President's Report

We entered season 2021/22 with hopes that the impact of the Covid pandemic would be behind us. Unfortunately, as we now know, this was not the case. Whilst this meant a delayed start to the season and the implementation of all too familiar Covid safe practices, the focus of the Club Committee was to continue to strengthen our Club both on and off the field.

A major objective of the season was to build upon our existing junior female cricket program and develop a broad offering that provided females an opportunity to participate in our sport regardless of age and ability. Pleasingly, with the addition of our inaugural women's team, Social Sixes and a stage one junior team, we now offer a female cricket program of substance and provides a pathway for junior female cricketers. Thanks should go to Kristi Disney for her continued efforts in this area and to Renee Weidemann who as Social Sixes Coordinator, ensured that this program was a great experience for participants. I would also like to thank Steve Mikecz who played a pivotal role in getting our women's side up and running, and to all our players who made this team a great success. I look forward to watching this team develop over coming years.

First game of the TCC inaugural TCC Womens XI

Of equal importance was that the culture of our Club was welcoming for female members and ensured that they felt included and were comfortable to be around the club. A great demonstration of our progress in this area was the significant number of female members that attended the Club's player of the post-match nights and the end of season vote count. Also pleasing was the number of junior girls who played Saturday afternoon cricket in male competitions throughout the season.

An important aspect of our continuing journey towards being an inclusive club was our inaugural Women's Day function to raise funds for the Breast Cancer Network Australia. With over 60 attendees and \$3061 raised, this day proved to be an outstanding success. I am

very appreciative of the tireless work of Vicki Vozzo and Kristi Disney in organising the day and ensuring that it was a memorable event for all who attended.

TCC First XI wearing Breast Cancer Network Australia caps on Ladies Day

Another first for our Club was the “Taste of the World” night which was well supported by a large number of junior families. Whilst the obvious outcome was this provided our members with an opportunity to sample dishes from other countries, more importantly this event celebrated the multicultural nature of our Club. I look forward to this event being a regular on our social calendar.

This season we spent a considerable amount of focus on our off field structures to better support our members and improve our club. The appointment of Ryan Gill in the role of Member Wellbeing Office signals our intent to better support the mental health and wellbeing of our members, particularly during a time when many will be dealing with the impacts of the pandemic. In this role, Ryan organised an opportunity for all members to participate in a Mental Health Awareness Training Session delivered by Headspace. We look forward to doing more to assist our members in the 2022/23 season.

Another accomplishment that will be of benefit into the future was our acceptance into the Sports & Life Training (SALT) “Clubs with Heart” course that ran for 8 sessions from September to March. This course, which provides insights into how to become a great club on and off the field, has provided us with a platform in which to become more successful into the future. This will at times challenge how we have done things historically, but I am confident that we will become a better club for our members, families and community. Thank you to Ryan Gill and Para Ekanayake for participating in this program.

On field, our focus was again upon continuing to develop our young playing list whilst being competitive on the field. After the disappointment of being relegated the previous season, our First XI had its sights set on returning Trollope Shield. This was particularly the case given the retention of the playing list the previous season and the return of Joshua Hudson. Unfortunately, after a dominant season, our form did not translate into the finals series and

we suffered two disappointing losses. However, with a young talented list and more hard work, I am sure that a period of sustained success is not far away. The rewards of our ongoing focus on youth development was evidenced by our 4th XI making finals on the back of the performances of a number of young players mixed with a core of experienced players.

Thank you also to our Club Senior Coach Andrew Gottliebse, who along with his significant contribution as coach, has continued to make a huge contribution beyond his coaching responsibilities. In particular, with the significant and regular challenge of missing players due to Covid, Andrew's efforts to ensure that we could fill our five senior sides and avoid forfeits took a lot of effort which was greatly appreciated. I would also like to thank Linc, Ryan, Joel, Craig, Siri and Trav as our team captains for the season. In particular, the way in which you continue to embrace junior players within your team and mentor them in how to play cricket the "right" way is greatly appreciated and continues to position the club for a successful future.

Our Club's continued investment in our juniors was again led by Steve Tasevski (Junior President) and Kristi Disney (Junior Secretary). To prepare for a season with 12 junior teams and to ensure that the season runs smoothly is a monumental task. I greatly appreciate their efforts along with those of all junior team coaches and team managers.

This season the Club was very fortunate to welcome Surreal Property Group as a major sponsor. Thank you to Don, Linda and Coady Mitrevski for your commitment and we look forward to working with you over the coming years. During the year we were also very fortunate to welcome Centrefire Joinery (Brad Byrnes & Matt Cope) and Schokolade Cafe (Justine and Adrian Salanitri) as sponsors.

