Presidents Report

The hard work of the last couple of years is finally paying off with the club achieving great success on & off the field this season.

The restructuring of the committee to try and reduce the workload on each member is making every ones life a little bit easier and the rewards are being shown with a totally dedicated hard working group of people setting a great example for the rest of the club to follow. I would like to personally thank all the members of the committee for their great effort this year which have gone a long way for being responsible for the great profit you will see in the financial statements.

The workload around the club was not only left to the committee this year with quite a few people volunteering their help at social functions, Saturday mornings, Saturday nights etc this help is tremendous and has really set the club up for a strong future with many of these people keen to take on greater roles in the next year or two, so on behalf of the committee thank you all for the support.

Well done to all the players in the seniors on such a good year, it was a little disappointing to have 7 teams in the semi's and only have 2 get to the grand final however the 2 teams held up a good strike rate in grand finals with both the 2nds and 5ths coming away with the flag, a great job by both these teams as both Sam Bates & Jim Harry took over the captaincy roles a couple of weeks into the season and came through with the goods, so WELL DONE to both sides on a great year.

Our firsts had a fantastic year finishing the season well clear on top of the ladder, unfortunately had a stumble in the semi, this however far exceeded what we hoped to achieve at the start of the season and proves that we can compete with the best in the competition, well done to the leadership team of Jason Disney, Scotty Simmonds & Paul Payne for showing the way. As most of you are aware we have appointed Stuie Rodie as Captain/Coach for the next couple of years which will hopefully see us take the next step and win the clubs first Chandler shield 1 flag. Well done guys and good luck for next season.

The Juniors didn't have as successful a season as last year but we got penalised for that success with all the teams being graded well above what we should have been, but in the true TEMPS spirit the Kids all went out week after week and tried their guts out and can all hold their heads very high and look forward to a bigger year next year, thanks to all the coaches, team managers who helped out this year it is greatly appreciated but we can always do with more help, well done to Steve Johnston on running a good ship again.

The most important thing that we all have to remember is that the hard work we have put in particularly this year will go to waste if we don't back it up next year with a better performance.

The end of this season officially sees the end of two institutions on the TEMPS committee with the official retirements of Ian Wood & Norm Barnfield, these two guys have put in a hell of a lot of time around the club since it's inception 18 years ago and they will be sorely missed by all at committee level in particular Me, as these two guys have given me a great deal of support in my time as president, soon behalf of the whole club a big THANK YOU.

Once again I would like to thank My family for their support & understanding, I could not put in the time and effort without them being so patient particularly in the six months of the actual season.

This season was going to be my last as president, but with the growing support levels around the club making my life and time spent around the place easier, I was persuaded to put my hand up for another year, if the hard work and support levels continue next year you never know what could happen after that.

Thank you all very much for your support and friendships, I honestly believe that's what makes us such a great club, the spirit and mate ship shown to everyone really makes quite a unique club.

Finally a big THANK YOU to Nathan (satays) Small for his great work week in week out on the BBQ Saturday nights, I forgot to mention him in my speech at presentation night.

KEEP IT UP

Brett Keys (KEYSIE)
President

SECRETARY'S REPORT

It is with a great deal of pleasure that I present to you the members, the Templeton Cricket Club Inc Annual Report and Financial Statement for the season 2000/2001 at this our Eighteenth Annual General Meeting.

The season just passed has been a most successful one both on and off the field. Results like these don't just happen by themselves. You the members have had an extremely hard working committee over the previous twelve months, led very well by our president Brett Keys. Also the club treasurer Phil Dewar has done a magnificent job with the club finances, which Phil will elaborate on later in this report. Your Vice President and Junior Administrator Steve Johnston has once again taken care of the Junior side of the club and done a commendable job. Our Social Secretary this year was Kristi Johnston, and Kristi has done a magnificent job in both organizing and running several and varied functions most of which were well attended. A special mention also to the other members of the committee who has assisted admirably in the running of the club throughout the season. One special mention to two people who the club is greatly indebted to for the running of the Templeton Super Draw and that is to Jason Disney and Brett Gibb, thanks guys for a fantastic effort again this year and we hope that you continue the good work in the future.

Our efforts on the field were extremely pleasing following a not so good year previously. Our thanks go to our coach Scott Simmonds and captain Jason Disney whose efforts throughout the year helped in the final results which we were able to achieve.

Three players represented Templeton Cricket Club this season in the RDCA representative side, our congratulations go to Steve Johnston, Jason Disney and Stuart Rodie, it is an honour for you to represent your club in this way.

Ben Johnston also represented Templeton in the RDCA under twenty one side during the year and we also congratulate you Ben on your efforts.

At the end of each season the RDCA announces the RDCA ALLSTAR TEAM, this team is made up of the eleven best cricketers in the entire association. This year Templeton was lucky to have two players who were considered worthy enough to make this team, and these two players were Paul Payne and Stuart Rodie, on behalf of the club I congratulate you both on a fantastic year.

Congratulations must also go to Sam Bates, Jim Harry and their teams who won the seconds and the fifths premierships.

During season 2000 /2001 there were three players who reached milestones with club that they should be extremely proud of . The first of these was Jason Denton who in round two reached 200 games for the club. Second was Jason Disney who achieved his 200 in the Semi Final match against Kilsyth, and the third member of this elite group was Simon Denton who had to wait to the Grand Final to attain his 200 games. This is an outstanding effort by all three players who have been at the club for their entire cricketing lives.

