PRESIDENT'S REPORT

Welcome to the end of season 85/86 for Templeton Cricket Club. It has been an excellent season with five out of ten teams reaching the finals. Then three out of the five into the grand final with one grand final win. I would like to congratulate every club member, both junior and senior, on a season well played with good team work and sportsmanship.

Congratulations to all our junior cricketers on an excellent season. You boys are the future of Templeton. If season 85/86 is any indication, our club will be very hard to beat in years to come thanks to you boys. Our two U/14 teams earned themselves a berth in the finals this year but sadly our U/12 and U/16 teams did not. To the boys of the U/12 and U/16 teams congratulations on a wonderful season and if you keep your spirit where it is and think for your team and our club you'll play in a final series soon. To the boys of the U/14 teams, congratulations are in order for an excellent season's cricket. Unfortunately our second U/14 team were beaten in the finals, but our first U/14's played off in the grand final but sadly they were beaten by five runs. All the U/14's performed to the best of their ability but there are two boys who deserve special mention. They are Robert Shakes for his magnificent 64 not out and Jason Denton for an excellent 45 in the grand final. It was heartening to see a larger parent and senior player participation with the juniors this season. I'm sure all the boys are thrilled to see parents and senior players at their games. There can never be enough parents and seniors at junior training or the games on a Saturday morning.

Congratulations to all senior players on a magnificent season of cricket with our Fourth X1 missing a place in the finals by 2 points, our Third X1 finishing third, our Second X1 on top and our First X1 finishing in the four for the third year running by filling third place. The First X1 had a golden opportunity to win a berth in their first grand final this year, but as everyone knows, you cannot beat the weather. The Third X1 had a wonderful win in the finals but unfortunately they couldn't carry their form into the grand final. They were beaten by a better team on the day. Every Third X1 player should be proud of his performance throughout the season and hold his head high for finishing second, that is no disgrace.

I am extremely proud to have been a member of the Fourth X1 this season. Even though we finished fifth, we have shown we will be a competitive team in years to come. I took great delight in assisting in a small way some of the U/16 and younger senior players through the team and into higher grades.

Our Premiership Team, the Second X1, to their captain Mick Banbury and all his team members, I extend my heartiest congratulations for a season played extremely well culminating in Templeton Cricket Club's first premiership flag.

One person who was instrumental in our Club's excellent performances this season was our coach, Pieter Bergshoeff. On behalf of all the club members, Pieter, I would like to thank and congratulate you for the effort and hard work you put into the club throughout the season. Also congratulations on your personal performances throughout the season to take

President's Report (Contd.)

out second place in the R.D.C.A. Best and Fairest Player Award in B Grade.

To our Social Secretary and his Committee, I offer you my thanks for another very successful season off the field. You people and your efforts are a major reason for the success of our club on the field. To Lyn, Judy, Fran and Andrea, thank you for all your hard work in the canteen and in setting up the afternoon tea at our First and Second XI's home games.

To Don Martin of Ward Spinks Real Estate and Lyn and Peter Dunbar of Barmah Road Milk Bar, I thank you for your valuable sponsorship. To the Templeton Committee of Management, I offer my thanks for the continual use of the ground and facilities this season. To Rosemary, my wife, once again I thank you for your support and encouragement throughout the season.

Again congratulations to all trophy winners and thank you to all club members for your support of myself, my committee and OUR CLUB.

RUSSELL LINDROTH
PRESIDENT

GENERAL SECRETARY'S REPORT

Fellow Members,

Reviewing season 1985/86 Templeton Cricket Club Incorporated players, supporters and general committee can be well pleased with our on field performances. Our sportsmanship and sense of fair play has been praised by the Ringwood & District Cricket Association and our reputation as a club to be respected and admired is rapidly growing.

There has been many highlights during the past season culminating with a "B" Reserve Premiership (the first of many!!), our outstanding achievement. Conversely the disappointment of our First XI failing to reach the grand final after a strong batting performance in the semi-final and our courageous U/14-3 team just failing to clinch the pennant, being bitter pills to swallow.

As General Secretary during the past three years my responsibility has been ensuring the club administration is functioning competently with off field problems handled quietly and efficiently. In the main I believe all executive members over this period of time have performed their duties to the best of their respective abilities.

Our major concern has been to endeavour to make decisions that will enable Templeton Cricket Club to function not only during the current season but for future seasons to come. Our continuance as an expanding and successful club is dependant on proper planning and a dedicated band of people who are prepared to accept a position on the committee and give their best for the club.

.../Contd.

General Secretary's Report (Contd.)

Templeton Cricket Club has a restricted liquor licence - registered under the incorporations act of 1981 - and fully covered for Public Liability. A significant achievement in only three years of management.