Additionally, we thank our continuing major sponsors Port Melbourne Containers (Simon Denton) and Urbangreen Projects (Arron Vinen), the Club is extremely appreciative of your ongoing commitment. And thank you also to our other long term sponsors for their ongoing support: ArrowPoint Bookkeeping (Dean Morrison & Andrew Morris), New Touch Industries (Brad Drury), Barware (Nick Starrenberg), Mercury Financial Partners (Ian Garvey), Wantirna Osteopathy (Jason Stone), ZJK Waterproofing (Steve Tasevski) and Nello Campagnino (Apex Steel). I would also like to make special mention of ArrowPoint Bookkeeping and Mercury Financial Planning for generously purchasing a Frogbox system for the Club to enable live streaming of matches to the Taipan community.

I would like to thank Tyson Henry, Hayden Reidy, Jason Disney, Steve Tasevski, Kristi Disney, Ryan Gill and Ben Morris for their contributions as committee members. Whilst the aforementioned challenges made for an interesting year, through your hard work and contributions we made it to the finishing line in great shape. Whilst not a serving member of our Committee, I would like to thank Melissa Gottliebse for her significant contributions as our social media manager and canteen manager. Melissa continues to work tirelessly behind the scenes and has once again made a positive impact to our Club.

Lastly, I would like to acknowledge the considerable efforts of Paul Taylor who after many years of service as President (2016-20) and Secretary (2021-22) will be stepping down from a committee role. During this time, PT has made an extraordinary contribution to all aspects of our Club and worked extremely hard to consolidate the Club's position following some challenging years. Through his hard work, PT has provided a platform for the Club to grow

and prosper in future years. Personally, as a new President, I have greatly appreciated PT's guidance and support. I look forward to seeing PT around the Club in the coming years.

Finally, I wish everyone well over the off season and look forward to seeing you all again in season 2022/23.

Sean Meehan
President

Senior Coach's Report

I am writing this report after what can only be defined as another successful year for the Senior Taipans. Whilst the ultimate prize of a 1stXI premiership wasn't achieved, the club far outweighed expectations both on and off the field as we continue our growth towards sustained success across all grades.

Over the season we had 98 players, male and female, and from ages 12 up to 60+, pull on the Taipan colours! This is a monumental number and shows us the interest and support across our club community for what we are doing... and to me this point is the thing that matters more than any other measurement of success.

On-field, all teams achieved so much this year, and I list a few comments that I would like to bring to the forefront for us all to focus on as we build into our Future.

1stXI – We are built perfectly for a period of sustained success. We had our youngest ever debutante for the club in Jackson Edwards, three of the top five run scorers in the whole league, and three of the top fifteen wicket takers. The sky is the limit if we keep working hard, and I have no doubt we will be celebrating the ultimate team success here within the short term

2ndXI – When I first joined as coach three years ago this team was made of a bunch of kids, and a few senior cricketers. This team now is a genuine 2ndXI team, positioned back in the Premier Grades of the RDCA, and went from avoiding relegation in the last round of the season last year to still being in the mix for finals with a fortnight to go in the year this season. Our next wave of 1stXI cricketers play here, and are going to be pushing for a spot in the top grade before we know it

3rdXI – After losing a few senior cricketers from this grade for this season, this team morphed somewhat into a development squad this season with a handful of seniors there to support. Whilst the impacts of the senior guys will never be discounted, the on-field 5th position result from the season was very much carried by a bunch of young men aged 14-17yo. The future is bright for the Taipans!

4thXI – Of all the teams I was most concerned about at the start of the season, this was the one! Promoted three grades from where we finished fourth last year, I thought we would be in for a tough year here... but it simply wasn't the case! A team aptly managed balancing a mix of experience and youth, saw the team perform well above my own personal expectations and make the finals!

5thXI – Whilst not winning a match for the season, this is the squad that I am most proud of. It is the entry point to our senior division, and we gave so many young cricketers an opportunity to play for the Taipans throughout the year. 39 players played in the squad, and this is such an important thing as we continue to grow and develop our senior division into the future.

I think we can all agree that the club is on the right track, and I am just lucky enough to have been able to play a small part in that over the last three years... and look forward to continuing the journey again next year for my fourth. With a new coaching structure, new ideas, and more people actively helping – I am confident the player experience will again be taken to another level for season 2022/23.

In closing, I would like to thank a number of people for their support and assistance over the 2021/22 season because without you we would never be able to so successfully get 5 teams and 60 players onto the ground each week.

