PRESIDENT'S REPORT.

A milestone in our club's short history has come and gone with the completion of the 1998/99 season "our 15th anniversary", in that time we have seen a great deal of success achieved by our club at many levels, the 1998/99 season was no exception with the club having six senior and 2 junior sides making it into the finals.

It gives me a great deal of personal pride to be president of a club that is in the midst of it's most successful era in the club's history albeit as short as it is, it would also be remiss of not only myself but also us as a club not to acknowledge the hard work put in by our predecessors throughout the last 15 years.

The season at hand saw some remarkable achievements by our club as a whole and by many individuals. With our senior teams promoted into the chandler shield competition for the first time after the successes of last season many people from outside the club and even a few from within doubted our ability to compete at this level, obviously they didn't know about or didn't respect our clubs desire and will to succeed.

Some of the more notable achievements saw the 4 senior chandler shield teams rewrite 80 year old R.D.C.A. history and become the first club to have all it's chandler teams compete in the finals in it's first season in the premier division, we also saw the senior teams win back to back association club championships, the 3rd eleven, under 16/2's and under 14/5's all outstanding to win their respective grade premierships, our under 12 non competitive side also received the award for the best managed team in it's age group(a great feat in it's first season, which also saw the introduction of coloured uniforms to the juniors).

Individual performances saw Paul Payne and Matthew Thornhill (nugget) gain selection into the R.D.C.A. senior all star team, James Clyne in the R.D.C.A. under 21 side and Leigh Caulfield in the under 18 side, we also has Barry Mealings and Glen Barfoot win their respective grade bowling averages. There were many other outstanding individual achievements right throughout the grades this season which will all be remembered as part of the clubs history, well done to all on some great performances.

Much of our on field success is a credit to our on field leaders, our seniors had Jason Disney and Paul Payne continue the hard work and dedication they have shown right throughout their times involved with our club, both of these guys have the same goal and determination to see our club as a major force within the R.D.C.A. I am also very happy that both will continue in their roles again next season with the same determination and hunger for success.

Our juniors this season came under the on field guidance of Scott Simmonds and Gordon Veerasawmy and achieved great success throughout all the age groups, hopefully both of these guys will be able to continue again next season which will help in the further development of our juniors, the committee is looking at some great new plans for the juniors which when announced will hopefully be supported by all concerned.

As the saying goes “ success breeds success “ and all the recent success around our club has seen many people from outside the committee want to get involved and put their hand up to help in various ways, all this help has been invaluable to the running of our club and has been very much appreciated by the committee, thank you very much to each and everyone of you.

Last season saw the committee undertake various financial acquisitions in an effort to give more back to the members, this season the committee wanted to be one of consolidation which I believe we have more than achieved as you will see in the financial reports, we are very much on track with our business plan that we put in place last year and the committee has already identified some areas that we believe we can achieve further improvement in.

As a growing club we need to continue to improve our management skills and as you will see in the financial reports the monies involved now days mean we are basically running a small business, we must continue to make changes in the way we do things to achieve better results for you the members. Unfortunately some people will not always agree with the approach we are taking but most of the decisions made are as a result of the committee being pro active in it's endeavour to take the club into the next century well prepared.

I believe that stability and continuity are key factors in a successful management structure and I am extremely happy that the majority of the current committee will seek re election, however we will see some change to the committee as after many years service to our club Graham Brookman has decided to take a break and I thank him for his efforts over the years on behalf of the members. This will obviously allow for some new faces on the committee and some restructuring of existing positions, which I believe, will see some exciting new ideas in many key areas.

To all the members of the current committee I thank you all personally for the many hours of dedication and hard work you have put in for the betterment of the club, it is this dedication shown by you all that has helped make our club so successful. Keep up the great work.

Over the last 2 seasons in particular this committee has put a lot of effort into the redevelopment of our practice facilities, hopefully we will see the fruits of our hard work for next season, we have already received a conditional grant from the VCA and are now very hopeful of receiving the balance of the funding through the Knox city council. We have some other tentative plans to pursue, which are in the initial stages at the moment, and I will bring you up to date if and when further developments take place.

Once again I would like to congratulate every member of our club for the great year we have had in particular all the premiership players, the trophy winners and those representing the club within the association. We must however all believe that we can be successful and not take our eye off the ball and undo the hard work of the past couple of years.

