HISTORY OF TEMPLETON CRICKET CLUB INC.

Club Colours - Red & Blue

Early in 1983, when the Templeton Sporting Complex was nearing completion, the Committee of Management advertised through local papers for submissions from local residents interested in forming new sporting clubs or established clubs wishing tenancy of Templeton Reserve.

Our Secretary, Mr. N. Barnfield, then Secretary of Ainslie Park Cricket Club with Mr. P. Denton, Templeton Treasurer, then Treasurer also with Ainslie Park, decided that they would seek a series of meetings with local residents, Ward Councillors and possible sponsors, with a view to forming a new cricket club in the area.

The rapid expansion in the area surrounding the complex plus the obvious benefits the reserve offered, were the basis of this decision. A public meeting was held at the reserve on Friday, 15th July, 1983. The meeting was chaired by the President of the Ringwood District Cricket Association, Mr. W. Dean, and attended by current Mayor of Knox, Councillor G. Draper.

It must be said there were several people who attended this public meeting who were not in favour of an additional cricket club in the area. On checking their bona-fides most of these dissidents did not reside in Knox and therefore were not allowed voting rights on the issue. From this meeting a caretaker committee was formed to establish the club which was to be called the Templeton Cricket Club. An application was forwarded to the R.D.C.A. for affiliation and to the Templeton Committee of Management for tenancy. In due course both applications were successful and the Templeton Cricket Club was underway.

1983/84 saw Templeton Cricket Club field 3 Senior sides in B. B Reserve and E. Grades and 3 Junior sides in U/14-4, U/12-3 and U/12-5.

The B side had an excellent season, finishing 4th but unfortunately being defeated in the semi-final by Ringwood. Games played - Won 8, Drawn 1, Lost 3. B Reserve played with plenty of promise but was not consistent enough winning 4 games out of 11. E Grade was a similar story to B Reserve players enjoying themselves but lacking consistent form winning 3 games out of 11.

U/14-4. The boys teamed together well but many players playing their first season of cricket could not cope with the more seasoned lads of the competition winning 4 games out of 10. U/12-3. The lads played exceptional cricket and were unlucky not to finish in the final four winning 5, drawing 1 out of 10 games played. U12-5. This grade is not played for points but is a learning process and the younger less experienced boys fought hard to improve their skills and improve they did, with a magnificent effort winning 7 games out of 10.

Season 1983/84 was particularly successful both on and off the field for Templeton Cricket Club and in reading the 1984/85 Annual Report you, the members and parents, can make up your own minds how the Club performed during this season.

PRESIDENT'S REPORT

Here we are at the end of another successful cricket season. Having overcome the traumas of establishing the club last season and building up team spirit, we reaped the benefits this year. This was apparent in training, on-field performances and social activities. I was pleased to see all club members involving themselves in training and social activities from the start. This involvement has shown dividends now with our 1st X1 and U/16 teams playing in the finals, unfortunately neither team reached the grand final.

Our junior teams had quite a successful season, our two U/12 and two U/14 teams who are our future senior members performed very well. There were a lot of good performances by individual members of these four teams and I congratulate all team members and managers on a season well played. I give my heartiest congratulations to our U/16 team in earning a place in the finals by finishing second after the home and away games, sadly they could not progress to the grand final. They have now set a target for our new U/16 team next season, as some of them move up into senior ranks and members of our U/14 teams will move up to take their place. WELL DONE FELLAS!

Another aspect of our junior teams is the involvement of senior players and parents at training and Saturday morning games. Unfortunately this has been left to a very few who have regularly shouldered the burden. We can never have too many helpers. If you can spare a little time on a training night or Saturday morning please let us know and come along. I'm sure the boys would appreciate it.

I would like to congratulate all the members of our 1st X1 team on securing a position in the finals again. This season has shown us one thing and that is that we have not slipped back from the end of the 83/84 season. All members contributed to the team's success in one way or another, but one person who stands out is Pieter Bergshoeff. My warmest congratulations to you Pieter in winning the R.D.C.A. Medal for the best and fairest player in B Grade. Our other three senior teams fared well in different aspects, a few previously unknown talents came to light so that we can look forward to a successful 85/86 season. To all senior members and to the U/16 players who played in the seniors, congratulations on a season well played in good spirit and sportsmanship.

I would like to thank my Social Secretary and his Committee on a job well done. The Social Secretary has one of the hardest jobs in the club and but for the support of all club members and a lot of hard work from his committee we could not have finished on a note as good as we have. Our special thanks to Lyn, Judy and Andrea and all the other ladies for their tireless work in the canteen over the season. We are grateful to the Templeton Committee of Management who have again shown their confidence in us, in allowing us to continue to use the grounds and facilities. To my wife I give a special thank you for all she has put up with and for her support throughout the season. In closing I offer my congratulations to all trophy winners and give my thanks to all club members for their support of myself, my committee and OUR CLUB.