To Sean Meehan, Jason Disney and the entire Templeton Committee I thank you for your support of myself and the playing group, but more importantly for your endless hours of work put into our great club. Without people like you, the club would just not be in the strong position that it is today.

To all of the senior captains for the year, I sincerely thank you for your input, feedback and tireless (and in many cases thankless) work over the season. The impact that you as people have made to the young cricketers of this club will be remembered by them for the rest of their lives... so be proud of everything you do.

And last but definitely not least, to Melissa and my family, I thank you for allowing me to do what I love. It takes many hours of commitment, and at times cricket can impact our personal lives – and for supporting all of that I will be forever grateful.

In closing, I would just like to say Go Taipans! We are a great community club, with great people, and most importantly a great future. Be proud of the community we are all apart of, and ensure your actions continue to help us grow and develop!

Cheers

Andrew Gottliebsen

Senior Coach 2021/22

Senior Team Reports

Port Melbourne Containers First XI Season Report Bill Wilkins Cup

Team Captain: Lincoln Wong

Award Winners: Batting Average: Niraj De Silva, 413 runs, avg 68.83
Bowling Average: Luke Christey, 26 wickets, avg 15.15
Champion Player: Lincoln Wong
Jason Disney Player of the Year: Coady Mitrevski

After being relegated back to Wilkins for season 2021/22 we were able to retain our core group of players while adding ex-junior Josh Hudson to the squad, who returned after successful stints at sub district and premier level.

Following a wash out in round 1, we travelled to Warrandyte for our first game of the year. On a fast and small ground our bowlers were able to take 10 wickets inside 39 overs and restrict Warrandyte to 161. Huddo was influential in his opening spell bowling four maidens while Tys took 3 wickets from the other end. Luke Christey and Jack Meehan showed their importance in the mid to late overs, taking 2 wickets each. Opening the batting with Coady Mitrevski (69) and myself (35) were able to put on 69 runs inside 10 overs setting up a fairly simple run chase as we passed their score in the 29th over at 4/162.

We played Bayswater Park in our first game at Temps in round 3. Bowling first, our openers again went well with Huddo (1/33) taking a wicket on the third ball of the innings while Nudge (2/35) picked up 2 wickets at the other end. Their middle order rebuilt and were able to get away from us after drinks before we were able to restrict them in the last 10 thanks to Luke Christey (2/40) and Jack Meehan (1/19). Chasing 183 to win Coads (35) and I (62) were again able to make use of the new ball, putting on 93 runs before the first wicket fell in the 9th over. Nudge (35) and Ben Gerloff (48) then comfortably saw us home in the 33rd over with the loss of only 2 wickets.

Our first real challenge came in round 4 against St Andrews for top spot on the ladder. Batting first Coads (98) continued his good run of form hitting 9 fours and a 6 to fall agonisingly short of his first Temps ton. Together with Loffy (37) they put on 99 for the 2nd wicket before Nudge (57 off 40 balls) was required to hit out following a hamstring strain on his first ball. Defending 247, early wickets from Huddo (1/39) and Chunk (2/38) made it extremely difficult for St Andrews. Tys bowling first change had his best spell of the year taking 2/21 off his 8 while Twisty (2/44) and Jack (2/32) continued taking wickets. A ton from the opposition captain meant St Andrews batted their 40 to make 203 still 47 runs short of our total.

Sitting a game clear on top, we suffered our first loss of the year against Warranwood in round 5. A poor bowling performance saw them post 229 at temps. Our innings never got going losing consistent wickets to end up on 148 all out. Coads (48) was able to provide some respectability to our score, while at 15 years of age Jackson Edwards (23 off 21) played an impressive debut knock against a quality bowling attack.

From this stage onwards our depth in talent was on display as we dominated rounds 6-13 with a number of bats making big scores and an even spread of bowlers taking wickets. Some stand-out performances included posting scores of 297 and 306 against Wonga Park and bowling Bayswater Park and St Andrews out for 100 and 130 respectively. Some individual highlights included Coads posting his first ton for Templeton in our second outing against Warranwood. While with the ball Luke Christey took his first ever 5 wicket haul in the same game on his way to claiming the bowling award for the club.

In round 14 we played who we thought were our biggest threats for the flag in East Ringwood. After posting 215 with the bat, Josh Hudson looked the most likely with the ball taking 2/22 off his 8. However, with no one being able to bowl in a partnership with Huddo, East Ringwood eventually passed our score 3 wickets down.

