incorrect completion of Match Result Sheets increased this season. With more time and care, such fines can be eliminated - a concerted effort must be made by all captains and team managers in this regard.

I would like to thank the members for thier support and wish everybody success in the coming season.

CHRIS HARPER
Registration Secretary.

PROPERTY STEWARD'S REPORT

People may not realise the cost of equipping a cricket team, currently the basic gear in a team's bag costs around \$800; even for a Junior team it is the same, as the reduction in price for major items is cancelled out by the requirement to supply a couple of helmets per team. With the cost of a new ball per game and if a proportion for new bails, stumps etc are included it is an even \$1000; and we are fielding twelve teams!

To protect such investment I have been working towards providing two sets of practice gear, to be available as from the beginning of next season - so that the good match equipment will get less wear and tear, last longer and gradually be of a better quality to all teams.

Team Captains and their deputies appeared to have accepted the concept of there being a set (plus a spare) stumps at each ground; it is ridiculous for a club to have 90 odd stumps floating about when 5 sets (35) can do the job including spare sets. Ground pegs and flags were originally allocated to the grounds and for next season clearly marked tubs with the necessary pieces and a stiff broom will be placed at each ground. At the moment each set of gear will have the required pairs of batting gloves and boxes; but really in each persons own interests of personal hygiene everyone should buy their own pair of gloves and box, for an outlay of \$25 the Club can provide any player with both. For eventually if Club fees are to remain within acceptable limits to all players, the amount of equipment may be reduced to minimum requirements and a scheme in the form of a rebate on your subscription may apply to players who provide their own equipment. I noted many Junior players have their own bats and pads, and really all players who intend playing regularly for a few years should invest in their own equipment.

Congratulations to Pieter Bergshoeff for guiding the first through a difficult season with a largely inexperienced side; to the gallant 6th's who made the finals, and Gary Lear's under 14's. Also to Paul Denton who did a tremendous job in running the social side and providing cold drinks and food so regularly; his efforts made it possible for me to overrun my budget slightly and to scoop up some major items of equipment for next year, at last season's prices.

Ian C. Wood
Property Steward

TEMPLETON CRICKET CLUB

COACH 'S REPORT SEASON 1989/90

Season 89/90 commenced in excellent fashion with pre-season training attendances of over 30 being achieved from AUGUST '89. In fact training attendances throughout the year were generally outstanding with over 40 players attending most training sessions with peaks of 50 being attained.

This sorely tested our training facilities and resources, with the Club needing to urgently address the inadequacies prevalent with the standard of our practice nets.

Unfortunately the enthusiasm shown by the majority of players in their attendance to training could not be sustained in providing match winning performances on a consistent basis throughout the season.

From the beginning of the season it became clear, that due principally to the loss of 6 regular first eleven players from the previous year for various reasons, we would struggle to field an experience First Eleven which in turn had a snowball effect throughout the lower Grades.

Notwithstanding this, Season 89/90 was successful in that a large number of our more youthful Club members, were given the opportunity to display their talents against stronger opposition than they may have anticipated in doing, let alone having been accustomed to.

With the experience gained by these players, we look forward with some confidence that the "Ground-work" done during this season should begin to provide some reward next season and the years ahead,

Templeton Cricket Club is in the envious position of having substantial raw talent available within it's ranks, and providing that these players commit themselves wholeheartedly, we can look forward to more consistent performances from them and ultimately a couple may go on to play District cricket.

Disappointingly, all sides were let down by a lack of commitment by a few players throughout the season, either due to a lack of training, making themselves unavailable and above all else not showing up on the day of a game.

Cont/...2

Consistently my fellow selectors and I were hindered in selecting settled sides or even forced to promote players in some instances before they were ready, due to the regular or prolonged occurrences that some players made themselves unavailable for selection. This was made even more difficult by the number of instances that players withdrew on a Thursday night or Saturday morning from selected sides.

Despite this my sincere gratitude goes to all those people who at varying times throughout the season were called upon to proffer their expertise at the selection table, often in trying circumstances in ensuring that the Club's selection policy was enforced and adhered to throughout the season which I believe will serve the Club well in ensuing seasons.

My Appreciation also goes to the Executive Committee and players for their support during the season. For the fear of omitting any one individual, I also thank those who assisted at training in varying capacities during the season.

Finally I must mention Paul Denton's untiring efforts during the season and particularly for the fine cuisine that he arranged for the selectors on selection nights.

In closing, I feel confident that if each and every member is to give a total commitment to the Club next season more satisfying results will be achieved. Please remember that just a minor lack of commitment by just a few will ultimately be detrimental to the overall success of the Club and I therefore implore on everyone to reflect on the season just gone and review where they not only may have let themselves down but the CLUB.