Finally I would like to thank my family for their continued support of my involvement with Templeton Cricket Club.

GENERAL SECRETARY'S REPORT 1998/99

It gives me great pleasure to present the Templeton Cricket Club Inc Annual Report and Financial Statement for season 1998/99, at this our Sixteenth Annual General Meeting.

It is very pleasing to report, that in our first season of Chandler Shield competition, all our senior and junior teams were extremely competitive during the year, with the season achievements of one (1) senior and two-(2) junior Premiership Pennants. Also, the Templeton C.C. was further recognised with several senior and junior players being selected in the R.D.C.A. representative sides.

I tend to repeat the following statement each year but I consider it important enough to emphasise.

In the short history of Templeton Cricket Club Inc, many individuals persist and endeavour to help the club progress, even with heavy business and personal commitments in the belief the club would grow from strength to strength. Last season we achieved (earned) the right to compete in the Chandler Shield competition. The Templeton club finished the season R.D.C.A. club champion, these 'helpers' are entitled to be satisfied.

The club's challenge is to remain a competitive force and grow accordingly.

Paul Payne and Jason Disney deserve special mention for their work with the senior players, including their personal on-field achievements. Graham Brookman, and Gordon Veerasawmy deserve praise for their efforts with the juniors.

The 1999/2000 season poses an enormous challenge to executive committee members and players, we all must work together to ensure we maintain improvement both on and off the field.

I congratulate the executive committee members for their hard work and endeavour, regarding their executive responsibilities throughout the season, and especially to Brett Keys for his total commitment.

The season passed with the majority of players representing the Templeton Cricket Club with distinction, and most importantly with exemplary behaviour.

I congratulate all our Premiership teams and individual club trophy winners, in particular those players who achieved Association and representative success, **WELL DONE FELLAS!**

I look forward to the return of all players, senior and junior in the 1999/2000 season.

NORM BARNFIELD.

TREASURERS REPORT – SEASON 1998 / 99

On the field 1998/99 was probably close to Templeton Cricket Club's finest hour. Off the field we had an excellent year with a \$4,939 surplus which is a \$8808 turnaround from the previous season.

If not for a large number of expenses in the last few months we would have had a much larger profit.

The committee introduced the social levy for players and reduced the number of fundraising activities. This seemed to work well for players and the club.

Due to the previous seasons' losses, the committee decided this year we would be strict in our financial policies and we wouldn't take people's word for things as in the past. This action assisted us in turning around the clubs' fortunes.

I would like to thank Brett Gibbs and Jason Disney on their highly successful Superdraw function, which made the highest profit from any function in the past. A special mention should be made to the many sponsors / donations received this season, THANK YOU!

I would like to thank the committee for their tireless work during the past year and I hope to continue next year.

Please find the following Financial Statement, Statement of Assets and notes for season 1998/99.

Treasurer

Expenses

Cricket Balls – Expenditure was received by \$1,170 from last season due to the reduction in teams, purchase of balls in bulk at reduced prices and the reduced number of second innings games this season.

Bank Charges

The credit card merchant facility accrued charges of \$352 from credit card spending of \$7,304. We will look at increasing next season's fee for credit card cash advances to \$1.

Equipment

The purchase / renewal of equipment is an ongoing expense running a cricket club. This year was no different to any other year and the cricket kits were maintained at the same high level. During the year a purchase of discounted cricket gear was made for next years cricket season.

Social / Fundraising

This includes payments for the functions during the year: DJ's, Raffle prizes, & all other expenses incurred trying to raise a dollar.

Telephone Expenses

A reduction in costs this year, is due to the stricter control of the telephone and collection of fees.

Other Expenses

Payments not included elsewhere. These expenses include – Cricket Trip \$3,230. Indoor Cricket Training \$1,000. Ground Maintenance, Insurance, Liquor Licence, Physio & the T.C.C. Post Office Box.

Purchase of Assets

During the year a new cricket pitch and Bar B Que were purchased.

COACHES REPORT

In what was our first year in Chandler Shield, I think the Templeton Cricket Club should be congratulated on its efforts and performances for Season 1998/99.

Quite a few opposition teams and people in general, questioned whether or not the Templeton Cricket Club was worthy, let alone competitive enough, to make the transition from "A" Grade to Chandler Shield. Well! I'm certain there were a few red faces by the season end.