This meant we finished the home and away season 2 games clear on top of the ladder setting up a Qualifying final against East Ringwood at home. Batting first, East Ringwood were steady at 0/33 before an injury to one of their openers allowed for Huddo to take the crucial wicket of the opposition captain for 2. From there a Cameo from their number 4 bat looked to tip the momentum towards East Ringwood before Luke Christey (3/21) and Niraj de-Siva (3/15) tore through their middle order, with Tys (3/17) finishing the job to have East Ringwood all out for 132. Following a lengthy rain delay Loffy joined Coads at the crease after I was out in the first over. Together they scrapped to 33 against a disciplined bowling attack. From there we lost 6 wickets for 20 runs to have the score at 7/53. When Tys was run out with the score at 8/68, Heath Disney (24) and Luke Christey (19) put on 30 runs for the 9th wicket before we were eventually all out for 109.

In our second chance to qualify for a Grand final, we played Bayswater Park in a prelim. Batting first, we could not have asked for a better start with an opening stand of 106 with the first wicket falling in the 21st over. When Coads (50) was dismissed at 2/135, we had our second batting collapse in as many weeks losing our next 8 wickets for 28 runs. Defending 166 we were unable to crack their opening pair who put the game beyond doubt with a stand of 121, eventually passing our score 2 down.

As good as we were in the home and away season, we were unable to perform in the pressure of finals. However, with the obvious wealth of talent within our squad there is no doubt we will be back in premierships contention with a chance to make amends next season.

Urban Green Projects Second XI Season Report

Ian Spencer Shield

Team Captain: Ryan Gill

Award Winners: Batting Average: Devesh Singh, 356 runs, avg 29.67
 Bowling Average: No qualifier
 Champion Player: Devesh Singh 476 points
 Jason Denton Player of the Year: Devesh Singh

The second season in Ian Spencer Shield for our 2nd XI was filled with plenty of competitive cricket and nail-biting finishes. Having moved up two grades since the 2019/20 season, we are continuing to embrace the challenge and looking forward to further developing and testing ourselves against a higher level of competition.

Our club welcomed back Chris Williams and Chris Holland this season. Dutchy was consistent and versatile all year, playing his role each week. Barney hit the ground running scoring a run-a-ball 30* to close our year's first innings. His highlight 50 off 40 also secured a win against Mount Evelyn in round 8. Mitch Starrenburg also had a great start to the year. Our leading wicket taker (12) had clutch performances, closing with the ball in round 2 and scoring winning runs in rounds 3 & 4, starting the year 3-0.

Zarak Durani, Tom Edwards, Cam Graham and Josh Taylor all made their 2nd XI debuts. Cam looked more and more comfortable with the gloves as the year progressed. Josh burst onto the scene taking 4/27 with consistent line and length. Tommy's confidence with his leg spin grew with each impressive performance, even showing promise with the bat, making 36 off 32 in round 8 to win the match. Zarak closed the season with scores of 51 & 73 against the top two sides. All four came into the team with great attitude and character, evidenced by Tom winning the Club Coaches Award. We can't wait to see all these young men develop on and off the cricket pitch in years to come.

Devesh and Dan Meehan were the standout bats for the season, averaging 29.67 & 31.17 respectively. Dan carried his bat making a career high 54* in a round 6 win against Mooroolbark. Devesh often anchored our innings with 5 scores of 45+.

Wickets were spread evenly throughout the year. Devesh opened the bowling taking wickets early and often. Zane was incredibly consistent, bowling first change for most of the year and reliably swinging the white ball. When called upon Jordan Livanidis delivered with the ball, taking 3/18 & 3/21 in our early wins. The trio shared honours for second most wickets (9). Ganga showed he hadn't lost a step with an athletic one-handed catch, captured by Frogbox (2:36:30) against Lilydale Round 9.

Our form dipped in the second half of the season, with only two wins after the holiday break, we narrowly missed finals by 6 points, finishing 5th. The team continues to show plenty of promise with a good mix of youth and senior experience, now is the time to jump on the bandwagon for a big 2022/23 season.

A massive thank you to Sean and Gobby for your continued commitment and leadership and thank you to 23 players who graced the field. I look forward to sharing Saturdays with you all very soon.

Cheers,
Gilly

Third XI Season Report D Grade Neil Tull Shield

Team Captain: Joel Taylor

Award Winners: Batting Average: Cadyn Gottliebsen, 310 runs, avg 34.44
Bowling Average: Brodie Stone, 16 wickets, avg 16.88
Champion Player: Cadyn Gottliebsen, 325 points
Brett Keys Player of the Year: Cadyn Gottliebsen

It was good to finally get the season underway and spend some time with other people doing something we enjoy after all the covid issues we had earlier in the year. The thirds had a bit of a new look team this season, with a few retirements, unavailabilities and a few guys making their way up the grades. While it was a really challenging year for us trying to get a consistent team each week, with covid and isolations, I think we (Gobby with 50 phone calls each week) managed to put out a good side each week.