Russell Lindroth.
PRESIDENT.

GENERAL SECRETARY'S REPORT

Dear Members,

Reflecting events over the past season, Templeton Cricket Club has once again shown our cricketing skills are continuing to improve, all sides, senior and junior, acquitted themselves well especially senior 'B' and U/16 teams who both made the semi-finals but unfortunately were not good enough on the respective days to make the grand final.

Importantly, captains, players, team managers and supporters conducted themselves in an exemplary manner throughout the season; whilst winning in competition at any level makes the hard work worthwhile, we must not forget cricket is a great leveller and friendships made plus satisfaction of participating add up to the overall enjoyment of this great game.

Incidentally, I was a tribunal member during the course of the season and I can assure you that on and off field antics will not be tolerated by the R.D.C.A, and your Executive will also seriously consider additional penalties.

There is no doubt the future of Templeton rests with our juniors, our present U/16 and U/14 teams give us a great deal of encouragement for the near future, but for this club to continue improving we must have dedicated personnel working consistently toward the goal of ensuring Templeton Cricket Club retains the respect of the R.D.C.A. and fellow club members. Our administration must be of the highest standard possible. If you think that the club can be improved upon, don't stand back and discuss the problem with a few players or supporters, put your ideas to the test, nominate for a committee position at the Annual General Meeting. Ultimately decisions made now will affect the club for years to come.

Practice wickets have finally been erected. I'm sure all coaches and players will appreciate their presence to improve skills, specifically junior players and improvement will be shown I'm sure in 1985/86.

Season 1984/85 saw many hard working personnel but on behalf of the Executive I must congratulate the ladies working in the canteen each Saturday. Their devotion should encourage everyone to assist when possible and especially to "Windy" Lowe, our Social Secretary, whose efforts need not be expounded upon but were certainly appreciated.

Congratulations to "Orca" Bergshoeff, best and fairest in B Grade also Club Champion 84/85, Troy Atkinson U/12 R.D.C.A. Bowling Averages, and not forgetting Martin Wood, Junior Club Champion for the second successive season. Well done Martin.

To our sponsors many thanks for your valued and most appreciated support. Concluding I have great pleasure in presenting the club's Annual Report and Financial Statements for Season 1984/85 at this our 2nd Annual General Meeting.

Norman T. Barnfield.
HON. GENERAL SECRETARY

TREASURER'S REPORT

Dear Members,

In the season just completed Templeton Cricket Club has progressed in leaps and bounds, both financially as well as our on field performances. Season 1984/85 has seen our first eleven again make the finals, our second eleven become more competitive and the under sixteen team make a finals appearance in their first year.

Financially, the club has completed the year in what seems to be a very healthy position with all accounts paid in full we have finished the year with a considerable surplus. This however will soon be eaten away with the laying of a new synthetic wicket at a cost of around \$3,300.00.

The main reason for this surplus is the hard working social secretary and his committee, without who we would be faced with some very substantial increases in our annual and weekly subs to maintain the very high standard of equipment supplied by the club. On behalf of the committee and members I would like to thank Kel Lowe and his team for an excellent job.

Once again this season we were fortunate to have sponsorship from Ward Spinks Real Estate which was very much appreciated by all members. I would again urge all members and their families to support Ward Spinks by contacting them for all their real estate needs now and in the future.

I would take this opportunity of thanking the executive committee for all their support throughout the year. My thanks also to all team managers and captains for collecting weekly subs and to those members who paid their annual subs promptly.

To the trophy winners, both senior and junior, I congratulate you all. A very special mention should go to Pieter Bergshoeff who not only won the club championship and nearly every other trophy for the first eleven, but also the Steve Pascoe Medal for the fairest and best player in the association. Congratulations 'ORCA'.

Last but certainly not least I would like to thank my family for all the support and encouragement that they have given me.

It now gives me great pleasure to present for your approval the Templeton Cricket Club Second Annual Financial Statement and Balance Sheet for the season 1984/85.

Templeton Cricket Club

REGISTRATION SECRETARY'S REPORT

The number of registered players continued to grow in the season just completed. At the present time, the club has 59 registered senior players and 88 registered junior players. Even with the increased number of teams that were fielded, the club was unable to provide some players with a regular game of cricket. This has highlighted the need for the Executive Committee to be more careful in accepting annual subscriptions from members when match participation cannot be guaranteed. This applies to both senior and junior members.