With Templeton winning the Association's Club Championship for the second year running, and with the Third Eleven, Under Sixteens & Under Fourteens winning their respective Grand Finals, and nearly every side in the club making Finals, I believe our results show we are one of the strongest clubs in the competition.

Special congratulations must go to the three sides that won Premierships, a truly tremendous effort by all involved throughout the season.

From the coaching staff's perspective, season 1998/99 was another successful year in player development, which saw the emergence and improvement of some younger members of the club. With players like Andrew Harry and Mark Wadsworth making their First Eleven debuts and performing well. Also, Sam Bates, Stuart Simpson, Ben Johnston, Leigh Caulfield, Tim Parker, Brendan Sharpe, Brendan McIlroy, Russell Harrup and Peter Symnons improving their consistency and developing as players, it just shows the depth we do have throughout the club. Hopefully these players along with quite a few others can take the next step and improve even more.

Special thanks must go to Brett Keys and his committee for their excellent work during the year.

Congratulations and thanks to Paul Payne and Matthew Thornhill for making the R.D.C.A. All Star Team, as well as their assistance and support throughout the season. In addition, thank you to Scott Simmonds, Craig Baldwin, Brett Gibb, Matthew Snell and the captains of all our teams.

Next season is going to be the biggest challenge that the Templeton Cricket Club has ever faced. With our club setting such a high standard last season, we must go on and improve from that. This means we are going to have to work a lot harder and smarter than last season. There are no steps backwards only continuous improvement and success, which will see our club, become a feared and well-respected club throughout the R.D.C.A.

"Let's Build Our Reputation".

Jason Disney

TEMPLETON CRICKET CLUB 2ND X 1

Looking back at season 1998/99 I was delighted with the success that the club and the Second Eleven endured. The Second Eleven went through the entire home and away season losing just one match in its maiden season in Chandler Shield, which was a fantastic result. Unfortunately we were outplayed in the semi-final but I'm sure that all who played will learn more from that match than any other and return better players next year.

The main objective of the Second Eleven was to develop players for first eleven cricket. Eight players played both seconds & firsts achieving this goal but there are a few more who I believe could easily step up next season.

It was extremely pleasing to see so many talented players showcase their talents but at the same time disappointing that a few of them didn't quite live up to the promise that they showed consistently enough to gain first eleven selection. Young players such as Sam Bates, Paul Taylor, Stuart Simpson, Mark Wadsworth, Lee Caulfield & Luke Robertson are outstanding talents and all of them showed glimpses of their ability but as a club we must strive to be more consistent and ruthless.

The more experienced players or old blokes as the above mentioned would call them gave their all each week and I thank them for their dedication. I would also like to thank my Vice-Captain Dave Parker and Brett Keys for their help especially in the games that I wasn't available.

My congratulations also go to Barry Mealings for a tremendous year winning the Chandler 2 association bowling average. Congratulation also to Dave Parker for providing the highlight of the year with his first Century and probably one of the best I've ever seen.

Overall I enjoyed the challenges of the year as Captain and I would like to thank and congratulate every player for the way in which you represented yourselves and the club during the year. I couldn't of asked for a better bunch of guys to play cricket with, which made the year so enjoyable and successful.

Hope you all come back ready to cause havoc in 1999/2000.

Second Eleven Captain
Simon Denton

WHAT A SEASON !!!!!!!

This just about sums it up!!!

When you win the Premiership I suppose it speaks for itself however I still should be able to fill a few paragraphs. The season was a very even performance by everybody. This is evidenced by only one century and only on big bag of wickets. The thirds was great team to be part of this year and an even better one to captain.

The batting was solid all year with all the players getting ample opportunity. Warren Groenewald was a sensational opening bat compiling nearly 450 runs for the year. Justin Morgan also had a great year with the bat filling the all-rounders role scoring over 200 runs. I must also thank Justin for his assistance as vice-captain this year. Stuart Williams made a sensational century against Warrantdyte and really showed he is a player of the future. Brett Gibb's innings in the semi-final also deserves a mention. Everybody else chipped in ensuring we made a winning score in all but two occasions for the year.

The bowling was led by two of our more experienced players in Rob Gregory and Keith Smith. Bowling and fielding was definitely our strength and this is shown by the fact that we only got hit for over 200 on three occasions. We won two of these games anyway. Highlight for the year would have been the 7 wicket bag belonging to Brett Keys against Kilsyth, Lukan Biggs' two catches in the semi-final and last but not least Andrew Harry's 6 wicket haul in the grand final.