I was very happy with our season. Whilst we just missed playing in the finals, I thought we were extremely competitive in most of our games. We have a very young side, at times we had to pick a few adults to get the kids to the games and to umpire. Most of the teams we played were lucky to have 2-3 juniors, while we had 6-7 each week. I think this shows where the club is going in the next few years.

It was good to see players in the 3rds (after good performances), getting opportunities in the 2nds and playing a role in the game. We also had several players come up from the 4ths and influence our games too. This also shows me the club is heading in the right direction. A couple of individual efforts that I really enjoyed watching this season.

With the bat it was good to see Cam find some consistency and make a few 50s and get rewarded with a few games in the 2nds. His second 50 was a good one, he had to leave the game early as it was his sisters 21st (he wasn't too keen on opening as he didn't have long before he was getting picked up, but we managed to convince him). He was batting really well, then Mum turned up, we managed to distract her for a while but then it was time to go. We found out he was mid 40s, so Mum waited for him to try to get to 50, which he eventually did. He was last seen un-padding himself in the car as they left.

Cadyn started the year struggling to score, batted a lot of time but didn't get the rewards. Then something clicked, he found a bit of self-belief and started making runs for fun. He finished the season with flurry of runs, 60 odd, 30 odd and his maiden hundred in the final game.

With the ball there was one particular spell for Brodie. He was bowling downhill with the wind at Milps, against an opposition who had some decent bats. It was the quickest spell I've seen in the 3s for a couple of years. He had the batsman jumping all over the place. 4 balls in, the non-striker called for a helmet. Think he had about 2/5 after his fiery 5 over spell. For me the highlight of the season was our beloved Mr C. filling in for us in the last game of the season. We were in a bit of trouble early, a batsman took a liking to our bowler and at drink on a small ground they were about 1/130 odd with this guy notching up a hundred in the 16th over. So, I turned to the great man after drinks and boy did he deliver. He bowled 7 overs straight, bowled 3 maidens and took 6/10. This spell got us right back in the game. A couple of thank-you's, The General. While a few of his performances with the bat weren't quite up to his lofty standards, (was a little concerned for his welfare after a few games) what he gave the team with his wealth experience and knowledge was fantastic. I know all the boys have benefited from playing with you this season. Thanks mate.

JD thanks for your help too. Was good to watch you spend some quality time imparting your knowledge with the boys while being able to bat with them in the middle, they are all a lot better off as a result of it.

Thanks to Gobby for the endless work at training, and especially on selection night trying to pick teams with all the covid and unavailabilities issues. Hopefully we go back to 2-day cricket next season so you get to relax every second week.

Finally, I'd like to than Seano and the club for getting the place up and going after some hard covid issues and ground troubles.

See you soon
Go Taipans

Fourth XI Season Report

Modified 2 Grade John MacMillan Shield

Team Co Captains: Craig Henry & Matthew Syer

Award Winners: Batting Average: Matthew Syer, 259 runs, average 32.38
 Bowling Average: Max Taylor, 11 wickets, average 16.18
 Champion Player: Seb Pascoe, 378 points
 Steve Tasevski Player of the Year: Seb Pascoe

Our captaincy approach, as it has been for a number of seasons now, was to be a youth focussed one. The old fellas are there to give some guidance, of course we want to win, but enjoyment of the game for all, and learning how to be a better cricketer, and teammate, are key to our approach.

We are lucky to have a few other very experienced, “older” guys, that are on the same page in; Eski, Pepper, Benny, Toppa, Tommy and on the odd occasion Diso, Seano, and Wilbur. We got off to a great start, winning our first 4 games, from there it was win, loss, win loss etc. for the rest of the season. At the end of the home and away rounds we had 7 wins and 5 losses, which was good enough to have us in 3rd position a game clear of 4th, and 2 games inside the final 4.

The semi-final was a close one, with our runs being chased down with only one 7 balls left in the game. Unfortunately, we just didn’t make enough runs.

Highlights for the season were many, from Seb posting 3 x 50s not out, and Zac making his first senior 50*. Maxy getting his first senior 5 fa. Getting to take the field for the first time with a talented young lady in our side in a game I called Disneyland (All 3 Disneys earning votes that game). My biggest thrill is always seeing lessons taught early in the season, being followed later in the season.