Looking forward to next season we congratulate Stuart Rodie on being named Templeton Cricket Club coach for the coming year.

Before finishing this report it would be remiss of me not to mention that during the season the committee of the Templeton Cricket Club received the resignation of the clubs longest serving member of the committee, that being our secretary Norm Barnfield. Norm along with myself called a public meeting in 1983 and from that meeting the Templeton Cricket Club was formed. During the eighteen years of the club Norm has served as it's President, Secretary. RDCA Delegate, Temple Reserve Committee of Management President and Templeton Delegate. Norm has also represented the club as a player, Captain, Junior Coach and Team Manager and also as a Vets player. Without the enormous amount of work that Norm has put into this club over a very long period of time we would not have the Templeton Cricket Club that we have today and will have for many years to come. On behalf of all of the Committee and members, we thank you very much for a job extremely well done Norm.

I look forward to the return of all members for season 2002 / 2002.

Paul Denton
Hon General Secretary 2000 / 2001.

TREASURERS REPORT SEASON 2000/2001

The goal for the Templeton Cricket Club in season 2000/2001 was to purchase 2 new cricket pitches, improve Templeton Cricket oval, turnaround last season's deficit and record a surplus.

We did achieve those goals and financially the Club did extremely well. We recorded a surplus of \$17031.51 for the season, which is a \$18198.00 turnaround from the previous season.

There were a number of major reasons why this surplus occurred and they were:

1. Bar takings increased by \$22129.00 from last season due to the full use of kegs for the season, success of the sides especially the firsts and a limited number of outside parties.
2. A highly successful Superdraw function which made a profit of \$5370.00 and had bar takings in excess of \$3000.00 for the day. Thank you to Brett Gibb and Jason Disney for another successful Superdraw, which was enjoyed by everybody that attended.
3. Sponsorship was made a priority and Jason Disney was able to attract \$4200.00 in funds, a \$4000.00 turnaround from last season.

Thank you to everyone for your assistance.

Please find the following Financial Statements, Statement of Assets and Notes for Season 2000/2001.

TREASURERS REPORT- SEASON 2000/01

Notes forming part of the Financial Statements

INCOME

Subscriptions

(Refer Annexure A)

Canteen

The canteen was operated by volunteers each Saturday and made a profit of \$1900.05 for the season, including a \$1000.00 profit on the semi-final weekend at Templeton.

Club Merchandise

This is the money received from players as payment for Club merchandise. This amount is lower than expenses as we still have a large amount of stock on hand.

Sponsors/Donations

An excellent year with a number of sponsors obtained and a \$4000.000 turnaround from last season.

Social Fundraising

From a financial perspective this season was successful in the area of social/fundraising. The social levy worked well with approximately 70% of players using their free admittance to most social functions. Kristi introduced some new functions this year which were well received by players and their friends.

Subscriptions

An increase in student, junior and Milo players numbers resulted in a \$1780.00 increase in income.

Other Income

This consists of other/unusual income. Income of \$1040.00 was from the players for their trip away and \$500.00 was from the Templeton Reserve Committee for the bar improvements.

EXPENSES

Cricket Balls

Expenditure same as last season.

Bank Charges

The Credit Card Merchant facility accrued charges of \$488.00 from credit card spending of \$12703.00 Credit card spending increased by \$1406.00 for this season. Government charges of \$133.00 were incurred for the season. Financial Institutions Duty is being abolished on 01/07/01.

Equipment

The purchase/ renewal of equipment is an ongoing expense in running a cricket club. Next year playing equipment will be available for the lower grades only.

Bar

Expenditure increased by \$9143.00 but was offset by a \$22129.00 increase in income, which was a great year for the bar.

Coaching

This amount consists of payments to our paid coaches and players and increased by \$4066.00 from last season, primarily due to the good year of the firsts.

Ground Maintenance

This included costs for the uncovering and covering of Templeton and the ongoing maintenance of Templeton oval during the season. This expenditure was up \$818.00 from last season.

Ground Fees

Decrease in fees of \$353.00 was caused by the loss of Knox College this season.

RDCA

An increase in costs of \$319.00 for the year.

Social/Fundraising

This includes payments for functions during the year. DJ's, raffle prizes and all other expenses incurred in presenting functions for the players.

Trophies

An increase of \$500.00 from last season due to Senior premierships, the setup of artwork for future years trophies and the purchase of new perpetual trophies.

Other Expenses

Payments not included elsewhere. These expenses include the cricket trip away \$1040.00, umpire payments in finals \$350.00, players insurance \$195.00 and Milo program \$880.00

Social Secretary's Report

Being voted in as social secretary of Templeton for season 2000-2001 was not only an honour but also a huge challenge. This, being my first year on any kind of committee, was an enormous learning process that has made me appreciate the tough job that we social secretaries have. First of all you have to promote the events, then make them interesting, fun and affordable, but the hardest task of all and most important for the club, getting people to come!!! I thought I would try some different things this year, some were not as successful as others, but overall the feedback was good. I had so much fun mingling with people I never really knew and have made some great friends. For those who don't know, some of the girlfriends and wives of Templeton have formed a basketball team called Temps Breezers which is just one of the many great things to come out of this year at Templeton.