An incident involving the match result sheet from a B1 Grade match emphasised the critical importance of Captains and Team Managers accurately completing the sheet immediately the match is finished. It could mean the difference between making the finals or not.

As the suburb of Wantirna develops further, Templeton Cricket Club Inc., will be in more demand. Only with the increased assistance from all players and parents will it be possible for our club to provide first class cricket facilities.

I thank the team representatives for completing the match result sheets, Norm Barnfield for his assistance in phoning the scores through to the R.D.C.A., and the members of the Executive Committee for their help over the year. A special vote of thanks to my wife, Andrea, for her assistance over the season.

Paul Owen.
REGISTRATION SECRETARY

SOCIAL SECRETARY'S REPORT

Season 1984/85 commenced socially with a banquet at the China Court restaurant which was well supported by club members and friends. Other functions held during the year included golf day with barbecue back at club rooms, Melbourne Cup day at club in conjunction with the Wantirna Football Club. The club also played a game of football against the Wantirna Football Club which we won.

In November it was ladies night out and I believe it was a success (I was not invited). Our Christmas break-up in December was a Pancake Night which was very well attended (even Father Christmas came), followed by a special fund raising drive with the sale of chocolates and assorted lollies.

In March we had the Chicken & Champagne night and a cricket match against the Wantirna Football Club which unfortunately was mared by very unfavourable weather conditions but nevertheless it was a great day. The Junior Presentation Night was very well attended by parents and friends. At the end of March was the End of Season trip for senior players and club members.

The climax of the year is always Presentation Night and this was held at the Olinda Log Cabin. Our Saturday night barbecues were generally well attended although the weather did not help very much this season.

I would like to thank the following people very much for their donations to the club. Clubs survive on support of people and donations to make it a success.

Murray Parker
John and Wendy Sinclair
David Snell
Ian and Anne Morrison
John and Jenny Cassidy
Tony Hurford.

Our fund raising and support this season was helped by donations from the following companies for which I thank them very much.

Ward Spinks Estate Agents
Robbies Licensed Grocery
Rembrandts Restaurant
Billabong Hotels
McDonalds Restaurant
Four'N'Twenty Pies
W.D. & H.O. Wills
China Court Restaurant
Red Rooster
Hot Chicken'n'Bread

I would like to thank the very hard working, dedicated and enthusiastic Social Committee and others that pitched in.

Lyn Barnfield
Judy Denton
Andrea Owen
Anne Morrison
Wendy Sinclair
John Nightingale
Ian Morrison
Mick Crompton
Ron Lovett
Ian Winnett

This season we purchased a billiard table, club t-shirts and a portable gas barbecue.

In winding up my report I would just like to say it has been my pleasure this year to have been Social Secretary. I hope all the members and friends will continue to support this new and growing club next season and in the future.

It is my pleasure to present the Social Committee Balance Sheet for the season 1984/85.

Kelvin Lowe.
SOCIAL SECRETARY.

CANTEEN REPORT

Well another year has past and Templeton Cricket Club once again put on a magnificent season with our First X1 and Under 16's getting into the finals. Congratulations to you both and to all our teams. Hopefully next year will bring home the premiership flag.

The canteen ran quite well this year although we had to contend with two robberies over the Christmas break and loosing quite an amount of stock but things on the whole went very well. We purchased the pool table which we urgently required and the Social Club once again have handed over another cheque to the Executive Committee.

I would like to thank my fellow workers, Lyn and Andrea, for their tireless work and all the other ladies who helped in anyway in the running of the canteen. My thanks must go to Kel for his neverending work in the running of the Social Club. Kel has put a lot of work in making the clubrooms more interesting. Nothing is too much trouble for him. Thank you Kel from all the ladies on the canteen. Your efforts are very much appreciated by everyone.

Thank you to all in the club who supported us all year. I hope you continue in the year ahead. Have a good break, hope to see you all next season.

Judy Denton.
Ladies Canteen.

 Templeton Cricket Club.

END OF SEASON TRIP - ALBURY 30-31/3/85

Templeton Cricket Club's inaugural end of season trip was hailed as a great success by the 18 players who attended the action packed weekend in Albury in late March. The comradeship developed was superb and could very well be instrumental in inspiring Templeton to the flag in season 85/86. For that we thank the hard working efforts of Kel Lowe and John Nightingale for making the following possible -

We departed Templeton Cricket Club on a brisk Saturday morning - it wasn't long before the fun began. Bill Duell stunned the tour hostess by flashing his (?) I.D. at her as she distributed bingo cards amongst the passengers. Bill however was kind enough to place her on probation and it was soon all eyes down on the bus.