I have listed some of our successes but to show members there is always work left to be done in permanently establishing our club, I feel duty bound to list several areas of concern which must be rectified as soon as practicable. We have not reached an harmonious working relationship with our co-tenants, the Wantirna Football Club, and until both clubs work with the best interests of the reserve and local residents in mind and put aside parochial interests, the lower pavilion will never achieve it's full potential.

Knox Council must be convinced to erect cyclone netting around our practice wickets (we also desperately require an additional practice wicket). The current situation of netting is totally unsuitable and unsafe, especially for junior training.

Permanent tenancy of three ovals must be negotiated with Knox Council and the R.D.C.A. We have secured Templeton Reserve and hopefully Milpera Reserve will be negotiated to our satisfaction from 1986/87. Schultz Reserve is too costly and the playing surface is unsuitable for junior cricket and detracts from the standard of senior cricket. This leaves another suitable oval to be secured.

So you can see the committee is aware of our problems and I can assure members, sub-committees have been formed to ensure all avenues are explored in achieving success.

I thank all executive personnel for their support and assistance throughout 1985/86 especially to Paul Owen for without Paul's assistance my work load would be far greater than it is. His work in the incorporation and licencing documentation has gone unheralded and it should not be so.

To my family I thank them for their support and patience. Family set backs were overcome with the help of our many friends in the club and we thank you all for your friendship and thoughts.

To our sponsors our sincere gratitude for your valued and most appreciated support. Templeton Cricket Club welcomes the umpires of the Yarra Valley Mountain District Umpires' Association who have been accepted into the lower complex by the Committee of Management as co-tenants with the football and cricket clubs. May their stay with us be long and rewarding for all. Concluding, I have great pleasure in presenting Templeton Cricket Club's Annual Report and Financial Statements for season 1985/86 at this our 3rd Annual General Meeting.

NORMAN T. BARNFIELD
HON. GENERAL SECRETARY

TREASURER'S REPORT

Dear Members,

Season 1985/86 has once again been a most gratifying year for all concerned and we have seen our B2 side take out the club's very first premiership under the guidance and leadership of Michael Banbury. We also saw the Third X1 playing in the grand final and once again our First X1 reached the semi-final, with the Fourth X1 finishing in 5th position. Within our junior ranks both U/14 teams reached the final's series with the First X1 playing in the grand final.

Financially, which is what this report is mainly concerned with, the club has finished in an extremely healthy position. After paying all accounts the club will finish with a surplus for the season in excess of \$4,500.00. Last year at this time I reported that a synthetic wicket would be placed on Templeton Reserve, however the committee decided that it would be in the best interests of the club if we consolidated for one more season which we have now done. The synthetic wicket will definitely be laid prior to the commencement of season 1986/87.

Once again our social committee are the reason behind the surplus for the season and on behalf of the club and it's members I would like to congratulate them for their outstanding efforts and ask all members to support them in the future whenever functions or fundraising activities are organised.

This year, as in the past, we have been fortunate to have received sponsorship from business people in the area and I would like to take this opportunity to thank the following.

Peter and Lyn Dunbar from the Barmah Road Milk Bar
Mr. Don Martin and his company, Ward Spinks Real Estate
The State Savings Bank of Victoria, Studfield Branch
Mr. Frank Janes, Electrician, Templeton St., Wantirna

Without the generosity of these people our club would not be able to provide such a high standard of equipment or be in a position to pay for the laying of a synthetic wicket, so I would urge all members and their families to support these people whenever and wherever possible.

To all trophy winners, congratulations on your individual success during the year and to all players who represented the club in final's matches, well done.

Finally, I would like to thank my family for the support that they have given me again this year as they have done in the past.

It now gives me great pleasure to present, for your approval, the Templeton Cricket Club Third Annual Financial Statement and Balance Sheet for Season 1985/86.

REGISTRATION SECRETARY'S REPORT

Season 1985/86 saw 53 senior and 103 junior players registered with the club. I commend the Executive on it's decision to take annual subscriptions from only those players who had the opportunity of a regular game of cricket, whilst still encouraging as many people as possible to participate in the club. With the prospect of an additional senior team, there is scope for recruiting and development of our junior players.

The club went through the season incurring only one fine from the R.D.C.A. This was possible because of the attention given to completing match result sheets by senior team captains and junior team managers. To those responsible, I express my gratitude for your assistance during the season.

I thank the members for the opportunity to serve in this role and appreciate the assistance given by the members of the Executive. A special word of thanks to Norm and Lyn Barnfield. To my wife, Andrea, thanks for all your encouragement and work for the club this season.

PAUL OWEN
REGISTRATION SECRETARY

PUBLICITY OFFICER'S REPORT

Season 1985/86 saw the inaugural edition of the Club Newsletter. Templeton Times was formed to keep members informed of the various social functions organized, match details and other club notes. Many thanks to the various players who featured in "Quotable Quotes", without you this segment could never have happened. Such a publication can only succeed and be of interest to all club members if contributions are forthcoming.

I would hope that in the future, you the members, will take the opportunity to provide articles for use in your newsletter.