A few of the boys Ryan, Maxy, Zac, Seb, and Om were promoted to the 3s based on their good form, and now know what is expected of them at that level. Coops and Jay were probably cast into roles this season that they were not always accustomed to, but never dropped their heads, always did what was asked of them. I think 2-day games will give these two the opportunities they deserve to thrive. Kye and Jake were called upon to fill in so often that they became semi-permanent fixtures in our team and performed admirably when called upon to bowl. At their tender years of nearly 50 years younger than this author, I hope the

experience was enjoyable, and beneficial. I am sure this season, the lessons learned, the experience gained, and the maturing of younger players will auger well for seasons to come.

The selection challenges thrown at us every week, meant that we had 28 players come through this side this season. I would like to thank each and every one of them, for helping me to enjoy another season, especially Craig, who mentors this team so well, and who I have enjoyed the company of, playing with, driving to games with, and loved the sandwiches he makes me so much 😊

Thank you to Seano and the Temps committee for their tireless efforts to make cricket at this awesome club enjoyable, and thanks to Gobby (& Melissa) for always having things under control.

Fifth XI Season Report Modified 6 Grade

Team Captain: Travis Lee

Award Winners: Batting Average: No qualification
Bowling Average: No qualification
Champion Player: Jake Ryan, 218 points
Craig Baldwin Player of the Year: Grant Walters

Season 2021/22 as a player/ captain will be the toughest season I have had. Due to covid, unavailability and players moving up there were 40 players who had played for M5 this season. There were on average 5 changes per week so to gain stability and consistency in our squad was very difficult at times. We allocated a side of under 14's, under 16's, three or more female players and just a handful of adults that helped fill in for most of the season. first five games of the season we were very competitive and if things went our way, we could have won at least 3 out of 5 of the games but it was just inexperience that cost us in those games. But after that, our squad was filled with 4 adults and the rest under 14's/16s girls and boys so this was very difficult with our batting to bat out the overs and to get a relatively good score.

The positives are that we had a number of girls that I had in my team including Jayde, Muthu, Zoe, Charlee Ryan who played most of the season and Kamryn who played for one game. They were so much fun to play with especially when we were getting beaten that they brought so much positivity in the team. Also, they loved my weekly jokes and saying "Good yourself". They also bowled well, and I was very impressed in their batting when they were batting against senior men. I cannot wait till 2-day cricket is back because these girls will play really well. All the 14 and 16 boys that played this year I was very impressed with them as well like Jake Ryan he has really improved in his batting and the highlight of this season was when he took 5 wickets in a game against Warranwood, Jake Taylor who got bowling figures 3/6 against this season premiers Mt Evelyn. The other major highlight of the season

was against St Andrews when we had 2 fills in from Mazenod Cricket club Andrew Trifilo and Liam Doherty. Andrew made 27 and 2/8 of 7 overs and Liam smashed 117 but unfortunately due to St Andrews last wicket partnership we lost the game.

Unfortunately, M5 did not win a game this season but I don't think it was a wasted season because all the 40 players who played this season had the opportunity to play senior cricket and hopefully, I brought fun and enjoyment into their cricket.

Last of all I want to thank all the 39 players who gave up their Saturday afternoons to help this season.

RDCA Women's B Grade

Team Captain: Jess Mikecz

Team Coach: Sean Meehan

Team Manager: Steve Mikecz

Award Winners: Batting Average: Kamryn Disney, 152 runs, avg 152.00
Bowling Average: No qualification
Champion Player: Jayde Reidy, 267 points
Kristy Disney Player of the Year: Jayde Reidy & Kamryn Disney

What started off as a brief discussion over a drink at Easter time turned into the beginning of Templeton's inaugural women's senior team. Beginning with the recruitment of Jess and Naomi as previous senior players, the team was built on from there with some new players to cricket as well as some of our Stage 3 girls stepping into seniors for the first time. The plan for this year was to build on the season and enjoy cricket; winning would always be a bonus for the season.

This season was a new frontier for senior women's cricket, with the RDCA managing the outer east competition and several new teams being entered into the competition. Templeton ended up in a grade where quite a few of the other teams were sides who were also playing their first year as a senior team.

With a couple of false starts to the season, firstly to COVID, then a bye in the first round (which was then washed out anyway), we finally got onto the park at Templeton Reserve for our first game against Upwey. We were sent out into the field after losing the toss and managed to keep the opposition to 88. Feeling confident we could chase the score, the team chased down the score in 15 overs. First win in the first game was a fantastic result.