The Lavington Sports Club in Albury was our first lengthy stop and it wasn't long before most of us were donating to the N.S.W. Government through the poker machines. A filling meal and few liquid refreshments later and it was off to the excellent Hospitality Inn in mid-town Albury. It appeared at this stage that Kel Lowe's stirring pre-trip speech about upholding the Templeton image was paying dividends with nothing more than a few playful drownings in the hotel's pool alerting residents of the club's presence.

For dinner it was only a 50 yard walk across the road to the S.S. & A. Club before the boys decided on an evenings entertainment at the Albury Trots. With Albury's two taxis occupied, Pieter Bergshoeff and Paul Owen lead the way in a trek that would have amazed even our early explorers (some players swore that they'd passed Sydney and were on the road to Brisbane!).

It wasn't until Race 3 that we arrived with plunges that stunned the Albury bookmakers. Stan Pamietta and Paul Denton lead the charge while the partnership of Pieter Bergshoeff and Mike Litchfield proved deadly. John Nightingale's hot tip won the 2nd last race with most of a very hoarse club riding it across the finish line to the amusement of Ian Blakeborough.

After a few drinks to celebrate our big collect we covered the return 4 miles (originally only 2!) in time for a few nightcaps back at the S.S. & A. Club.

The Milky Bar kids (John Arnel and Greg Meier) were getting stuck into potent chocolate milkshakes while Pieter Bergshoeff was dragging a not too impressed Jim Potts out of his bed to come down and play the finals of the Templeton darts and pool competitions at the club. Jim lost the darts to Mike Litchfield and the pool to Pieter Bergshoeff and topped off a great night by also missing out on the two maidens he'd been talking to all night (although how he was going to keep his promise of a party back in his room with two stubbies and a sleeping brother, is beyond imagination).

The club closed at 1.00 am and it was back to the hotel for a swim and a few more nightcaps. The swim was however cut short when Pieter 'Orca' Bergshoeff doing his marineland aquatic impressions promptly woke most of the hotel. The wee hours saw some amazing scenes with bodies dragged along the hallway and phantom door knockers keeping most other residents awake. Chris Harper in particular had the shock of his life when he opened his door at 4.00 am after persistent knocking to find his supposed sleeping room-mate staring back at him with glazed eyes.

Eleven corpses lined up on the 1st tee of the Hume Country Golf Club next morning after only 3 hours sleep and they were treated to two memorable shots. John Nightingale in being the first to tee off was responsible for one of them. His opening shot was one of the finest square cuts seen all season in cricket teams. It split the half asleep slips cordon (so what else is new!) of John Arnel and Paul Owen before hitting the clubroom wall, rebounding back on to the fairway (6 inches higher would have seen it through a large window and the fleeing of 10 other golfers). Not to be outdone 'Stormin Norman' Barnfield (bares no playing resemblance to Greg Norman) played a shot on the 9th and last hole that had his partners shaking their heads in disbelief. Slightly overclubbing, Norm played his ball through the back of the green on to the same clubhouse wall where it rebounded past startled players on the practice green on to the fringe of the 9th green. It was one of the finest off the cush shots ever seen. For the record Chris Harper won the morning thanks to the results committee of Owen and Bergshoeff who should perhaps patent their most amazing handicapping system.

Back at the hotel it was the diplomatic charm of Paul Denton and Plino Cordeiro that saved the day as they attempted to explain away the previous night's activities to residents and coach passengers alike.

Our final visit to the pokies was to the Hume Aquatic Club situated amidst beautiful scenery on the Hume Weir. Mick Crompton and Greg Meier took advantage of the beautiful weather by hiring a canoe on the weir while Greg Potts and Co. in a hired outboard quickly swamped them. Dave Tattersall pulled a parting jackpot and it was back on the road to Melbourne.

There was a quick check to make sure the wedding rings were replaced (only joking) before we were greeted by our faithful bunch of cricket widows.

After this year's success, next years end of season trip is already being planned and I hope that when the time comes around we'll see you all on it.

1ST ELEVEN CAPTAIN'S REPORT

It was with the expectation of great success that the 1st X1 commenced season 1984/85. From the first game, the new players of the side settled in quickly and we became one of the strong combinations in B Grade. After the initial setback of a washout and a loss, we won 8 out of the next 9 games. This included a resounding victory over the eventual premier team, Johnson Park.

One of the big disappointments of the season was our performance in the semi-final. I believe that every player was committed to the side, but that the concentration of a number of players cost us the opportunity to play in the grand final. We must learn from the mistakes that we made and work harder than ever next season. Remember, you will only get out of cricket what you are prepared to put into it!