I would like to thank all members of the Executive for their help during the season and congratulate the club on it's great season, which is only the start of a promising future.

ANDREA OWEN (MRS.)
PUBLICITY OFFICER

SOCIAL SECRETARY'S REPORT

Season 1985/86 commenced socially with a banquet at Sun Pong Inn Restaurant at Knoxfield which was well supported by club members and friends.

Due to the cooler weather at the start of the season, the Saturday night barbecues were low in attendance.

Christmas break-up in December was a Chicken and Champagne night which was very well attended. Together with the raffle for the Christmas hamper (won by J. Potts, a worthy recipient) and the Chocolate Drive, it was a very successful night. Other functions through the season included a car rally and B.B.Q. at South Belgrave and Gourmet Grill Night which proved to be very popular. Our New Year's Eve Fifties Night was attended by approximately 50 people with everyone having a good time.

The Junior Presentation Night was well attended by parents and friends.

The finale of the season is always the Senior Presentation Night which was held again this year at the Olinda Log Cabin with eighty people in attendance.

Our fund raising was helped by donations from the following organizations. McDonald's Restaurants, Billabong Hotels, Rembrandts Restaurant, Sky High Restaurant, Ward Spinks Real Estate Agents, Sun Pong Inn Restaurant, Hot Chicken 'N' Bread shop and Barmah Road Milk Bar.

In conclusion my thanks goes to the social committee members and others who assisted throughout the season - Lyn Barnfield, Andrea Owen, Judy Denton, Fran Nightingale and Bill Cumming.

In this my second term as Social Secretary, I wish to thank you for your support and trust that you will continue to support the club in the future.

It is my pleasure to present for your approval the Social Committee Balance Sheet for season 1985/86.

IAN BLAKEBROUGH

L. Barnfield,
Social Committee Treasurer,
Templeton Cricket Club.

END OF SEASON TRIP 1986

The Templeton 18 arrived with much anticipation of the events which lay ahead for the ensuing weekend. Once Bill got around to saying his farewells, we headed off to Pentridge to pick up escapees, Nights and Potts. Mick forced the first unscheduled pitstop some 30 minutes later and managed six autographs from the Heidelberg Kindergarten boys, hotly pursued by our intrepid photographer, Cubicle. Unfortunately we cannot reproduce the photo as Cubicle didn't know how to use his flash.

On arrival at the Blue Stone Walls, Geoff decided the time was right to start a pub crawl whilst the remainder sought relief elsewhere. Having assisted numerous councils with their highway watering program we finally arrived at Barooga. Gary still doesn't know how we got there so fast. It wasn't long before the pokies were under seige with a few wins being recorded. Luke didn't have much luck with the pokies so he decided to go walkabout and meet the locals who have dubbed him the "moth". You can only get rid of him when you turn out the lights.

Tatts and crew wouldn't sleep as the spa just got too much for them. 'What else is there to do at Barooga at 5.00 am'. By this time Geoff had just bitten through the last of his blow up dolls.

Weary eyed, Saturday saw the boys go through their pre-season paces of golf, beer, beer, tennis, beer and footy plus yet more beer. Keys thought golf scores revolved around the green and returned a suspect score of 94.

Pottsy was the only casualty on Saturday having eaten too many olives. Jim decided to hit the hay at 9.00 pm. For some reason Jim didn't think the food was too good. He also reliably informed us that the guy in the band didn't know Barney.

Stan, forever being the teacher, took Pottsy No. 2 under his wing and willingly answered his numerous questions as to what he wanted to do for the night. If anyone didn't watch the F.A. Cup Final, Tatts relayed all of Liverpools goals with much vigour and gusto.

Another sporting morning followed on Sunday but the boys were tiring badly from their strenuous duties and the golf scores suffered badly. Keys faltered to be all out for 144 while Benny reached his top score of 151.

Following farewells to the pokies a weary contingent set off home. For some reason things were a bit quieter on the trip home but a few hardy's managed to lubricate their throats to pass time. Finally we arrived home at Templeton to be greeted by our cricket widows and set off in our various directions to catch up on some lost "sleep".

The Telecom Award ironically goes to the person who was outspoken about the unnecessary need for a telephone - with a grand total of \$56.00 no one else was in the running.

COACH'S REPORT 1985/86

Subsequent to the conclusion of season 1984/85 plans were initiated for the ensuing year with the objective of further strengthening the club on the foundations which had been prepared by the diligence and untiring efforts of numerous people since the club's inception.

The Executive Committee in their "wisdom" saw fit to appoint me as Club Coach for which I have been honoured to fulfil. Along with Paul Owen and a number of players from the previous season, formulative ideas were projected for our immediate goals and overall development of the club.

Pre-season training which commenced during mid August was preceded by a well attended players' meeting in July. I believe that the pre-season training, which overall was extremely well attended by the majority of players both old and new, resulted in improved fitness levels and subsequently improved performances by all who participated.