The season started off with a reunion which was slightly disappointing considering many of the past and present players invited didn't attend. However, it was still a successful night for the club and just the beginning of a season packed full of fun and partying. The ladies shopping tour was next which was pleasing to see just how many women support the club. It was a long day and there were many weary travellers on the way home but we managed to raise nearly \$700 for the club in one day. Way to go girls!! Every November is the club's trivia night, and who better to host it than Terry Shanley. The guy's eyes lit up when I asked him to run it again and for the people who were there, it was as professional and interesting as always. Thanks to Terry's daughter Jessica and Keith Smith's daughter Sarah who helped out on the night with collecting answer sheets and money. The night was a huge success not only financially, but for the club as a whole with players and parents from the juniors joining in with seniors.

Our Christmas party was a fantastic night again with huge junior involvement. Words cannot describe the superb job Nathan Small did with preparing the food. He approached me and offered to cook which was such a relief!! Everyone had a great time, and the kids loved Santa too.

One of the different events this year was the Red Faces Night. Unfortunately due to the fact that it was the first event after the Christmas break, not many people knew about it which meant there were only a handful of acts. However, people were very creative and showed good club support by participating. Better timing on the social calendar will have to be considered for next time.

In my opinion, the wine tour would have to be my favourite event of the year. This was such a relaxing day for me and judging from the feedback, a good time was had by all. There have already been requests to have another one before next season starts!!

The most successful event was the Reverse Super draw, again another relaxing day for me as I did not organise any of it! A big thank you must go to Brett Gibb and Jason Disney for again running the day, and the committee for each offering their services to assist on the bar or in the kitchen. This event continues to bring more and more people to the club which is not only good exposure for our sponsors, but also the club in general.

Last but not least was the Car Rally Day. Paul Denton offered to help me organise it which took a huge weight off my shoulders. Together we mapped out a course that required you to think but most important of all drive safely and have fun at the same time. We ended up at Cardinia Dam in sweltering conditions, but still managed to have a BBQ and consume plenty of cool drinks. Again, the support for this event was excellent with different faces attending and getting into the club spirit.

When I look back at what we have achieved socially this year, it has not all come from one person. Every function there are always others involved who often go unnoticed. To Lesley Disney, Wendy Dewar, Margaret Mealings, Deb Simmonds, Anne, Larry, Steve Craig and Ben Johnston, Jo Harry, Nathan Small, Brett Gibb, Terry Shanley, Paul Denton, Anne Tasevski, Ruth Thatcher, Sharon Dorshorst (Payne), Danny Verdun, Justin Morgan and the entire committee, a huge thank you for helping make my job easier. Each and every one of you (I'm sorry if I forgot anyone) has contributed in some way, so again, thank you!!

I would like to mention Jason Disney for always helping me with ideas and getting things from a "male's perspective". He has also been dragged into helping out with most functions, including the shopping tour. At the start of the season I was given the job of getting someone to organise the afternoon teas. Anne Tasevski put her hand up and did a brilliant job of creating the healthiest, delicious and well presented afternoon teas ever!! Anne was awarded the Best Club person at presentation night which shocked her but was so well deserved. We are lucky to have people like Anne Tasevski at the club.

Lastly, I would like to highlight Brett Keys' efforts this year in steering the club back to success on and off the field. If it wasn't for you, the club would not function at the standard it does at present. You are one of the most inspiring people I have met in terms of leading a group of people with such professionalism, but also remaining immensely popular and easy going at the same time. I look forward to working with you again next season.

Thanks for everyone's support and I will hopefully see you all in 2001-2002.

Coaches Report

Season 2000 / 2001

Firstly Congratulations to Sam & the seconds, Jim & the fifths on winning both flags in there respective grades a job well done to both of you and your teams, for me it was the highlight of the season.

As far as the firsts are concerned it was a great year with a disappointing end, to come from 3rd last at the end of last season then finish 29 points clear on top was a fantastic effort.

On a sadder note The low light of the season was loosing the semi final to Kilsyth, I don't think the boy will forget that game in a hurry.

Special thanks to Mathew (length) Brockman , Flash , & Paynie for all there help at training its much appreciated thank you.

Just on training the commitment from some of the senior plays could have been a lot better, to take the next step and win a flag we need every one committed and heading in the same direction.

I was extremely pleased with the attendance of most of the younger players, rain hail or sunshine they would all ways be at training that's one of the reasons why the fifths WON THE FLAG.

As out going coach I would like to wish Stuart Rodie the new club coach all the best for the forthcoming seasons, if we all get behind Stuart with his new ideas that he will give to us from playing district 1st hopefully the club can and will take the next step.

I would like to thank a few people for their help and support during the past season.

Larry for getting us on the ground at the start of the season he is one of the reasons we got of to a great start to the season, the Disney family, Sharon / Kristy & Craig who supported us every week.

**Last but not least to Deb and the boys who supported and backed me up all season
THANK YOU**

I have enjoyed my times as club coach and would like to thank the Brett Keys and TCC committee for that opportunity I hope have made a improvement to our great club.

All the best for the up coming season

Kind regards,

Happy cricketing,

Scott Simmonds Senior Coach 2000/2001

TEMPLETON CRICKET CLUB 1ST ELEVEN CAPTAINS REPORT

First of all congratulations to Sam Bates and the second eleven as well as Jim Harry and his fifth eleven on winning premierships this year. It is a fantastic effort by all involved and something which everyone should be very proud of.