The young kids all showed great promise throughout the year. If all of the guys who played in the thirds this season continue their careers with Templeton I believe the future of the club is in good hands.

I would like to thank Paul and Jason for their efforts on the training track ensuring our club was competitive in all the grades. Thanks also to the executive committee and selection committee for jobs well done in 1998/99.

Finally thanks to Jo and Hayley for their support this season.

I hope to see everyone back next season as we WILL win again.

DEAN MORRISON
Captain III XI 1998/99.

VETERANS REPORT

During season 1998/99, twenty-one (21) players represented Templeton Cricket Club in the Veterans competition. With many changes to the team game by game, we struggled to perform at a consistent level to win enough games to make the finals. Having said this, all the players did their best and most losses were by small margins.

The motto of the R.D.C.A. Veterans is "Strive to do our best, never give up, and treat people with respect". This epitomized the way in which Templeton played the game.

Special mention to Wayne Halbert who held our batting together all season and was justly rewarded with selection in the R.D.C.A. representative side, which defeated the Ferntree Gully Cricket Association.

I express my sincere thanks to the senior players and Executive members who assisted us during the season. In particular, the efforts of Graham Brookman and Scott Simmonds, one Sunday morning at Templeton Reserve, ensured we were able to play that day.

All veterans appreciate the time and effort put in by the likes of Barry McClure, Murray Parker and Paul Denton in previous seasons. It was no different this year and their guidance and support to me was most helpful.

I encourage all club members to come along and support the older members of the club as they prolong their careers, albeit at a slower pace.

TEMPLETON CRICKET CLUB
JUNIOR ADMINISTRATOR REPORT – SEASON 1998/99

This season we had four competitive sides and one non-competitive under 12 team entered in the Association. The year started off quite well with three sides winning both of their first two games and the other two winning one and losing the other.

The under 12 team was made up of 12 boys, all of whom, with the exception of one had not played cricket before. Even though this was a 'non-competitive' side, the boys did such a great job (and didn't lose a single game) I am sure that they would have been quite capable of playing in the lower grades of the competitive under 12's. Some of them show some real talent and they were a credit to Gordon Veerasawmy and Rod Lee who coached them all year. This team also wore the new Templeton coloured shirts, which looked magnificent on the field. I am very pleased to say that they also won the RDCA award for the best presented and best run under 12 non-competitive side. Well done boys, all of you and your coaches and parents can be very proud.

Of the competitive sides, we had two under 14 and two under 16 teams participating. The sides had mixed fortunes during the course of the year, with the first 16 side and the second 14 side doing very well. Whilst the other two tried their very best over the season, they unfortunately weren't quite good enough and just missed out on the finals. I am confident that they will do very well next year though. I would like to extend my special thanks to Wayne Owen, Neil Howard and Bruce Hathaway for managing these two teams. We are lucky to have such people around the club who willingly give up their Saturday mornings to look after the boys.

The second under 14 side (which was graded as u14/5) only lost one game throughout the year and finished on top of the ladder at the end of the home and away season. They went on to convincingly win both the semi and grand finals. Well done to all of you and special thanks to Brad Allen who coached the boys all year. This side also had three boys who won RDCA awards for bowling, batting and an encouragement award.

The first under 16 side lost two games and finished on top of the ladder as well. The semi final was won extremely easily, bowling the opposition out for 64, with the game over at morning tea on the second day. The grand final was the most exciting and emotionally packed game I have watched in junior cricket. It was very well played by both sides, with Templeton winning in the second last over with one wicket in hand. It was particularly satisfying for me as most of the boys in that team had been together for many years and had previously lost two grand finals by very close margins. I would like to thank my friend and fellow scorer/team manager over the years, Murray Parker for looking after this team during the year. I know that he felt this win was very special too. Congratulations to Ben Johnston for winning the RDCA bowling award for this grade.

The 'Milo-Have-A-Go' program was run again in 98/99 and was as successful as the previous year. I must thank Gordon (once again!) for his efforts in looking after the Milo kids for Templeton Cricket Club and me. He did a great job and all the kids seemed to have enjoyed the experience.

Finally, thanks to Scott Simmonds who was the junior coach for 98/99 and did a great job which culminated in two premiership flags for the club. I hope that he takes on the role again next season.