Unfortunately, difficult decisions must be made by selection committees and some players were informed that they could not be guaranteed a regular game in the coming season. The reaction of most of those affected by this decision was most pleasing in that they retained an active interest in the club on either a social, junior, committee or training basis.

The club overall had a successful season having finished fourth in the R.D.C.A. Club Championship Trophy. Our First Eleven, due to a couple of dismal performances after Christmas, missed out on a place in the final when rain intervened in the semi-final whilst well positioned.

Undoubtedly the club's highlight of the year was achieved in the Second Eleven whereby Templeton Cricket Club realised their first Premiership Flag having shown during the season that they were the best side in "B Reserve" by holding down top position for the majority of the season.

The Thirds, after an indifferent start to the year, stormed home to make the finals and ultimately progressed to the grand final. However, with much disappointment they failed to bring home another Premiership having being beaten by a somewhat superior side.

Although the Fourth Eleven just missed out on reaching the finals, I believe that with some forethought they would have achieved this having lost only two games for the season.

I believe that Templeton Cricket Club can look forward to season 1986/87 with much anticipation providing we can selectively recruit players who together with some promising

Coach's Report 1985/86 (Contd.)

young players developed within the club this season could achieve our desired result of promotion to "A Grade".

My sincere thanks goes to all players who represented the club this past season for their efforts at training and their performances throughout the season.

I believe our increased standard of performance has been directly attributed to hard and dedicated training which can only be improved with increased fitness and skill levels; this of course revolves around how hard we are prepared to commit ourselves.

The club has a wealth of excellent junior talent within its ranks. Unfortunately not all of these juniors developed as I had wished with the opportunities afforded them, but to those who did I believe they will reap the benefits during the ensuing season.

In closing, I wish to thank the Executive Committee for having given me the opportunity to coach and I trust that I will be able to assist in the future development of the club.

PIETER BERGSHOFF
CLUB COACH

B GRADE CAPTAIN'S REPORT

After two seasons establishing ourselves as a competitive combination, season 1985/86 presented the biggest challenge to the 'B' Grade team. This challenge was met with a fierce determination to succeed, but our performance in two games after Christmas saw the opportunity of a premiership slip away.

The Club was again fortunate to recruit well, resulting in a strengthening of all senior teams. The experienced Barry McClure and youthful Wayne Peters proved reliable contributors, whilst Grant Senior batted his way through all grades and was justly rewarded with two appearances in 'B' Grade, including the semi-final. The improvement of Stan Pamietta, John Nightingale and the emergence of Michael Litchfield as an opening bowler and punishing middle-order batsman, gave the team balance and more depth. Consistent batting performances were again recorded throughout the season by Neville Walker, Eddie Hicks and Murray Parker and Trevor Tormey shouldered much of the bowling duties with good success.

Our pre-season preparation assisted greatly in the first win over arch-rival Ringwood and the undefeated record until the Christmas break was thoroughly deserved. Over-confidence and the idea that "someone else will do it if I fail" seemed to creep in and the games against Parkwood and Eastfield were very poor efforts. Ultimately, it cost us the advantage of finishing at the top of the ladder and a spot in the grand final. In a season highlighted by much club success, it was a great disappointment to all that the team did not go one better and contest the premiership.

Despite the end result, many positive aspects appeared during the season. Pre-season training was enthusiastic and saw the first batch of players from the club's junior ranks participate. The organization of activities at training all season was excellent and all players were given the opportunity to improve and display their skills. The attendance at training reflected the positive attitude of all club members and enormous thanks must go to Pieter Bergshoeff for his time and efforts in this regard. The spirit that developed amongst all senior players both on and off the training track was a major factor in the four senior teams' performances.

B Grade Captain's Report (Contd.)

I wish to thank the members of the Selection Committee for always ensuring that the best available teams represented the club and take this opportunity to congratulate each captain on his side's results over the season. In particular, to Michael Banbury and the players of the 'B Reserve' team for winning the club's first premiership. I hope the first of many in Templeton Cricket Club Incorporated's history.

All reports from the R.D.C.A. indicate that the club is held in high esteem. One important reason is the efforts of the ladies that run the canteen. The appetizing refreshments provided during the season were the best possible and appreciated by all. To Lyn, Judy, Fran and Andrea - THANK YOU. Another reason for this reputation is the work of the Executive. My thanks to all Executive Members for supporting the players at both senior and junior levels.

In conclusion, I thank all the members of the 'B' Grade team for their efforts, support and suggestions during the season. Unfortunately, the results were not good enough to earn us promotion to 'A' Grade. To my vice-captain, Pieter Bergshoeff, many thanks for your efforts as Club Coach and player and congratulations on your second Club Championship Award and second placing in the R.D.C.A. Medal. Your personal results show real commitment to the club. If we all work together I am sure that promotion will not be far away.