Our on-field performances were much improved on last season. Our batting has greater depth with six players each having an aggregate of over 200 runs for the season. As a team, we must make more runs so that the pressure can be sustained upon opposition sides. We have more variation in our bowling attack. I was in the fortunate position of being able to call on many players to do the work with the ball. Our ability to bowl tightly was a major factor in our wins during the season. The greatest improvement was in our ground fielding and catching. The efforts on the training track brought rewards during the games. Thanks to Trevor and Pieter for organizing the activities at training.

Some special highlights stand out during the season. On an individual basis, Pieter Bergshoeff's achievement in winning the S. J. Pascoe Medal for the fairest and best player in B Grade was great and for the team, our match against Johnson Park and our batting against Heathmont Baptists were truly great performances.

During the season a total of 20 players represented the 1st X1. This is an encouraging indication that the club is obtaining depth. The members of the club must continue to recruit so that the standard in all our teams is improved.

Once again Templeton were the envy of many opposition clubs in providing top class facilities and refreshments. The never ending work of Lyn, Judy and Andrea in preparing afternoon tea and drinks at our home matches was greatly appreciated by all the players, officials and supporters.

To my vice-captain, Mick Banbury, and all the players who represented the 1st X1, I express my sincere thanks for your full support. I congratulate the individual award winners and conclude by saying that the Club can be very proud of the manner in which the 1st X1 played the game of cricket during the season.

Paul Owen.
1ST X1 CAPTAIN.

1st X1 TEAM RESULTS

Captain P. Owen
Vice-Captain M. Banbury

Summary of Matches -

v. Ringwood	5/152	Templeton	10/92	LOST

B RESERVE CAPTAIN'S REPORT

"So near yet so far, so goes the game of cricket" and expectations of all who played in the 2nd XI.

Graham Williams made the comment in his 1983/84 report that "there was a lack of depth in our playing ranks which resulted in a lack of pressure being put on the 1st XI players", this year we have more than made up for this indiscretion, providing no less than five players and our vice-captain (who nearly made it) to put the pressure on. The overall performance of Messrs. Walker, Goodman, Pamietta, Litchfield and Page has been significant to say the least.

The 2nd XI proved to be an enormously experienced group of players mixed with some outstanding players of the future. We achieved 7 wins out of 10 games, missing the finals by the smallest of margins and we know we are much better than 3 of the teams that competed in the finals. My congratulations go to all players who took part in season 85 especially -

Ron Harrington for the magnificent job behind the stumps and when required with the bat. (The older he gets the better he gets).

Paul Denton for his constant encouragement to me.

John Nightingale for his great efforts as vice-captain and his performance with the ball.

Chris Harper for his encouragement, bowling and excellent fielding when I was bowling.

Phil Page for his wonderful bowling spells and total support of my bowling changes!

Greg Meier the foundation stone of many an innings.

Wally Lubcke for his ability to bring out the best in all of us with his batting, bowling and fielding.

Luke MacDonald for the constant information on players, and overall cricket skills.

Outstanding performances were numerous this year and I congratulate the following on theirs -

Luke MacDonald's 108 against Parkwood (his maiden century). In the 4 games Luke played he scored 177 runs and took 9 wickets and 4 catches.

Chris Harper's 28 wickets including a best of 5/35 against Park Orchards.

Mike Litchfield's bowling 14 wickets and 146 runs including 51 runs against Glen Park. Mike had a best bowling performance of 5/35.

Ron Harrington's 15 catches, 2 stumpings and ability to hold up the opposition.

Phil Page for his magnificent 76 against Yarra Valley.

Greg Meier for his constant scoring ability in the opening position - 187 runs at 20.77

I would be remiss to say these were the only fine performances of the season but they do however represent the outstanding performances for the season. Whilst on outstanding performances my thanks are also extended to the ladies of the club who helped make the afternoon teas such a success. As well I thank Fran for her work as Scorer, her willingness to take on this role was much appreciated by the whole team. In conclusion, I would like to thank all players who participated in the 2nd XI's season. I thank them for their support and hope to see all of them back in 1986.

J. Cassidy.

E GRADE CAPTAIN'S REPORT

Across the entrance gates at Lord's Cricket Ground in London are the famous words of W. G. Grace "Play up, play up and play the game". I believe this coincides with the philosophy of Templeton Cricket Club's desire to promote cricket and good fellowship and is indicative of the way E Grade like to play.

Our season opened against Academy and we performed creditably against the best side in the competition. Captain Ron Harrington scored a century against Boronia Baptists in our only win for the season, subsequently earning permanent promotion to the B Reserve team. In our last game we went down in a tight finish to finals contenders East Ringwood.