The first eleven this year have easily had the most successful home and away results in the club's history, only to be thrown away with a quick exit from the finals series with a very ordinary performance in the semi final. Losing one game for the entire home and away season is a superb effort but it does not mean a great deal when you don't go on with it. Basically, it was a golden opportunity gone begging and one which does not come around often.

To everyone that played and contributed to the first eleven over season 2000 / 2001 well done and thank you for your efforts. The pleasing signs from this season were the consistent performances by our younger players, these players have now been playing first eleven cricket for two or three years and have to keep progressing and improving their skills, abilities and their consistency.

There were not many changes made to the first eleven over the course of the season which I believe was a reflection of the consistency shown by all players. The reason we won so many games was due to the contributions made by every player in the team week in week out. Hopefully the results of this season are a stepping stone to the ultimate result we all want for next season. Obviously this will only be achieved if we keep improving and working harder. You should not need any motivation for next year, it is quite clear we have got some unfinished business.

In closing I would just like to thank Scott Simmonds, Paul Payne, Stuart Rodie, Steve Johnston, Simon Brown, Sharon Payne, Kristi Johnston and the Templeton committee for all their advice, support and efforts, it was very much appreciated. I look forward to the challenges that we will encounter next season.

Seconds Captains report

Firstly I would like to congratulate the Templeton Cricket Club on a great season in 2000/01. In my opinion this would have to be our most successful year on and off the field in the clubs history.

This success off the field can only be achieved when members of our club pull together to get the job done, some hard working people did this to perfection again this year. Also I would like to thank the committee for their efforts led by the hardest worker of them all - Brett Keys.

Now to the 2's, and what a year! At the start of this season I was happy just to get a game in this team, it was amazing that by the end of the season I was the skipper of it. The side really did go on a bit of a roller coaster ride before Christmas, but we knuckled down after the break and did the work that was required. We went on to play finals, and then go on further and win the club's first ever Chandler 2 premiership. This is an achievement that I hold the highest in my life so far.

There were plenty of highs during the course of the season and a lot of great individual contributions made by players along the way. Dave Parker and Jason Denton both scored great hundreds during the season, Brent McIroy was solid as a rock behind the stumps and also opened the batting very well all year. Dave and Brent, along with Brett Gibb and Arron Vinen (all these players scoring 300plus runs this season) formed a very solid top order. Big Kev Tompsett, Simon Denton, Nathan Owen, Matt Thatcher, Jamie Boyanton all did great jobs with the bat down the lower half of the order, this depth in our batting lineup was one of our great strengths. Each week these guys made sure we batted our overs out to win games, this was something that was talked about a lot. All players mentioned above played a part in winning a game off their own bat for the team at some stage during the season.

The turning point in the year was after Wonga Park gave us a thrashing in round 5. That particular day we were rolled cheaply for 91 and from then on Wonga Park went on to teach us a cricket lesson by keeping us out in the field for 125 overs and making a massive total. The players that played that day will never forget that experience for as long as they play cricket. Looking back it is probably the best thing that could have happened to us in the context of the season. It was a massive kick up the backside that jolted us into action. That game was the turning point of our year and from there on the 2's attitude, professionalism and character improved out of sight. We started to play with pride for the Templeton colors and found some belief in our own ability, this resulted in us playing some fantastic cricket for the rest of the season.

The big wins that stick out in my mind (besides the finals obviously) were the 2 one-day games after the Wonga Park loss. On both occasions we were playing against the top side on the ladder and were able to beat them convincingly under full strength. These two wins were really back to wall type stuff and we were away after that. Also the win against Croydon Nth in the last round when we dug ourselves into a hole and then climbed out to win easily was a great win - a win that ensured playing finals and finishing 3rd after the home and away games.

The inclusion of David Parker to the batting line-up was an absolute bonus as he went out every week getting the team away to quick starts time after time and lessening the pressure for batsmen that had to follow him. His knocks of 117 (against Montrose), 90 (Lilydale) and 70 (Croydon Nth) were all sensational and made in quick time. His cameo 42 in the Grand Final were one of the reasons we were able to win the flag. It is just rewards to a bloke that works hard at his cricket and come back after injury to win his first senior flag.

Also I would like to congratulate Masi Safi and Nathan Owen on their great performances with the ball this season. Both guys were still playing in the U/16's and they handled this beautifully and managed to play great cricket for us every time they were on the field. Masi produced some magical deliveries during the year and Nathan was the best stump to stump bowler in our side and also opened the bowling really well on occasions. I look forward to playing again with these guys in the future and also watch them develop into great Templeton cricketers.

Dean Morrison joined the side late in the year from the thirds and showed his experience and class and led the way bowling line and length and was one of the stars of the finals series. He was also really handy with the bat scoring 76 runs and only being dismissed once. Deano had done this "flag winning thing" all before and was great for us. His not out in the grand final and winning runs will always be remembered. Jamie Boyanton was another guy who saved his best for the finals and his 7-64 in the grand final was a performance that not only set up our win but was also one of the best solo performances I have ever witnessed.