It is with sadness that I announce my 'retirement' from the post of Junior Administrator this year and that 98/99 saw my last season being involved in junior cricket. I have been assisting with the juniors for nine years in one capacity or another and it was an experience that I will always cherish. I have seen the

same group of boys who started out as eight year olds, hardly knowing what was the right end of a cricket bat, mature into young men and excellent cricketers. Some of these kids have a fantastic future in cricket if they stick at it and strive to improve all the time.

Good luck to you all and I know that some of you have finished your junior cricket and hope that you will continue to play for Templeton in the senior ranks.

TEMPLETON CRICKET CLUB
UNDER 16/2 TEAM MANAGERS REPORT – SEASON 1998/99

Season 1998/9 was the most satisfying in my many years of involvement in junior cricket. To be appointed Manager for the first under 16 XI was an honour, which I thoroughly enjoyed, particularly seeing the excitement and joy on the faces of these young men when they WON THE PREMIERSHIP.

Having been associated with most of the boys since the under 12 years and being with them when they were beaten in under 12 and under 14 grand finals was just the greatest. Over the years I have seen these boys develop, learn, listen and mature. They are a great bunch and a credit to themselves, the club and their parents.

As Manager, I really had little to do, so well organised were the boys. My only task was to ensure the team got to and from the ground safely. This team was exactly that, a team, not a group of individuals. A team that played for the club's honour, not for their own benefit.

Throughout the season there were some magnificent performances and it is fair to say that every player contributed in a significant way in each game. I think what I enjoyed the most was the "never give in" fighting spirit of everyone. I am sure that dedication enabled the team to win the semi-final and grand final.

You will read through this and notice there is not one name of any of the boys mentioned as I was so very impressed with each and every team member. There is not one boy who I could put in front of any other, they are all equal and all just fine young men.

To the members of the team who have concluded their junior careers, well done, and remember as you continue your cricket in senior ranks, display all the characteristics, endeavour and sportsmanship that you exhibited throughout your junior years. Good luck fellas.

The boys with one or more years to go have had a terrific grounding and to you, keep going next year with the same spirit.

I am going to name two people who I believe have made the major contribution to the team this year, my very good friends Graham Brookman and coach, Scott Simmonds. Graham and I have been together for 8 years with this group, a memory I will cherish forever. We have had a terrific association with a team which started as 7 and 8 year olds and matured into an exciting and very good bunch of cricketers. Graham, it has been great, thank you for your assistance and friendship.

Scott did a marvellous job as coach and mentor to the team. This team would "walk over broken glass" for you – a tribute to your attitude and devotion to them. There would not have been a premiership without you.

To all the parents who helped and supported the team in the sun and rain, a very sincere thank you. Boys, well done and congratulations to you all!

TEMPLETON CRICKET CLUB - 1998/9

UNDER 16/4

TEAM MANAGER'S REPORT

I believe that the 1998/9 season can be best summed up as one where we were not *quite* good enough.

Whilst Jarrod Mollison and Nicholas Howard had a consistently good year with the bat and ball, respectively, we were unable to perform consistently as a team on match days or over the season. Every player in the team played well at times, sometimes above themselves, and these are the performances on which they must build.

After a reasonably solid start to the season, we looked as though we would be able to make the finals. However, we were unable to win a game after the Christmas break, despite being in some winning positions. The last game of the home and away season was a "do or die" situation, with a win putting us in the finals and a loss meaning that we missed out. Despite having our chances, we weren't able to pull it off and finished fifth on the ladder.

I am sure that the players will look back on the season with mixed feelings. On the one hand, they will be disappointed with some of the opportunities that we missed. On the other, most of the players showed that they have the basic abilities and skills to develop as cricketers, if they continue to play the game. I hope that they do!

Many thanks to Scott Lundgren for captaining the side. Scott was a little nervous to start with, but grew in confidence during the year and earned the respect of both the players and myself for the way in which he performed.

I would also like to thank Bruce Hathaway and David Robinson for their help on Saturdays, Scott and Gordon for their help with coaching the players, Ian Wood for looking after the kit and, last but certainly not least, Brookie for his time and efforts in making the season run so smoothly. Thanks guys!

Lastly, good luck to those players going up to senior ranks in 1999/2000.