Although it was disappointing not to win more games, Templeton Cricket Club was well served by the 3rd XI. New players to the club made their debut with us and in some instances represented the Senior side in the finals. Others regained form after injury or being dropped. Some Under 16 players, the future strength of the club, made their senior debut in the 3rds. and all had every chance to bat and bowl. Along with these regular changes in personnel there was a solid core of E Grade players who did their best.

Our main shortcoming was in our batting. The nets should see an improvement here. The bowlers performed well but at times our fielding and catching was nearly as bad as that of the Australian national side. There is insufficient space here to mention the many fine individual performances. Rather, I will let the record book speak on that score. I would like to thank all the players, the ladies in the canteen and the Club Executive for their support. We can look to a more successful 1985/86 season with confidence.

Ramon Laidlaw.

F GRADE CAPTAIN'S REPORT

Foremost, I like to thank the Committee for giving and trusting me with the job of Captain of the fourths. I also like to thank some of the senior players who were always ready to help and advise me with any problems concerning the team.

The 84/85 season was really not successful for us, but it is the fourth's first year in competition. Considering a few new players had never played cricket before it was always a competitive Saturday afternoon outing compared to almost all the other clubs in the R.D.C.A.

Really the purpose of the fourths is not a 'breeding ground' for experience but merely a 'breaking in' for social and junior players entering the cricket scene. I must stress however everybody involved really tried hard not only to win but also to play the game with honesty, pride and true spirit for the club.

Our only real weakness was in the fielding department. Our batting started to look more sound towards the middle of the season. I can see this being overcome with the new training facilities obtained and not forgetting the coaching task of Pieter Bergshoeff and Trevor Tormey.

Lastly, I would like to thank my vice-captain, Des McDougall, Russell Lindroth, Clem Cordeiro and Kelvin Lowe for the support and advice in making my job easy and to all those who played in the side.

Plino Cordeiro.

JUNIOR ADMINISTRATOR'S REPORT

Once again the cricket season has drawn to it's conclusion with a mixed bag of success and personal glory for a number of our juniors. The question that will temper the further development of the junior section of the club will undoubtedly centre around the greater participation of parents. As a general criticism of our club this year it has been most disappointing for the team managers of some teams to find themselves with more than adequate numbers of boys to contest the game but less than sufficient transport to safely deliver the boys. As a direct result of this, Executive has determined that the acceptance of future junior registrations will also require far greater parent commitment.

As with our first year all senior players felt the impact of competition against players in the 14, 15 and 16 age group. It is imperative that this club bites the bullet on the issue of juniors playing senior cricket (and not just as fill ins!) to facilitate and encourage the development of cricket throughout the club. We must actively pursue this issue in conjunction with the entire 'social club' notion of our organization. I trust that with the continued enthusiasm of our juniors and a revised and refreshed parent input the provisional approval of Executive for an extra U/16 side will be well justified.

We have again suffered with inadequate training facilities for the juniors. The late provision of training nets (as such) did not cater for the huge numbers of boys who attended practice on the reserve. The boys have once again maintained a 'good care' record with the gear provided for them. Hopefully this will lessen the initial gear costs for season 1985/86.

Individual performances have again been consistent with the R.D.C.A. averages with Troy Atkinson and Martin Wood being nominated for awards in this area. I congratulate Troy on winning the R.D.C.A. U/12 Bowling Average.

My thanks are again extended to all coaches, helpers and parents who have assisted with the smooth running of the junior teams. In particular I thank -

U/12-5 John Nightingale, Tony Hurford & Bill Cumming.

U/12-2 Paul Denton & Chris Harper

U/14-5 Mick Crompton, Ian Winnett, John Sinclair.

U/14-3 Norm Barnfield, Pat Meehan, Howard Norton,
Des McDougall & Ian Morrison.

U/16 Ian Wood, Ron Lovett

and a special thanks to Trevor Tormey. I also thank the ladies of the Social Committee for their efforts over a very long season. All boys and visiting teams appreciated the excellent morning teas provided by our club. It is a great pity that other teams cannot provide the same courtesy.

Again I apologise to anyone that I may have missed. I console the U/16 boys on their semi-final loss but trust that coupled with a parallel loss in the 1st XI, we may see a far tougher approach throughout the club in 1986. Congratulations to all trophy winners and all those who participated through the juniors and thank you to all those on the Executive who have assisted me.

John Cassidy
JUNIOR ADMINISTRATOR

U/16 GRADE 4 COACH'S REPORT

A total of 17 boys comprised the squad from which to pick a team for each game; of this, seven had definite ability, another seven had some ability in one direction or another and three were enthusiastic. We were fortunate that almost every batting position could be covered by two or three players. There were at least three wicket keepers and in any team selection we went in with six bowlers. The weakness was in the slow bowling department made unfashionable by first-class cricket.