To finish I would like to thank each player that played in the two's this season, everyone's contribution was a result of what we won in the end. In particular I would like to thank Gibby, Stinga, Dave and Kev for their advice and support on the ground - especially during the finals when the pressure on me was on. Well done to all the boys that played in the premiership including Kev and Nathan who missed out but will always be remembered as great contributors throughout the year. Thanks to Diso and Scott's work on the training track throughout the year and advice to me in selection. Well done to Jim Harry and his boys in the 5ths on there premiership success, and a great job well done by the skipper Jim and his team.

The 2's were able to give a lot of younger guys like Glen Tucker, Lee Boyle, Masi Safi and Nathan Owen opportunities during the season. These boys have got a lot of talent and the club will be in good hands with the improvement if these guys in the future years. They had a sniff of seconds cricket this year I am sure they will I look forward to improving and being a regular player next year.

I look forward to seeing all your faces again in season 2001/02 as the club continues to grow and the 2's and 5's defend the premiership.

Regards,

Sam Bates

Thirde Captains Report

Another disappointing season for the thirds and basically relying on other sides to lose for us to make the four isn't good enough. I suppose it all comes back to the round 2 loss to Warrandyte, which was one of the worst losses I have ever been involved in as a cricketer.

To the positives, and the young kids we played in the side this year were very good and can be very happy with there season. Leigh Boyle taking 8 wickets against Kilsyth was a highlight, David Weerdon stepped up as a genuine allrounder and was one of our most consistent batsman. Masi Safi and Glen Tucker showed why they are the future of the club, and Matt DeJager when he put his mind to it can do anything.

I would like to thank Phil for being my co-captain and having a fantastic year behind the stumps, and also the support of Dean Morrison and Adam DeJager during the course of the season was invaluable.

Overall we weren't far off from making four, however simple things like holding catches and batting out our overs are things needed to improve for us to win more games of cricket. However, we do have a good base to work with next year and I am sure this side will bounce back and be a major threat again.

Thanks Diso and Scott for help with training and selection and well done to Batesy and Jim Harry on leading your sides to great win's in the grand final.

Regards,

Justin Morgan

4TH ELEVEN CAPTAINS REPORT

Warren and I enjoyed the season immensely and although we didn't achieve the ultimate goal of a premiership, it was quite a successful season nevertheless.

The fourth eleven won 10 of 11 home and away games which saw us finishing in second place on the ladder and earning the right to host the first semi-final at Milpera.

Unfortunately, we lost the first semi-final to Mooroolbark who were the better team on the day. Mooroolbark also went on to become the eventual premiers.

Some twenty five players represented the fourth eleven throughout the 2000/2001 season, of which approximately seventeen players were qualified to represent the fourths in the finals.

Both batting and bowling averages were very close and could have been won by a number of players.

The performances during the year were very even and team orientated with no great reliance placed upon just one or two players.

One of the most pleasing aspects of the season was the steady improvement and consistency shown by several of our younger players as the season developed, most notably Matt Halbert, Scott Anderson and Harran Gangatharran.

In addition, Tim Loveday joined our ranks later in the season and performed admirably.

In closing, congratulations to the second and fifth eleven's on their terrific grand final wins and I look forward to the coming 2001/2002 season.

Rob Gregory.

5TH ELEVEN CAPTAINS REPORT

Our first match was against the premiers of the previous year, Wonga Park. Our very young side who struggled manfully on a slow ground to score around 140, pitted against a much more mature and experienced line up who we emphatically dismissed for under 50 prior to tea. Little did we realize this would set the scene for the whole season.

During 2000/2001 23 players were involved in the fifths, and without exception contributed in some way to the teams success.

The home and away season saw us win every game apart from two and we finished in second place on the ladder. Several individual highlights punctuated the home and away season. Haran Gangatharan's eight wicket haul in a losing side and Brendan Sharpe's 100 plus effort two such examples. Brendan Helme's most consistent performances with both bat and ball were a great asset and many others achieved personal bests during the season. This was a testament to an enthusiastic and conscientious approach from a side who were by and large teenagers.

The semi final was against Kilsyth who had defeated in the last round. Batting first we made 281, largely due to great knock of 70 by Brendan Helme and also a sensational stand from Rick Meehan and Scott Lundgren who rescued the side from a middle order collapse. Ian Garvey ensured our immediate success with a masterful performance with the ball which saw them reeling at 5 for 20, eventually to be dismissed for less than a hundred and Ian having secured 7 wickets. The atmosphere on the ground that day was second to none.

In the grand final against Wonga Park we were reeling a 3 for 5 and still struggling a 5 for 36. Rick Meehan and Cameron Harry consolidated, and Scott joined Rick at 6 for 86g to build another outstanding partnership, and with some hard hitting from Leigh Caulfield ensured we batted out the day for 183. Support from a huge gallery was very encouraging. In reply an early wicket set us alive, but after the first hour they were 1 for 609. Enter Tim Loveday, who smashed through the attack with some outstanding bowling, matched only by some brilliant fielding and Wonga were struggling at 6 for 85. Leigh Caulfield then chipped in with some valued wickets and Wonga were dismissed for 135. A memorable victory indeed.

The season was an outstanding success. It was a tribute to the teamwork of all concerned and each member made a significant contribution and I was enormously proud of our achievements together.

Jim Harry

TEMPLETON CRICKET CLUB

6TH ELEVEN CAPTAIN'S REPORT

The 6th Eleven played the year in G Grade. It was disappointing to learn in November that two of the eight teams in G Grade had pulled out of the competition, leaving only six teams to complete the season.