Over the next few rounds prior to Christmas, we had mixed results including an epic last wicket, last over win against St Andrews. A comprehensive win over Knox Gardens saw us second on the ladder at the Christmas break. At this point everyone was excited to play each week, including Kamryn, who began with only filling in for someone who was running late and by the following week, was opening the batting. We also had our first mother/daughter partnership in the team with Vicki and Zoe playing together.

After the break, and another delay with a heat off followed with a bye, we finally got back on the ground with another mother/daughter partnership playing together in Raji and Muthu. We continued our form and celebrated our 4th win of the season from 5 games. Unfortunately, we lost the next two games in a row, which left our season in a bit of a slump. We needed to win the rest of the games for the season, as well as have some results go our way to try and get into the top 2 to make the final.

The next game saw our third mother/daughter pairing of the season with Kristi and Kam getting to play together and showing the rest of the Disney family how to bat. We had dominant wins over Knox Gardens and Yarra Junction, which left us third on the table and needing to win in the final game against an undefeated Kilsyth to have any chance of making finals.

After being put into bat, we had a horror start and were 3-5 before we fought back and made 8-91 off our 20 overs. It was a defendable target but we needed to be on the ball in the field. The next 20 overs were the greatest fielding innings I have been involved with at Templeton. The team bowled and fielded fantastically and had Kilsyth 5-18 and restricted them to 56. Unfortunately, we didn't have every result go our way and we finished third and missed finals.

The season was a great result for the team with 7 wins overall. Everyone was involved throughout the year with numerous first wickets for both the juniors and the seniors and plenty of runs being made by all. The Kristi Disney medal for our leading vote getter was shared between Jayde Reidy and Kamryn Disney, who both had a fantastic season. I would like to say a big thank you to all our players, whether you played the whole season or one game, you all made the team what it was and contributed to an outstanding first season of senior women's cricket for Templeton.

A big thanks to Sean who also stepped up as coach for the team and helped those who had never played before. We look forward to next year hopefully coming back better and ready to play finals.

Stephen Mikecz, Team Manager

Junior President's Report

The 2021/22 season was a very pleasing one both on and off the field.

On the field, we were represented by two under 10 teams, three under 12s, two under 14s and two under 16 sides. We also saw our inaugural Stage 1 girls team represent the club, along with our Stage 2 & 3 girls. We featured in a U/18 T20 comp too, taking our total to thirteen junior teams to be one of the strongest in the RDCA.

Our Junior Blasters program was a huge success also. Regularly receiving feedback from parents on how well our co-ordinators interacted with the kids was very pleasing to hear. So, a big thank you to Maxy Taylor, Brodie Stone, Charlee Ryan and Sarah Meehan for making our future Taipans feel welcome and developing important skills.

Off the field, we were still limited early on as to what we could do due to Covid. A Bunnings BBQ again was a big winner. A massive thanks to Kristi Disney for all her hard work in organising the team to raise money for the club. The inaugural Taste of the World night was also a great success. Great feedback from everyone that attended ensures this will become a regular part of the social calendar.

A big thank you to all our sponsors. Clubs cannot operate without them. Your continual support is greatly appreciated. Thanks to everyone that put their hands up to coach, team manage and serve on the committee. And lastly, we'd be nowhere without the efforts of Sean Meehan and Kristi Disney. A massive thankyou to you both.

Overall, another really successful year for the club. Congratulations to the Stage 3 Girls on winning the first flag for the club. A huge reward for Diso and his crew for years of hard work. And congratulations to the u16/6s for going one better than last season and taking out the premiership.

See you all next season,

Steve Tasevski (Esky), Junior President

Junior Team Reports

Under 16-2 Season Report

Coach: Steve Tasevski
Manager: Renee Weidemann

Award Winners:	Batting Average:	Jackson Edwards, 312 runs, avg 52.00
	Bowling Average:	Zarak Durrani, 11 wickets, avg 11.36
	All Rounder:	Jackson Edwards, 457 points

The 2021/22 season was a frustrating one from a team standpoint, but a fulfilling one on an individual level. Through various reasons, our regular XI didn't take the field too often as an

entire group, which made it tough to create continuity, but provided opportunities for others to fill in for us, and they performed amicably.

Each of the boys went to another level in their own development, working hard at their craft at training and transferring that into Saturday mornings and Saturday afternoons. Whilst probably not suited to one-day cricket, the team still had enough talent to make the finals. Hopefully, in the Covid-free future they can adapt their game back to two-day games, working hard on shot selection when batting, and getting more bowling in to work a batsman over.

Overall, an enjoyable year. It's been a pleasure coaching these boys and seeing them grow into the future of Templeton Cricket Club.