The top half of the batting order revolved around Tim Lambrick, Richard Weidemann, Brett Conway, Martin Wood and Stewart Lambrick, with Brett and Richard making several scores of 30 or more. The Lambrick's often got a start into double figures but then got out as did Martin. The latter played an excellent innings of 88 against Park Orchards and would have completed a century if he had not put the interests of the team first, going for an outright. The middle order often faltered, the highest fifth wicket partnership for the season being 17.

We were fortunate to have 3 boys who could hit as hard as men, Andrew Rickard, Joshua Stanley and Mark Bennett. The first two made several match winning scores and in quick time which gave us respectable totals to bowl against. There were disappointing performances by some of the lower order batsmen who showed signs of having the correct technique but in limited chances did not really take advantage to make a score and gain confidence in themselves.

The bowling was shared between Martin Wood, Brett Conway and Stewart Lambrick. All bowled well with plenty of life and tried to think batsmen out. They were well supported by Mark Bennett Simon Lovett, Jamie Mullen, Nasif Gierdien and Richard Weidemann. Alistair Pitman was our only slow bowler and although he only took one wicket with his legspin, it was one of the most important of the season and he should persevere with his style. Tim Lambrick kept wicket very well and in keeping the sundries down made the bowler's figures a little more respectable than they might have been. Josh Stanley and Alistair Pitman also took a turn behind the stumps and performed competently.

With so many boys, individual attention to correct faults and develop individual talents was limited. This also applied to the fielding to develop specialist slip and gully fielders. We were fortunate to have several good cover/mid wicket fielders. Stewart fielded brilliantly and top performances were given by Richard, Martin and Brett. Adrian Hyland was always keen and a useful and versatile team member in the field and able to bat in several positions. Brendan Noll our only left-handed batsman, Nasif Gierdien who can bat and bowl, Alistair Pitman and Simon Lovett, all showed signs of ability and need to work harder on all aspects of their game.

Stewart led the side well and ran the changes in accordance with the team plan but was a little slow to adjust the field placings against the more aggressive batsmen. Due to weak fixtures, we cruised into the finals without being extended

and this was our downfall when after a steady start we were in a position at the tea break to build a respectable score but undisciplined batting saw us lose four wickets for twelve runs in fifteen minutes after the break. Apart from a brief revival for the seventh wicket the tail also failed to get their heads down and bat out time. Defending 121 runs was a tough task and sloppy fielding on the first day let Ainslie Park get to 39 for 1 wicket. We did not get an early breakthrough on the second day and they passed our score with only the one wicket down.

We lose six players to the senior ranks but there is a core of eight remaining, around which a useful team can be built. The boys were very supportive of each other and the team's non-players turning up to watch, but they must apply themselves more during training and when fielding in matches and not leave the field for any excuse.

The accompanying averages tell their own story, Martin Wood and Brett Conway being the most prolific scorers and leading wicket takers with Richard Weidemann and Andrew Rickard also scoring more than 100 runs and Stewart Lambrick the only other bowler to take more than 10 wickets in the season.

Ian C. Wood
COACH.

U/14 GRADE 3 COACH'S REPORT

The U/14-3 side started season 1984/85 with 5 losses in a row. Certainly not an ideal start to a season but out of those 5 games the boys were at one stage or another in the box seat for wins but on each occasion the batsmen threw the game away for us. It's easy to say I guess but many batsmen handed their wickets on a plate to the opposition with careless shots. On the plus side, the bowlers stuck to their tasks and it wasn't the fault of theirs we didn't win early games.

Against Academy we won a very tight and low scoring game. The boy's confidence grew and we put together three wins in a row with the batsmen making up some lost ground. The last game against Chirnside Park was close for most of the match but we lost it with 10 overs to go. All season the boys have behaved extremely well and punishments were few and far between. I hope such behaviour continues.

Unfortunately the practice wickets were not completed until the season finished and without looking for excuses, it made training nights most difficult with only the main wicket available for training. I am very hopeful more controlled training will be forthcoming for all juniors next year.

We should be able to look forward and expect a successful season for the U/14's in 85/86. There were many fine individual performances through the year but the boys did not perform as a team often enough.

I will be looking forward to continued solid performances from Shaun Meehan, Jason Denton, Glen Leonard, Robert Shakes, Ken Hew, Tim Norton, Darren McDougall, Ewan Johnston, Michael Levi and Dean Meier.