M.P.(PIETER) BERGSHOEFF
CLUB COACH SEASON 1989/90

A/1 CAPTAIN'S REPORT
SEASON 1989/90

Whilst the success rate in winning Matches this year was certainly disappointing to all, there were some positive gains made within the first eleven this year which should serve us well in the not to distant future.

With the loss of 6 players from the previous season we fielded a very inexperienced side throughout the year.

Those young players who gained selection in the First's during the season and due to their sound commitment were able to contribute to the team's objectives, enabled a more settled side to be selected during the Post Christmas part of the season.

Fellows such as David Parker, Jason Disney, Michael Levi, Stuart Lambrick and Martin Wood, all performed admirably on occasions albeit inconsistently. With this year now behind them, they should benefit from the lessons learnt and become solid performers next season on a more consistent basis.

To the more experienced members of the team, I thank them for their support and efforts together with their guidance from time to time. During the season, in often testing circumstances their performances could be best described as satisfactory. These players will, and have the capacity to perform at a more optimum level, which I am sure will occur as the pressure of playing a "rear-guard" defensive game is lifted, which should be attained by the experience gained by our younger team members and the talent that is rising up through the lower grades.

Finally I thank Gordon Clark (our Rhodes Scholar) for his scoring deeds on a Saturday, and the supply of up to date performance statistics on both a team and individual basis.

M.P. (PIETER) BERGSHOEFF

2ND ELEVEN CAPTAINS REPORT

At the commencement of Season 1989/90 the Executive Committee appointed Stewart Lambrick Captain of the Second XI.

Winning the first three games against Wonga Park, Chirnside Park and Wantirna, things looked bright for a successful season.

Losing badly to Montrose in the following game (we could only manage 74 runs) was a sign that our batting depth was not as strong as first thought.

Stewart was promoted to the Firsts, and I found myself Captain; we beat Croydon Hockeys and lost to Glen Park, at this stage of the season 4 wins from 6 games.

Then Glen Park, Scoresby, Kilsyth, Olinda and Eastfield dashed any finals aspirations we held. In the final two rounds a win against Eastfield and a fortunate rain delayed draw against South Wantirna completed our season.

11 games played - 5 wins, 1 draw, 5 losses.

On the positive side, several of our younger brigade earned the opportunity to play at A1 and A2 Level.

David Parker, Jason Disney, Chris Vorwerk, Gavin Baldan, Adrian Watson, Simon Denton, Michael Levi and Dean Morrison performed with merit and achieved valuable experience for their respective future cricket seasons. Jason Denton performed extremely well as the Seconds Keeper throughout the season. Only inconsistency in batting will delay his promotion to the Firsts.

In the final analysis, we were unable to put pressure on opposition batsmen by consistently bowling line and length or put pressure of opposition bowlers by playing straight and waiting for the bad ball to put away, in the meantime picking up singles to keep the scoreboard moving along.

Concentration and a commitment to regular training sessions is the only way I know of to rectify these deficiencies.

Season 1990/91 should be an enjoyable experience, if all players Senior and Junior build on their opportunities from 1989/90, and I am hopeful that this will be the case.

I look forward to seeing you all in 1990/91, please have a safe and happy winter.

Yours in Cricket

Norm Barnfield

3RD ELEVEN CAPTAINS REPORT

Captain: M. Parker Vice Captain: S. Goodman

Season 89/90 was an extremely unlucky year for us. There is no doubt that we were one of the best three teams in A3 but lady luck at no time went our way. There were three very weak teams in the competition this year, most sides beat at least two of them outright. We did not play any of them at all!! To finish fifth 1-5 points from fourth was in hindsight probably a good but unfair result.

Many good things came out of our team this year. The development of most of our younger players was encouraging and this continued commitment of our more senior participants was outstanding.

A3 turned over thirty players this year, with a minimum of two changes each match. This player movement made it very difficult to settle positions or develop any form of team spirit. Season 89/90 was the worst I can remember for player unavailability!

Looking to the future and relating it to our team this year, there is no doubt Templeton will benefit. Gavin Baldan showed tremendous consistency early and was promoted where he continued to perform. "Hardy" Singh a newcomer was consistent all year and will one day open in the ones. Chris Vorwerk was terrific and was promoted where he continued his success. Tim Lambrick and Glen Leonard showed enough to prove they have got what it takes if they concentrate.

Overall I thought the attitude of most third XI players this season was fantastic and I would like to thank you all.

