INCIDENT RESPONSE PROCEDURE: ALCOHOL

Why is drinking suspected?

- Someone has advised you they were drinking.
- They appear intoxicated.
  - Consider if there might be another cause (e.g. medication, illness, disability).
- They're in the process of drinking when they shouldn't be (e.g. in the parking lot).
  - Calmly ask them to stop.

Ask how much they've had to drink and how they're feeling.

Monitor their appearance and behaviour.

Do they need medical attention or are they being aggressive or violent?

NO
→ Consult your Good Sports Policy to get them home
→ Record details in the incident log.
Consult your Good Sports Policy to determine next steps.

YES
→ Call 000 or the police as needed

Are they under 18?

NO → Record details in the incident log. Consult your Good Sports Policy to determine next steps.

YES → Call their emergency contact.