The season started slowly for us with a wash-out in the first round, a bye in the second round and a loss in the first game we played in the third round. After that, the season started to improve and by Christmas we were mid table.

A lack of consistency during the year meant that we were unable to win consecutive matches. However, we also did not lose consecutive matches during the home and away series. This resulted in us finishing in third place on the ladder, just behind the second placed team, Croydon Ranges. This result was a fair reflection of our performances during the season.

We met Croydon Ranges in the semi-final and the match turned out to be the close one that we expected it to be. Batting first after winning the toss, we struggled early before going on to make 206. As we did not bat our full 70 overs, Croydon Ranges had to face 9 overs on the first day and had struggled to 2/15 at stumps. At that stage, we were reasonably happy with our efforts. On the second day, we excelled early and reduced Croydon Ranges to 5/30, before a strong rearguard action by their batsmen saw them over the line by making 7/211. As Croydon Ranges went on to win the flag, the semi-final loss was a particularly disappointing way to end our season!

On reflection, our major problem during the year was the lack of reasonable quality first-change medium pace bowlers. This meant that we were unable to keep the pressure on the opposing batsmen for long enough. Also, our fielding (especially our catching) let us down at crucial times.

I would like to congratulate the award winners, Wayne Halbert for his consistently good performances with the bat during the year, Nick Howard for his untiring and ultimately rewarding efforts with the new ball and his improved batting and Richard Peterson for an excellent first year of cricket.

I would also like to thank Ian Wood for his invaluable help with the bowlers and their field placements.

It appears that a number of this year's players will not be playing regular senior cricket next season. For those that do, there are some who are ready to play and succeed in higher teams, whilst others will need to remain in the 6th eleven and try to develop the consistency required for success. Whatever you may be doing next year, good luck to everyone!

TEMPLETON CRICKET CLUB

LEGENDS CAPTAINS REPORT

Another season has come and gone and as a whole was very successful for Templeton, with two senior flags. Congratulations to Sam and the second eleven and also to Jim and the fifth eleven. The vets entered into a different sphere last season, entering our only team in the over fifty competition (THE LEGENDS). We also had the innovation of the coloured tops, the same as the juniors wear. Both were successful with the legends games being of a very good standard and having very positive feedback from opposing teams and the association on how good our tops looked.

Unfortunately our on field performances did not match our off field innovations. Our first priority was always to have some fun, but most teams we played against it was win at all costs. Our batting was always of a high standard, but our bowling and fielding was not as good. Most teams had three or four quality bowlers, who had played a high standard of cricket, so we were always behind the eight ball, but we always battled hard and enjoyed ourselves.

Congratulations to all our trophy winners, Ray, Barry and Neil. My thanks also to Paul who did all the organizing pre match so that it make match days very easy.

If anybody knows of any senior bowlers looking for a game of cricket next season, please bring them along. Look forward to seeing all you 'old farts' again next season.

Terry Shanley.

JUNIOR ADMINISTRATORS REPORT

Thank you to all who assisted me over the 2000 / 2001 season. It takes plenty of unseen organization to ensure that everything runs smoothly for the juniors, week in week out. So to all coaches, team managers and parents – well done on your year.

TEAM MANAGERS.

Under 16/1	-	Steve Johnston, Aaron Vinen, Wayne Owen.
Under 16/2	-	Matt Halbert, David Weerden, Andrew Hathaway
Under 14/1	-	Steve Teakel, Ron Hoogkamer.
Under 14/2	-	Gordon Veerasawmy.
Under 12/1	-	Rod Lee.
Under 12/2	-	Danny Verdun

Unfortunately there were no flags won by any of the sides. Due to our success in 1999/2000, the gradings at the start of the year didn't help the cause for the Under 14/1 and 12/1.

Congratulations to the Under 16/2 for making the semi final, they put up a pretty good fight all year. Playing with eight, nine or ten players every week makes it difficult.

Although success didn't come in terms of premierships, the fact that Templeton again fielded six junior sides, shows that the junior club is in a healthy position. Please come back next year.

To Gordon Veerasawmy, Aaron Vinen, Brett Keys, Scott Simmonds, Sam Bates and Colonel, thank you for your help. I'm sure problems would have occurred if you guys weren't there to back me up.

Once again the Milo Have a Go program was successful. Gordon and Matt Halbert worked well together and the participants (parents and kids) seemed to have a ball. We had record numbers this year. Matt Halbert will take over from Gordon next year as coordinator of Milo have a Go. Thanks Gordon for your work with this program over the years. No one should be applauded more for the way Templeton's junior structure has been set up. Your guidance and advice to me is always appreciated.

I was very happy with the support families gave the junior nights in the second half of the year. Thank you also to the senior players in making them feel welcome. These nights will definitely continue next year.

Congratulations to all of our players who were fortunate enough to play in representative sides during the season.

I'm overseas until October. All junior players will receive something in the mail regarding season 2001/2002 in August. Stay tuned.

If there are any potential team managers or coaches for next year please let on of the club members know. Many hands make light work.

Looking forward to seeing you all next year.

Steve Johnston

TEMPLETON CRICKET CLUB UNDER 16/1 REPORT

Ladder position - Fifth.