A special mention must be made to David Lavoie and Steve Goodman. These two guys were just brilliant with their help to me as Captain.

M. Parker

A4 GRADE CAPTAIN'S REPORT

Season 1989-90 was particularly successful for Templeton's Fourth XI. There were many fine individual performances and several players made the most of their opportunity and earned selection for higher grades, where they continued to perform. These players may not appear in the trophy lists - yet - however I am sure that in a few seasons they will be regular performers in our First XI. This is the aim of our selectors and the future of Templeton is very strong with the abilities of our younger players.

The Fourth XI lost 3 matches during the season ending with the final ladder position of 5th, just a few points out of the four.. All players performed well and represented Templeton C.C. in the competitive and sporting manner expected of them.

In summary may I say it has been my pleasure and that I am extremely proud to have captained Templeton Cricket Club's 4th XI for season 1989-90. I would like to thank Pieter Bergshoeff for his coaching services during the season and encourage players to share his dedication and goal-setting as a model for their own success. I look forward to season 1990-91 and the progress and achievements I know it will bring.

Geoff Ofield

'C' GRADE CAPTAINS REPORT

Well What a year!

After starting my first season with Templeton Cricket Club in 1989/90 with very little experience, I was thrown into the deep end with my voluntary offer to Captain the 5th Eleven.

The year was an extremely ordinary one with only one win (and that was fantastic!) out of eleven games. Even considering this, most of the players put in a fine effort under trying circumstances. We often had to find two or three players on a Saturday morning with higher grades suffering last minute drop outs.

The bulk of the team was made up of players from our under 16 sides and, considering their youth, produced some fine individual performances. Lee Gray, Matthew Pinwill, Justin Morgan and Luke Flintoff were regular players in the fifths, all of whom contributed to the team effort. These guys show real promise for the future and should be encouraged to put in some hard work during the next season. In particular, Luke Flintoff produced some fine efforts which is reflected in the fact that he won all of the grade Awards for the 5ths.

The fielding this year was generally pretty hopeless, with some improvement in the latter part of the season. Another thing that let us down as a team was, with a few exceptions, the lack of concentration when batting. However there were times when we were facing an outright defeat and with some intelligent and gutsy batting, managed to avoid that result.

Finally I would like to thank the other regular 'old man' of the team, namely Tom Depradines, for his patience and support during the season. I am confident that next year will see a much improved side, given the natural influx of players from the Junior sides moving up to Senior cricket.

Graham Brookman

'E' GRADE 6THS 1989/90 SEASON

Rain and a forfeit (by other teams) interrupted commencement to the season in 1989, followed by some excellent end to end wins including an outright, the 6ths raced to the top of the ladder going into Christmas. Obviously the long break (too much Christmas cheer) and the inconsistent season, due to missed games, saw the team fall back into the usual format of win one lose one up to the end of the season which saw us unexpectedly remain on top of the ladder thus winning the home and away season premiership. Well done to the 14 man squad - a team effort that got us there.

Unfortunately a combination of injuries, old age, lack of experience (in recent years - like 20) in finals, a lost toss and it could be argued I suppose, a lack of ability!! saw us tumble out of the semi-final against a good combination in Westwood (they finally won the flag, being two seasons in a row) to finish up in third place - a very creditable performance for what still remains as a social combination; merely to support the coffers of the Club.

Many thanks to all those who turned out on the Saturday and Sunday to support us in the Semi-Final and an extra special thanks to Norm Barnfield for his, as usual, sincere and expert guidance and support. To our Bay 13 "Super Box" ladies and ankle biters (not so small kids these days) again, without you, we could not expect to do so much. YOU are our inspiration to achieve the top standard we have aspired to this year (T.I.C.).

High points and low points to the season were too many to list but to mention just a few of the main ones :

- Wayne Farrell making 1000 runs in the season and winning the R.D.C.A. Batting Average for the second season running (Transfer Fee has just gone up).
- Ian Winnett's magnificent diving forward full length catch in deep mid wicket in the semi-final.
- Howard Norton's 1st 100.
- Ken Maynard's brilliant wicket keeping and inability to get to 100 for another season.
- Glen Morrison's fine "5 for" which kept us "in it" in the semi.
- Laurie Jones consistent bowling and improved batting including a 70.
- Ian Blakebrough's vicious knock of 20 in 21 balls in the last home and away game.
- Injury wise, delicate Des McDougall's untimely monkey muscle injury 2nd last game to miss the finals.