PAUL OWEN

B RESERVE CAPTAIN'S REPORT

Season 1985/86 has been one of excitement for the B2's Eleven. 2 losses for the year(both 1 day games), 3 outright wins, finishing on top of the ladder, playing in the grand final and being the Premiership side for 85/86.

Many thanks to all players who have played in the Seconds during the season. Well done to Pieter Bergshoeff in his first year as coach. Three sides into the finals. Great job. To Paul Owen for his advice and encouragement to me during the season, thank you.

My vice-captain, Norm Barnfield, to you Norm many thanks for all your help, advice and passing on to me your knowledge of the game. Certain times when we needed a bowler to do the job you were always there, hand outstretched, waiting for the ball. Thanks Norm.

To the players of the Premiership side, well done, as you have done all season, stood by me and given me advice. To me, players make the captain. You are great players. (Next year, another one).

To all the supporters, junior and senior players, a special thanks to you all for your support through the finals. To the ladies of the canteen, it is a pleasure to walk in the rooms at tea time knowing that there is a cup of tea or a cold drink waiting for you. The club, as I am, are very proud of you.

Paul Denton - maybe next year old mate. Great job to get there.

Bill Duell - in his first year as captain, helped bring on a few players who made the most of their opportunities. Well done Bill.

Paul Owen - always the semi-final. If we could get past that we would have another flag for sure. Bad luck Paul.

To our scorer, Gordon, as I said Presentation Night, we regard you as one of the side Gordon, always there pencil in hand. Thank you Gordon.

MICHAEL BANBURY
CAPTAIN

E GRADE CAPTAIN'S REPORT

Season 1985/86 was one filled with many highs and lows throughout the year. Some of the high points in our season were magnificent 218 run partnership against Mooroolbark in the opening round and an excellent nine declared for 385 against Wantirna South (at that stage the second placed team on the ladder) in the second last round, thus enabling the team to compete in the finals series. A magnificent performance in the semi-final where we dismissed Johnson Park for a very low score and then proceeded to wipe off the required runs with the loss of only one wicket, was without doubt our best team performance for the season. The low points in the season were consecutive losses in rounds two and three against two of the lower sides in the competition and also loosing the grand final against Heathmont.

At the commencement of the season I would have been happy for the thirds to have won more games than they lost, however as the year progressed and after an early setback, the side moulded together magnificently and remained undefeated from round four until the grand final.

Our strength all year was in our bowling with the batting slowly improving to the stage where we could be considered one of the best all round sides in the competition. With experienced players such as Reg Brine, Ian Wood and John Cassidy adding some stability to the middle order, while younger members Adrian Hyland, Mark Bennett, Gary Peters and Chance McPhee showed that they will form the nucleus of Templeton sides for many years to come. On the bowling side no player worked harder than Geoff Ofield either opening or bowling first or second change. Young players such as Brett Keys, Chance McPhee, Mark Bennett and Brett Conway all bowled well at different stages and Greg Halliday never ever let the team down either while batting or bowling. There were many other players who played in our team during the season who went on to bigger and better things, however they were still an important part in the success of our side.

In summary may I say that it has been my pleasure and that I am extremely proud to have captained Templeton Cricket Club's 3rd X1 for season 1985/86. I would like to congratulate all other captains on their efforts during the year, especially Michael Banbury and the second X1 on winning the very first premiership for the club. To Pieter Bergshoeff, many thanks for your work as coach and chairman of selectors, the effort put into the club by Pieter has resulted in our on field performances this year. Once again I thank all members of the 3rd X1 and look forward to the forthcoming season.

F GRADE CAPTAIN'S REPORT

The 1985/86 season has been very successful for not only the club but a few players who were the backbone of the team. It has been very satisfying to know that there are players who want to play plenty of competition cricket.

This has been only the second year for the Fourths and I must say we have given all the teams we have played against a run for their money, but of the ten games we played we lost only two which cost us a place in the finals.

We had a lot of talent this year as the coach stressed it's a win at all cost situation. The training facilities and motivation were at it's peak this year which accounted for the match fitness.

Lastly, I want to thank all the players for their support, the Selection Committee and Bill Cumming for his help in keeping score.

JUNIOR ADMINISTRATOR'S REPORT

Season 1985/86 proved to be the most successful season yet for junior cricket at Templeton Cricket Club. Six sides, two in each of U/16, U/14 and U/12, were fielded for the first time, thus ensuring that more boys from the area were given the opportunity to play cricket.

The two U/16 sides had a mixed season with both finishing about tenth on their ladders. However, a number of boys were given the chance to play senior cricket throughout the year and proved that they were capable of better things in future years. This step must be continued as the future of senior cricket at the club will be in the hands of our current juniors.