A year that would best be described as “hot and cold”. The inconsistent form of the boys finally proved to be their downfall. Finishing just out of the final four on percentage was a bitter pill to swallow. I’m sure everyone associated with the side would agree if four or five players put their best in at one time rather than one or two we would definitely match any side in the competition.

SPECIAL MENTIONS:

Robert Carters first year at the club was impressive. His batting was as good as any under 16 player at Templeton over the five years. To make 330 runs (7 hits) in 16/1 was great to watch. Hopefully Bertie trains hard pre season next year and performs well in the senior grades.

Nathan Owen on making several representative squads, captaining the under 16/1 and playing all year in a senior second eleven. At fifteen years of age Nathan will definitely learn from this year. With a very good head on his shoulders, I’m sure Nath will continue to grow as a cricketer.

Masi Safi on taking 19 wickets, playing in a senior second eleven Grand Final and being a good clubman. With continued hard work, Masi your future is very bright. To watch him bowl leggies all year was a delight. Thanks Payney for your coaching of Masi.

Thank you to Aaron Vinen, Wayne Owen, Greg Anderson, Ian Knights, Paul Garvey and Dennis George for your assistance with this side all year.

Senior players next year – Robert Carter, Scott Anderson, Masi Safi Ian Garvey, Ben Camfield and Matt George

Under sixteen players next year – Nathan Owen, Brad Knights, Chris Knights, Scott Gibson, Jason Thatcher, Hayden Surrao, Tom Allen and Jamie Baker.

As you can see the boys will have a decent side next year. Hopefully they can take home a flag.

Well done on your year. See you back at Temps.

Steve Johnston

TEMPLETON CRICKET CLUB – 2000/2001.

UNDER 16/4

TEAM MANAGER'S REPORT

Season 2000/2001 was the first year that David and myself had been coaches. It was really satisfying to see the players improve their skills from the start of the season through to being the only junior Templeton team to make the finals this year.

The team tried their best all season and David, Toppa and myself enjoyed coaching them. Unfortunately Mooroolbark beat us in the finals, who went on to win the flag.

Congratulations must go to Adam Rieck for winning the all rounder award, Hayden Surrao for winning the batting award as well as making 88 not out, Ben Campfield for winning the bowling award as well as Josh Gleeson for his bowling display of 5/8 and for Corey Mollison for winning the coaches award. Also to Brad Letson for making 68 runs and Corey Mollison for making 67 runs.

Many thanks to Josh Gleeson and Brad Letson for captaining the side. These guys did a great job and without these guys help we would not have made the finals. I would also like to thank David Weerden for helping me coach, train and look after the team.

Thanks heaps to Andrew Hathaway with his assistance with the team through umpiring and scoring.

A huge responsibility of David and myself coaching this year was due to Brett Keys, Steven Johnston, Gorden and Arron Vinen for convincing and helping us through the season. Thank you heaps, fellas. To all the parents of the players, thank you for your help and support.

Lastly, to the boys, well done on a great season and good luck in the future. I hope to see you all at Temps next season.

Matthew Halbert
Team Manager

TEMPLETON CRICKET CLUB UNDER 14/1

Unfortunately the 2000/2001 cricket season did not reach the giddy heights that many of the players experienced last year. The Under 14/1 team this year won two of their nine games but were not without a chance in many of those matches. Throughout the season seventeen players experienced the top grade of Under 14 cricket, with many enjoying success along the way.

With only two of the team having 14/1 experience, the focus of the year was to develop both the individual and team skills of each player so that they were able to improve and compete at a new level throughout the season. The team worked on a number of areas – building partnerships, bowling on off stump, making singles into twos, holding catches, moving your feet while batting, encouraging each other etc. Striving to get the basics right was going to be important whether batting, bowling or fielding.

The team needed on field direction and this was found with Ryan Kingston whose leadership and understanding of the captaincy role improved continually throughout the season. He was ably assisted by his vice-captain, Matthew Weerden. We welcomed the following new players to the club – Adam Short, Carrick Fitzgerald, Tyson McCamley, Brent Gallow and Shaun Murray who contributed well to the team effort during the season.

Special thanks to the parents who continually supported their sons cricket during the year, especially Richard Short, Ron Hoogkamer, Alan Kingston and Barry Mealings. I would also like to thank Gordon Veerasawmy and Aaron Vinen who ably assisted the boys at training whether batting, bowling or fielding.

Overall the teams performances improved throughout the year, with our bowling and fielding being very steady. Unfortunately, it was our batting that let us down and we were unable to consistently post scores that were going to test the opposition and support our bowling.

Some fine performances were recorded during the season:

Batting:

Ryan Kingston	50 no v Parkwood
Darren Hoogkamer	40 no v Mooroolbark
Carrick Fitzgerald	31 no v Croydon
Adam Short	25 no v Croydon North

Bowling:

Ryan Kingston	3/12 v Wonga Park and 3/17 v North Ringwood
Adam Short	2/7 v Parkwood
Jason Mealings	2/10 v North Ringwood
Matthew Weerden	2/11 v Croydon
Andrew Teakel	2/13 v Croydon

Fielding:

Carrick Fitzgerald	6 catches
Matthew Weerden	6 catches
Adam Short	5 catches
Darren Hoogkamer	5 catches

I would like to thank the players who played in the Under 14/1 team during season and commend them on their attitude to continue work hard on the field for each other irrespective of the score.