Sadly a few retirements during the season with Harro and Cordezie finally putting their stumps away and it is believed, but yet unconfirmed, that a certain all rounder has done so well in the field with his foot this season that he may be retiring from cricket to take up Frank Aroks job as Australian soccer coach provided the ankle operation is successful.

A tremendous season filled with memories which is why we all love and attempt to play the game.

Thank you for your support

R.C. Lovett

JUNIOR ADMINISTRATORS REPORT

I had the honour of being Junior Administrator for season 1989/90. It gave me a lot of pleasure and the odd headache but overall I enjoyed it immensely.

Flags, so we didn't win any this year, I do not judge a successful season by the number of premierships won, more by each player being able to say 'I did my best and improved my game this year'. Yes a flag is a bonus and I firmly believe we will be strong challengers next year in all divisions we compete in.

Our under 12's this year consisted of two teams, both very young with few experienced players to help the new players along but they exceeded even their own expectations.

The first team under the management of Ken Parry, finished just out of the final four and lost a number of their games by just a few runs, a good effort guys and I am sure next year will be your year. Special congratulations to Murray Creed for his selection in the RDCA Festival Squad.

The under 12 second team under the management of the shy and retiring Mr. Barry Maclure and his able partner Mr. John Cassidy, went one better and made the semi finals. Otherwise known as "Maclures Marauders" or "Cassidys Killers" they gave it their all and were unlucky not to get into the final.

The under 14 firsts coached and managed by Gary Lear was mainly made up of under 12's from last year who were division one champions. I personally expected them to struggle this year but they went through the season unbeaten, won their semi final well and then came up against a very strong Lilydale side who beat us very convincingly. It showed our boys have reached a certain level and they must work hard next year to be a truly great side. I know you can do it boys, well done this year.

Special congratulations to Daniel Snell, Danny Lear, and Craig Johnston who were all selected to play for the RDCA Festival Squad.

Our under 14 seconds were coached and managed by the erudite Laurie Jones and was a mixture of boys just up from the under 12's mixed with a number of new players. They were unlucky not to have made the finals, with a few poor results earlier in the season, they made their task too difficult and finished equal fourth with a lower percentage. They certainly came home with a wet sail beating the first and second placed teams and in the last match gaining an outright. Next year is your year boys, well done.

Our under 16 firsts coached and managed in his first season in this role by Tim Lambrick lacked support from the senior level of the club and discipline suffered because of it. However after these problems were overcome the boys gave a good account of themselves at the back end of the season and made

the semi finals. Early setbacks in the semi final when we were batting sealed our fate but the boys to their credit played it out to the finish and didn't quit.

I hope for those boys who go on to senior cricket and those who will be playing under 16's next season, that you will put behind you the events of this year and learn from them.

Our under 16 second team was managed by Mr. Howard Norton, this side although light on success was to me the essence of what this game is about. A bunch of boys who love the game of cricket, getting out there every week come rain (and we had plenty) or shine and doing their best. They didn't make the finals but they gave it their best shot and I am sure each and everyone of them will be satisfied with their efforts this year, well done boys.

To Mum/Dad/Grandad/Grandma, I make this plea, as usual the same old faces are in evidence when help is needed to coach the kids, why not stay around and help, get out of the car and go over and offer your help to the coach. It doesn't matter if you don't know which end of the bat to hold the boys will show you. The coach will be glad of your help, just put yourself in his shoes, imagine you have 25 kids under 12 at your place for a birthday party he has that problem each week.

Finally it would be remiss of me if I did not say a special thank you to the Team Managers, their helpers and the Executive of this club for all their help and advice and to all those I may have forgotten, thank you too.

Owing to work pressure I cannot stand for re-election next season, but I will still be around to help when I can, not like this bloke.....

EPITAPH

=====

As in life so in death lies a bat of renown,
Slain by a truck (three ton);
His innings is over, his bat is laid down;
To the end a poor judge of a run.

In conclusion I would like to thank all Team Managers and their helpers and the Executive for all the help and advice given and especially my wife for her patience and understanding.

Mike Cartwright
JUNIOR ADMINISTRATOR

Under 16/2 Team Manager's Report

This was a season of what might have been. To begin the season we had sufficient players for two full teams which enabled us to select players on their form and ability and not as in recent years just to make up the numbers. It gave us reason to be optimistic.

However it took us until well after Christmas to play together as a team. You do not win matches on the strength of your best players only on the best you can get out of all players.

I think our boys can reflect on this season and not too many can be satisfied that their game improved greatly. I hope next year will be better for you whether you are still playing at junior level or have gone on to playing full time senior grade cricket.

On the positive side, some very good batting at the end of the season and a very gutsy effort in the semi final after some early setbacks showed me how good we could have been.