The two U/14 sides both made the final four with the U/14 Grade 5 side losing to Kilsyth in the semi-final. The U/14 Grade 3 side beat Olinda in the semi-final but lost by only 4 runs to the undefeated Scoresby side in the grand final. The boys in this side should be proud of their performance on being the first Templeton junior side in a grand final. Unfortunately luck (and the umpiring decisions) were not in their favour. The boys know the "losing feeling" and will certainly have more desire to experience the "winning feeling" next season.

The U/12 Grade 5 team is a non-competitive side which gives the opportunity for boys to learn the fundamentals of cricket. The boys performed very well and enjoyed their cricket. The U/12 Grade 2 team finished third on the ladder and just missed a place in the grand final. The boys performances throughout the season were exceptional and after having beaten the eventual premiers, South Ringwood, in the last game, can be considered extremely unlucky. As a number of these boys will still be under twelve next season the future looks good.

I personally would like to extend my sincere thanks to the magnificent response and support from the following team managers/coaches and helpers throughout the season.

- U/12-5 - Neville Walker, Bill Cumming.
- U/12-2 - Norm Barnfield, Murray Parker, Dennis Curran.
- U/14-5 - Des McDougall, Ian Winnett, Ian Morrison.
- U/14-3 - Paul Denton, Chris Harper, Laurie Jones,
John Sinclair, David and Lisa Snell.
- U/16-4 - Ian Johnston, Ron Lovett, Howard Norton.
- U/16-2 - Ian Wood.

I also thank those senior players who assisted either at training or at matches throughout the season. May I sincerely thank all those parents who assisted during the year and who will be individually acknowledged in the team managers' reports. Without their efforts a club does not exist.

.../Contd.

Junior Administrator's Report (Contd.)

One area of concern has been the poor response by parents in assisting with the U/16 teams. Hopefully this situation will improve next season. If not, some boys may not be playing cricket as one or two people cannot be expected to give their time every week during the season.

From my own personal point of view, I set myself three aims/objectives at the start of the season. These were -

- (1) To promote junior cricket both at the club and in the area. Also to foster the good name of the club in the R.D.C.A.
- (2) To ensure that the boys had a game of cricket every week during the season and enjoyed their cricket.
- (3) To improve the standard of cricket at junior level.

I believe the first two were achieved to some extent by the introduction of a code of conduct which resulted in improved behaviour both on and off the field. Every effort was made to ensure that as many boys as possible played cricket during the season. Where byes or forfeits were experienced alternative games were arranged with other clubs.

Whilst there has been some improvement in the standard of junior cricket at Templeton, as can be seen in the number of new records set and the excellent performances attained by a number of players, I believe that there is still much to be done in this area. With the introduction of a synthetic wicket, better training facilities and, hopefully, a junior coaching co-ordinator, further improvements will be forthcoming.

May I congratulate all the trophy winners and also those that did not win trophies but contributed to the excellent team performances during the year. Always remember that teams win matches not individuals. (An example is the Second XI). I would especially like to congratulate TIM LUTTICK on winning the R.D.C.A. U/14 Grade 5 Bowling Average.

Finally, I apologise to anyone I have omitted to thank individually in the above report. My final thanks go to the Executive Committee in supporting me throughout the season and my team captain, Mick Banbury, for putting up with me arriving late some Saturdays for the Second's game.

I look forward to an even more rewarding season in 1986/87.

PAT MEEHAN
JUNIOR ADMINISTRATOR

U/16 GRADE 2 COACH'S REPORT

The team lost 3 games in the last over, 1 by 1 run, another by 6 runs (both before Christmas) and then to the top side in a controversial finish, by 4 runs. We had a basis of 6 boys from last year's side and 3 new comers who added considerable strength to the team besides some of the boys up from U/14's having a game or two for experience.

The batting revolved around Dean Walch and Martin Wood and solid innings from Tim Luttick who found his best position down the order. Jeremy Boxall and Adrian Hyland had disappointing seasons yet Adrian proved later on in the season he has the temperament and ability to become a solid opener - playing in a senior final's series.

One of our problems was of finding a solid opening partnership. Brendan Noll, Martin Wood and Gavin Baldan were also tried, with Jeremy, Adrian, Brendan and Martin making useful scores. Gavin Baldan in his first year in competitive cricket, quickly picked up the basics in the Second XI and become a useful and forceful middle order batsman. Jamie Mullen improved considerably and can become a competent batsman with more concentration. This applied to all of the top order batsmen, who got a start but only one went on to make over 50 runs in an innings.

The bowling centred around Martin Wood, Jamie Mullen from last year, with extra pace from Dean Walch and Gavin Baldan. Martin, Jamie and Dean each took 5 or more wickets in a match; ably supported by Brendan Noll and Michael Levi each producing effective spells of off-spin bowling and must have confidence in themselves and practice hard at this particular skill. They can both be useful all-rounders if they work at their game.