“Continually strive to improve your skills and success will come your way”

**STEVE TEAKEL
TEAM MANAGER**

TEAM MANAGER'S REPORT

Under 14(3) season 2000/2001

It was with much excitement and challenge that I undertook the responsibility for coaching and managing the under 14 team.

At the outset RHYS LINES showed himself to be a leader by example and confirmed my faith in him as a responsible captain gaining much respect from the boys. BRAD CATTLIN performed exceptionally well in opening the batting and keeping wicket. He has a hunger for success, listens to advice and is very competitive. JAMIE CATTLIN bowled with heart producing some fiery spells but would do well to reduce his run up and concentrate on using the ball for success. PETER RIECK has had an outstanding season with bat and ball after returning from surgery. His concentration, desire to improve and self effacing manner have complemented his successes especially his maiden 50. COLIN CHEONG showed great improvement with accurate bowling and made his highest score. We wish him well for his future as he will be playing for his school. SEAN REYNOLDS has persevered at his cricket making useful contributions but surgery hindered his progress. SIMON JACKSON is to be complimented on his enthusiasm , desire to improve and contribution to team spirit. He bowled in earnest while his batting improved through the season. TOM VINE continued to improve and achieved much success with the ball. NICK BORTOLIN returned to cricket after injury to achieve his first 50 and produced some incisive spells of bowling. . SEAN MURRAY has made a valuable contribution to the team with accurate left arm bowling which shows much progress. His batting required more concentration. RYAN DEITH joined the team for the last few games and enjoyed using both batting and bowling skills. THANKS to: TYSON Mc CAMLEY, BRENT GALLOW, CARRICK FITZGERALD, CHRIS WRAY who also played for the team.

After winning the first two games of the season, the team was promoted to the next division which coincided with injuries. The team is to be complimented on playing their cricket in the face of unforeseen and adverse circumstances, in addition to unsporting behaviour by two teams. The boys can be particularly pleased with all of their matches especially against KILSYTH, PARKWOOD, CROYDON and South Croydon. Templeton can also be proud of the positive attitudes shown when batting and bowling and the superb team spirit develop during the season. I have been proud to have been associated with this squad during the season.

Thanks to:

- STEVE TEAKEL for his valuable attendance at, and coaching on Wednesdays.
- STEVE JOHNSTON for his administration during the season, organising the barbeque and "Encouragement" certificates.
- ARUN VINEN, BARRY MEALINGS for help with the nets on Wednesdays.
- WOODY for the preparation of the nets and kit for matchplay.
- NICK LINES AND LOIS VINE for their commitment to scoring during the season.
- * DES BORTOLIN, WAYNE CATTLIN , MARTIN REYNOLDS GUNTHER RIECK and other parents who supported their boys and the team with positive encouragement.
- Finally, I wish all the boys continued success at learning and playing the game of cricket and to remember that only by constant practice will they reap the rewards of significant success.

GORDON VEERASAWMY
TEAM MANAGER 2000/2001

TEMPLETON CRICKET CLUB UNDER 12/1 COACH'S REPORT

Our season commenced on the wrong foot by way of the fact that the side was graded in the first division of the under 12 competition. Unfortunately no consideration was taken into account of the loss of nine players going up to the under 14 side from the previous seasons premiership side.

This aside, the boys proved to be very competitive winning two early games before coming up against the two outstanding sides of the division in consecutive games. Decisive losses to these two sides sapped our confidence somewhat and we did not perform to the best of our ability thereafter. We were in winning positions in several games after Christmas and only inexperience cost us the points.

With the inclusion of several class players from the all-conquering non competitive side next season should be an exciting one.

From a coach's viewpoint it was very pleasing to see all the boys get on so well together. Morale was high both on and off the field, credit must go to our joint captains Tim Lee and Jamie Simmonds for this fact.

It is pleasing to report that the behavior and manners of all the boys was outstanding, they were all a delight to coach.

Many thanks to John Wood and the parents who assisted on matchdays, their assistance was greatly appreciated by myself and the boys alike. A special thanks to both Scottie Simmonds and Gordon Veerasawmy, senior and junior coach's respectively for both their friendship and assistance during the season.

In closing, I extend my best wishes to the boys who progress to the under 14's next season.

TEMPLETON CRICKET CLUB
UNDER 12 NON COMPETITIVE TEAM
2000 /2001

The under 12's Non Competitive played 13 games in the 2000/2001 season and remained undefeated in all of these games.

The total runs scored by the team was 1,400 and they captured 140 wickets. The ages of these kids ranged between 8 and 11 years old, with Katrina playing her second year in this side.

As Manager of this side I can say that the improvement shown by all the kids was incredible and the positive attitude shown by the parents each Saturday was superb.

One issue which should be considered in the future for further development in this age group would be to call up some of the better performed players to play in the under twelve grade one side and give them the experience so that they can be better prepared when they commence the following season.

There will be approximately five kids from the 12/2 that will be ready to play in the 121/1 next year, so hopefully some of the kids in the Milo Program will be able to step up into the 12/2 side.

Overall I had a great time looking after this side and due to one of my son's playing Non Competitive next year and another in the 12/1 I am unsure if I will be able to commit myself to coaching a side.

I wish to thank Steve Johnston, Gordon and Scott for all their help and congratulate the Templeton Cricket Club on a terrific 2000/2002 season.