My personal thanks to Murray Parker, Paul Denton and Geoff Ofield for their support throughout the year and to the boys, I wish you all the best for the future.

TIM LAMBRICK

Under 16/4 Team Managers Report

The 1989-90 season was one for team building for not only this year, but for next year, as most boys were playing in this age group for the first time.

All boys put in a solid year, and played the game with the right attitude towards their own team mates and the opposition.

The strength for the club was the fact that 17 boys played in the U16/4's during the season, and the experience they gained this year will stand them in good stead in future seasons.

There were some fine individual performances throughout the season, but more importantly some very good team performances.

I would like to offer my congratulations to all the trophy winners, and to all boys many thanks for your efforts each week.

To Mick Cartwright, thanks for your assistance as Junior Administrator and to all parents who assisted with transport and overall morale. A special thank you to Marion for being our scorer each week.

Finally, I wish all boys the very best for their future and I trust that they enjoyed season 1989/90 as much as I did.

Howard Norton
U/16-4 Team Manager

UNDER 14/3 TEAM MANAGERS REPORT

We started the year losing early games, from rain affected matches and the boys being unsure of their own ability. This showed up at the end of the season with a string of wins, culminating in an outright win in the last match.

Unfortunately we missed the finals, finishing equal on points with teams 3 and 4 but with a lower percentage.

The last game deserves greater emphasis it was a great effort by the boys to collect an outright win by bowling the opposition out twice in one morning. Glenn Barnfield bowled well taking 7 wickets, Craig Leembruggen collected 5 catches (funny, he was always on his own, maybe because he was recovering from chicken pox). Adam Major picked up 5 stumpings in a magnificent effort.

The boys had difficulty showing their true potential. Out of the 9 games played, 4 ended up being one dayers whereas our boys tended to prefer two day matches.

The one day games forced the situation where we required strong batting and bowling, making it difficult to mix the boys around, in both disciplines. We were always behind the eight ball and had to play our strongest team to survive.

Thanks must go to Norm Barnfield and John Sinclair for their assistance in umpiring and scoring, the usual plea to other parents is made, we need more of you.

I hope the boys enjoyed their season and hope they return to the club in 1990/91 for another bash at cricket.

Under 12/2 Team Managers Report

The Under 12/2 team performed very well during the season to finish just outside the final four.

Congratulations go to all players who contributed to the success of the side, both through their performances on the field and their enthusiastic approach to training.

During the season there were many excellent performances, but the most pleasing aspect was that each boy improved his skills during the course of the season. The club can be very proud, not only of the teams performances, but also of their excellent sportsmanship and behavior.

During the season emphasis was placed on the fundamentals of batting, bowling and fielding. If the boys continue to practise these fundamentals and develop their skills, they will be valuable players for the club in future years.

During the year the boys and myself received great support from Alan Wallace, and for his efforts in being at every game a very big thank you. To those parents who made the time to assist with transport, and come and watch the team play another thank you.

In conclusion I take this opportunity to wish all the boys good luck in their cricketing career and thank them for making season 1989/90 a most enjoyable one.

Under 12/5 Team Managers Report

Congratulations to all the boys who played with this team during the season. Not only for making the finals but also for the way they played the game, in every sense a truly team performance.

The team spirit displayed by these boys was tremendous, they were prepared to help one another on all occasions.

The making of the finals capped off a great season. A season where one could see the great improvement in the boys skills and their wanting to be part of the team.

As in all teams you have those blessed with natural ability and those not so fortunate. What they all had in common was the wish to do their best for the team.

The main aim of providing cricket for children of such tender age is to allow them to learn the rudiments of the game whilst at the same time allow them to enjoy participating in a team environment. It is believed that both these aims were achieved. At no time was pressure brought to bear on them to perform above their capabilities.

To Manage such a great bunch of boys was a pure pleasure and we thank all of them for making our "job" so enjoyable - in fact worth getting up at such an early hour each Saturday Morning. We sincerely hope you enjoyed the season as much as we did.

We have purposely not mentioned individual players however it would be remiss of us if we did not mention the efforts of the team spirit Sam Bates. He carried out his duties extremely well and made our task that much easier - Thank you Sam.

The work involved each Saturday Morning to ensure that the games started as close as possible to the correct time would not have been possible without the tremendous support of the parents who turned up at the same early hour each Saturday. To them on behalf of the boys and ourselves, our sincere thanks.

Finally, our sincere thanks to Mick Cartwright, Junior Administrator, a task which is not easy but which he carried out in such an admirable manner.

Barry McClure
John Cassidy