The fielding rose to a high standard just before Christmas, with brilliant performances by Dean and Gavin in the deep, Adrian Hyland and Michael Levi close in. Tim Lambrick again kept well behind the stumps and Adrian deputised efficiently for him when asked. Martin Wood was always reliable either in the deep or close in. The main problem in the field was in the slip/gully area. In practice several boys looked good but due to lack of concentration or early morning sluggishness, vital catches were missed with the result that it cost us probably two games. Jamie Mullen, Matthew Vennard and Glen Leonard fielded well at times in this area and Matthew Vennard earned his place in the side on fielding abilities alone.

Congratulations to all the boys who played in the XI, especially the younger members. I hope they will have benefited by playing with and against players with more ability and experience and it will make them into better cricketers next year. Dean and Martin led the side well and were always alert to alter the field to the circumstances and change bowlers according to the team plan.

Regretably there was little support from parents for this team. This severely detracted from my role of coach in the vital 5 minutes before the day's play. I thank the following for their assistance when their boys were playing - Ron Lovett and Ian Johnston.

U/16 GRADE 4 COACH'S REPORT

The team mainly comprised boys from last year's U/14's with the addition of 6 boys who did not play for the club last year.

My pre-season concern regarding the batting proved to be the team's undoing. There was ample ability and variety in the bowling and often they had the opposition with 6 - 7 wickets down for a low score.

After Christmas the batting sorted itself out to some degree and centred around Dean Morrison as an opening bat, with Adam Gierdien and Brandan Hawkins at no's 3 & 4, Tim Norton was best suited at no. 6. Unfortunately we could not fill the key slots in between. Evan Johnston opened on a couple of occasions with some success in staying there. Gavin Baldan played a couple of good innings which won him a regular place in the First XI.

Promising innings were played by Julian Armstrong (eligible for U/14's) also Anthony Bech (U/14), Simon Lovett and Glen Leonard who needs to really knuckle down early in an innings. Ewan Johnston and Darren Neale made great efforts to improve their batting skills and were both rewarded with long innings's late in the season.

The bowling was well lead by Tim Norton and Dean Morrison who each took 12 wickets. Gavin Baldan during his time in the team was genuinely quick for this grade and Simon Lovett bowled well when he was given the opportunity to do more work. Ewan and Glen added variety with slow bowling but both need to work very hard to bowl accurately. Dean Morrison, Matthew Vennard, Julian Armstrong and Anthony Bech also contributed when they were given the chance.

The wicket keeping was shared between Brett Morrison, Matthew Vennard and Justin Samuels and all the boys settled down into regular fielding positions. Again chances went down in the slips area and regular fielders in this area did not put their minds to it enough. The fielding suffered on several occasions when it had only 9 or 10 members and then the gaps seemed very large. Most boys tried hard and put in at training and it showed in their improvement during the season.

Brett Morrison was a very useful team member in encouraging the team besides keeping wicket, being a versatile fielder and chipping in with a few wickets with his own brand of bowling!!

Thanks must be given to the following fathers who looked after the team during the season. Howard Norton, Ian Morrison, Ian Johnston, Ron Lovett and Ian Winnett.

U/14 GRADE 3 COACH'S REPORT

Once again we come to the end of another season, a season that has seen Templeton Cricket Club come of age, especially in the U/14 grade.

Looking back to this time last year, it was said that we expected some big things from certain junior players and we as a club were not let down.

Both our U/14 teams finished the season in second place on the ladder after the home and away games with the first side winning their way into the Grand Final. In a very hard fought game, (a game that many people thought was out of our reach), the boys played extremely well, showing what can be done when they perform as a team and believe in themselves. All boys who represented the club in the Grand Final should feel very proud and although the scorebook says that they lost by four runs, I believe that morally they were the premiership team.

There were some magnificent performances by several boys throughout the season and also some very fine team performances. Unfortunately all boys are not able to win trophies but to those who have been lucky enough to win, I offer my heartiest congratulations.

I would like to take this opportunity to thank Laurie Jones for all his assistance on match days and especially training nights. Also to Chris Harper for umpiring and David and Lisa Snell for keeping a very neat and tidy score book throughout the season. To all parents and senior players who attended games throughout the year to encourage and support the boys, especially in the finals series, I thank you very much on behalf of the team.

In conclusion, may I say that as a committee member and senior player of our club, I am very proud to have been associated with such an extremely well behaved and talented group of boys who represented Templeton Cricket Club in U/14 Grade 3 during the 1985/86 season.

U/14 GRADE 5 COACH'S REPORT

I would like to take this opportunity to thank the committee for their selection in allowing myself to manage this U/14 side. Thanks to the parents for their Saturday morning transport, for without their help our team could not have functioned properly.

After training for several nights in good weather and the boys eager to go and play competition cricket, the first game was a wash out. Our second game became a walk over as Warrandyte could not field a team. A practice match was arranged with Park Orchards U/14-2. It was a very close game, we lost by 5 runs. As this was our first game, it was a great effort. The following game against Scoresby was for match points. It was a very exciting game with supporters having no finger nails left, runners run off their feet with messages to both managers regarding the state of the game which finished in a tied game.