NEIL HOWARD

TEMPLETON JUNIOR CRICKET CLUB

TEAM MANAGERS REPORT U14-2

Overall as Team Manager I thought we had a reasonable season. We won five games, lost three and had one game washed out which was unfortunate because it was a game which was winnable. We ended up finishing sixth, but this was not a true indication as we defeated the two teams above us.

Our batting most probably let us down throughout the year, mainly lacking in consistency. Our top three or four batsman usually got a start but let themselves down by getting out to silly shots. Only one fifty was made all year. Hopefully the boys will only get better by learning from their mistakes.

The bowling and fielding by all boys was very good. Throughout the year a continual improvement in these areas was noticed. The most encouraging thing was that all boys were capable of bowling and this made it difficult at times to try and give everybody an even go.

Congratulations to Jason Thatcher for winning the batting and all rounder awards, to Maseeh Safi for winning the bowling award, and to Mathew George for the coaches award. I think the results indicated how even the side was.

Hopefully the boys who are eligible to play U14's will return for next season, as I think we will have the foundations for a very competitive side.

Regards

Wayne Owen

TEMPLETON CRICKET CLUB

SEASON 98 / 99 Under 14 / 5 REPORT

A premiership victory concluded a most successful season for the Under 14 / 5 team. The boys in not only winning the premiership won all the R.D.C.A. Association awards with Leon Ryan winning the batting award, Tom Allen the bowling award and Jamie Baker the all-rounder award.

With the inclusion of three new players, Daniel McConnell, Ryan Kingston and Shane Allen the side had the required 11 players and each week all the boys confidences grew as they worked hard at their skills and application that is required of a top side. Each week the batting and bowling was rotated so that all boys got to experience batting high in the order or opening the bowling and we saw all players taking 5 or more wickets and each boy achieving their personal highest score when batting.

There were many highlights through out the year with no less than ten 50's scored. Leon Ryan (3), Jamie Baker (2), Shane Allen (2), Tom Allen (2) and Daniel McConnell (1) led the run scoring but with Haydn Surrao and Cory Mollison with top scores of 45 and Mark Foote and Ryan Kingston with top scores of 23 not out and Josh Gleeson with 15, and Jason Wherrett with 9 we were able to consistently out score the opposition

The bowling performance like the batting was equally strong with Tom Allen taking 18 wickets with a best performance of 4 / 3 (including hat trick). Haydn Surrao took 16 wickets with a best performance of 3 / 4. With a very strong bowling attack this was ably supported by excellent fielding, most noticeably led by our two wicket keepers Mark Foote and Shane Allen.

With all boys eligible for U 14 cricket next year it will be an excellent opportunity to build on the successes of this year. In thanking the boys for their efforts this year I would also like to take this opportunity to thank the wonderful parents who supported me each week and to the administrators of the Templeton Cricket Club who left no stone unturned in supporting the team.

Brad Allen.

TEMPLETON CRICKET CLUB
UNDER 12 NON COMPETITIVE REPORT – SEASON 1998/99

It was a delight and a pleasure for both of us to be asked to coach and manage the under 12 non-competitive squad for the season 1998/99. After early uncertainty due to the lack of number of players and two weeks of combining with Knox City Cricket Club, we recruited Brad, Chris, Tom, Colin, Bradley and Jamie and our season began in earnest.

We were delighted with the turnout to practices on Wednesdays when all the boys applied themselves to learning the basic skills and strategies of the game. On the field for match day, they arrived punctually for all games and were smartly turned out in their whites (and shirts tucked in!!!). Throughout the season, there was a great team spirit with positive attitudes to each other, the game and to opponents. All the boys showed great enthusiasm for the game and genuine excitement with their successes. Each boy is to be congratulated on his individual improvement, success and positive attitude. All of our opponents played the matches in a friendly and spirited manner.

We would like to thank:

- GRAHAM BROOKMAN for his high level of efficiency in organising us each Saturday.
- SCOTT SIMMONDS for his advice and encouragement each Wednesday and Saturday.
- MARTIN REYNOLDS who sponsored the splendid team uniform which gave the team a colourful and united appearance.
- All the parents for getting the boys to the practices, supporting the team on Saturdays and giving positive encouragement to all the boys in the squad.

We would like to wish each boy continued success at under 12/14 for season 1999/2000. Templeton Cricket Club can be proud of this first season of non-competitive under 12 cricket and can be assured of the promise of a sound future.