The club is growing stronger each year with many juniors wanting to join Templeton but commitment from the parents is vital also and I thank Pat Meehan, Howard Norton, Ian Morrison and Des McDougall for their help all through the season. It makes the tasks much more enjoyable.

Congratulations to all trophy winners and I hope your cricket skills will continue to improve. See you all next season.

Norm Barnfield
COACH

P.S. A special mention needs to be made for Trevor Tormey who put in for the club all season not only on junior training nights but senior nights also. By the way Trevor had a magnificent season of cricket himself taking 36 wickets and top scoring in the semi-final.

U/14 GRADE 5 COACH'S REPORT

The main aim, as far as on field performance goes within the club, is for the first senior XI to win a premiership flag. This success will not come overnight and without a lot of hard work. This hard work, I feel must start with the juniors as they will form the nucleus and be the future success of the club. Looking back on the season therefore, I feel that the club is due for an enormous amount of success and achievement.

The team this year showed a lot of potential and the boys had a lot of success although they only won a couple of the games that they played. Considering that the side we had wasn't always the best available due to the club's policy of giving every player a fair go, we fared quite well in a very even competition and the boys should be very proud of themselves as I and I'm sure everyone else involved with them were. Not only should the boys be proud of their performance but also the way that they behaved themselves at all times making my job a lot easier and more pleasurable.

The main individual highlights of the season were Bradley Jackson's 40 not out against Wantirna South, Troy Jones' consistent wicket taking, Ewen Johnston's keen and outstanding performances in nearly every game and also the marked improvement of Matthew Vennard who I feel has the potential to become one of the best quick bowlers at the club.

I congratulate all the trophy winners but the boys must remember that they should share some of their success with the other team members as they have put in equally as hard during the season. I would like to thank all the parents who gave their help and support to the U/14's this season, particularly Ian Winnett for carrying the mats to the ground and John Sinclair who scored for me every game, no matter whether his son was playing or not. Without Ian and John my job this year would have been impossible to carry out. Also on behalf of myself and the team, I thank all the coaches, committees, senior players, parents and everyone else who helps the club function and gives the boys the opportunity to play such a great game for such a great club.

I would like to again congratulate the boys on a terrific season and remind them that despite their disappointments if they keep on trying and putting in they will eventually reap the rewards that persistent hard work brings.

Finally, referring to my opening words, after two seasons of involvement with the juniors, I see our club with a bright future. I would also like to express the enjoyment and satisfaction that I have received from coaching the boys and hope that I am given the same opportunity in season 85/86.

U/12 GRADE 2 COACH'S REPORT

My opening remarks last season were that the future of the club is in good hands and I see no reason to change my thoughts following our second season.

With the experience gained in their first year the under twelve grade two team was represented by a very good group of players. After being promoted from grade three last season the boys had to settle down and perform both with bat and ball to show that the promotion was warranted. From a possible nine games we were only beaten three times and even then only once were we badly beaten, finishing the season in equal third place on the ladder.

This season saw some of last year's team go up to the under fourteen grade where they continued to perform well either with bat or ball and I can see no reason why the boys taking the step to under fourteen next season will not perform equally as well, if not better.

There were some fine individual performances by many boys during the season and to them I offer my congratulations, however the success which came our way this year was due to good team performances and providing the boys continue to play their cricket as a team, a premiership is only just around the corner.

May I take this opportunity to thank David Snell and Chris Harper for their assistance with scoring and umpiring also to Ian Winnett for transporting the mats to the ground and all the parents who supported the team throughout the year.

In conclusion I would like to thank all of the boys who competed in our team during the season. It gave me a great deal of pleasure to see you perform well and I would encourage any parent or senior player to become involved with a junior team in the forthcoming season.

Paul Denton

U/12 GRADE 5 COACH'S REPORT

It is with pleasure that I congratulate our second Under 12 team on the great effort that these youngsters put in this past season.

Having started with a convincing win over Parkwood in the first game we were unlucky in the next against Vermont which we lost by only one run. However, this was followed by two successive wins. Overall out of the eight games played we won five and lost three.

I would like to comment that without taking anything away from the splendid team effort of all our players the names of Rayden Tallis, Michael Vance, Chris Landy and Damen Portwine come to mind as showing great promise for the future of our club.

In the last game, although we lost 210 to Norwood 250, it could have been far worse had it not been for Dustin Hurford who managed to make 55 not out which made our score look far more respectable. Well done Dustin.

Finally, I feel that a good deal of credit must go to Trevor Tormey who coached the youngsters at training on each Wednesday night and Tony Hurford who managed our team on the field every Saturday and also John Nightingale who contributed a lot as manager in the early part of the season.

Many thanks to all.

Bill (Duck) Cumming
COACH