Our first away game for points was played on a synthetic pitch which was new to several of the boys, although their performance showed that may be these boys grew up on synthetics. As we had Kilsyth out for less than 40 in their first innings and 5 for 15 in the second innings going for an outright.

The next game was a very important game as Vermont were undefeated also. We won the toss and sent them into bat. The boys realised after Vermont's innings that they had fielded badly allowing Vermont to score too freely. With Vermont's better fielding they beat us by ten runs. The boys won the rest of their home and away games including a practice game against Wonga Park U/14-1 whom we beat. This team had a girl playing for them and before she arrived at the crease all the boys asked could they bowl to her. I asked why but none would answer why.

Final's fever had arrived and we were in it. We won the toss and sent Kilsyth in to bat with our bowlers and fielders doing well. With 45 minutes to go the boys relaxed as they had 2 wickets to get and 100 runs to chase. The opposition took the advantage of this and scored 44 runs in that time giving us a total of 145 runs to win. The boys realised they had failed to concentrate for 100% in the field and now had to chase these runs. Although we did not win this game these boys held their heads high at all times and showed the courage of Templeton Cricket Club.

A reserve team is to help lesser players better their skills and performances which will enable them, in time, to assist the U/14 Firsts, as many of the boys did, making it a better side. Due to the attitude and spirit of all boys, both teams made the finals and the Firsts, the grand final. This shows

.../Contd.

U/14-5 Coach's Report (Contd.)

the depth of talent in this club. Hope we can keep it.

I have not mentioned any individual performances as all boys who played in this side performed as a champion team not as individuals.

Finally I would like to thank Laurie Jones for his assistance and friendship throughout the season, Chris Harper's assistance at training and to the few senior players who also assisted and Pat Meehan for his help as Junior Administrator.

Special thanks to the following -

John Sinclair and Ian Winnett, scorers throughout the season.

- Terry Andrews for umpiring our final.

The U/14-5 M.E.T. System -

Lois Vance
Geoff Harris
Michael Cartwright
Tony Hurford
Wendy & John Sinclair
Anne (Lady Morrison) & Ian Morrison
Bob Thomson
Peter Luttick
Neville Turton
Wendy & Ian Winnett
Rosemary & Terry Andrews
"Des McDougall"

and to those I may have missed.

Congratulations to all trophy winners and to Tim Luttick for winning the R.D.C.A. U/14-5 Bowling Average.

DES McDOUGALL

U/12 GRADE 2 COACH'S REPORT

The U/12 - 2 had a truly wonderful season. There were many individual performances but obviously the outstanding one was from Anthony Dorshorst taking 5 for 0 against South Ringwood, the eventual premiers in our division.

Chris Vorwerk's batting performance against Norwood when we had our backs to the wall at 6 for 17 and the team failing by only 1 run to secure a place in the grand final, was a splendid effort.

The consistent wicket taking performances of Christopher Lowe, Anthony Dorshorst, David Parker, Jason Disney and Simon Denton, splendid wicket keeping by Chris Landy and quite often sensational catching and fielding by the boys put us in a good position in every game. Unfortunately our batting, although reasonably sound, was not consistent enough to ensure a grand final berth.

I thoroughly enjoyed my season as coach of the boys and I hope they enjoyed my presence. I was very pleased with their attitude at training and during the matches. With only 2 losses all season, one by 3 runs and one by 1 run, I was disappointed the boys did not play in the grand final, especially when we creamed the eventual winners, South Ringwood.

My sincere thanks to all parents who supported the boys throughout the season, notably the Currans, Vorwerks, Dorshorsts, Portwines, Hunts and Lowes. Murray Parker for his assistance on Saturday mornings and to Trevor Tormey and Bill Comming for their assistance at training.

Congratulations to all trophy winners and I trust you will be looking forward to season 1986/87.

NORM BARNFIELD

U/12 GRADE 5 COACH'S REPORT

During the 1985/86 season a total of 25 boys represented the club in U/12 Grade 5. Of these 17 had not previously played with the club.

The match statistics indicate a very successful season with only 2 games being lost from a total of 10 played for the season. The team's enthusiasm is best demonstrated by recalling the first game of the season when they battled on through continual rain which finally forced the abandonment of the match.

That enthusiasm continued throughout the season. Although there were a number of outstanding contributions with both bat and ball during the season, a major factor in the team's overall success is indicated by the evenness in performance of players.

The batting and bowling order were varied considerably throughout the season which gave all players an opportunity to succeed.

Congratulations to the individual award winners and to the team as a whole for their discipline and willingness to listen. If they continue with this attitude the future of the club will be assured.

A special thanks to Norm Barnfield and Trevor Tormey for their tremendous patience and effort in training the boys. Also to Bill Cumming in scoring and organising equipment. Thank you also to the parents who assisted with transport and umpiring.