A big thanks to Renee Weidemann for managing the side and to all the parents that helped also.

See you next season.

Esky, Coach

Under 16-6 Season Report

Coach: Coady Mitrevski
Manager: Yoga Yogaraja

Award Winners:	Batting Average:	Liam Isherwood, 257 runs, avg 64.25
	Bowling Average:	Krish Meta, 9 wickets, avg 7.78
	All Rounder:	Liam Isherwood, 362 points
	Coaches Award:	Yathvin Yogaraja

U16/6 side had a successful season this year winning the premiership. The team had few mature players with lot of experience, understood the game very well and managed most of the games on their own with very little guidance from me.

Coady Mitrevski was training coach for the season. Ryan Morris and Noah Lanham were captains.

Season started with 11 players in the team. First game was washed out due to bad weather. Temps had a convincing second game winning by 61 runs. Coach of Warrantdyte side made a very encouraging speech to our boys after the game appreciating the way we played the game.

Temps lost the next three games to good teams. Losing some players due to COVID and other commitments was another reason for the losses. These games also exposed a few weaknesses in the side. At this stage we also lost our specialist wicket keeper Anok Miranda for rounds 3 to 9 as he was travelling overseas. Ryan Morris, Cooper Ryan and Yathvin took turns to fill in.

We had some experienced past players Lachy Aka and Lian Isherwood re-join the team at this stage. This created some logistics issues as we suddenly had to split 25 overs between 14 players which left 11 balls per player per game! To gain some more game time we vigorously encouraged players to join senior sides and most of the team members managed to do so. Thanks to all the players who joined senior sides.

Though we had two captains, Liam became the go to person for the side. Team became a well-balanced side, and we won all games after round 5 very convincingly. Players were always very respectful of opponents. I had to intervene on couple of occasions as some of our players were not getting enough batting and bowling opportunities. Due to the losses in rounds 3-5, team was very hesitant to rotate top order batsmen and bowlers. At this age level I expected some of our players to press captains for more bowling/batting time, but they were very hesitant or unwilling.

Though we had a fixed bowling line-up for first half of most games, we did not gain much advantage in the form of wickets. I expected much better accuracy and tactics from experienced top order bowlers. Temps were unable to take 10 wickets in a game until the grand final. Our bowler of the series finishing the season with only 9 wickets in 15 rounds summarises the problem! I have known many of the players since 2014 and was expecting lot more wickets.

Notable bowling performances:

Krish Mehta: 1.2 overs, 4 wickets for 5 runs including a hat-trick which won us the grand final

Lachy Aka: 4.0 overs, 2 wickets for 14 runs in the grand final. He opened the opponents defences in the grand final. Unfortunately, two of the back-to-back catches were dropped during his bowling.

Batting was our main strength with Om and Ryan opening most games followed by Yathvin, Lachy, Liam and Cooper. One of them would fire up and take the team well past hundred runs by the 20th over. This reduced the pressure on lower order where batsmen were able to take their time and play good cricket shots.

Notable batting performances:

Liam Isherwood: Hit a few sixes and boundaries in 20/20 style, helped open up the field and demoralise opposition bowling

Cooper Ryan: I didn't see any fielder stopping the ball when he hit it.

Yathvin Yogaraja: Boundaries through square leg and cover/point sums up the story

Ryan Morris & Om Desai: Consistent opening pair

Other notable performances:

Yathvin Yogaraja: 9 catches and 4 runouts, man with golden arm

Cooper Ryan: 51 rtno against Heatherdale

Liam Isherwood: 54 rtno against Vermont South; 56 rtno against Heatherdale;
3 catches & 3 wickets against Vermont in round 12

Anok Miranda (Keeper): 10 catches & 4 runouts in 7 games

Thanks to Yoga Yogaraja who was our team manager and scorer for the entire season.
Thanks to Ben Morris who did most of our electronic scoring for the season. I was unable to officiate the last few games and Jordan (Noah's dad) filled in the role.

My only regret for the season was having to share 25 overs between 14 players. This became more of an issue when some opponent teams only managed to bowl 20-22 overs in their stipulated time. Many of the top order players move to seniors next year and hopefully it will open more opportunities to remaining players.

Kanurpudur Ravichandran

Under 14-2 Season Report

Coach: Greg Williams
Manager: Damian Taylor

Award Winners:	Batting Average:	Sebastian Pascoe, 271 runs, avg 45.17
	Bowling Average:	Jake Taylor, 10 wickets, avg 9.40
	All Rounder:	Sebastian Pascoe, 366 points
	Coaches Award:	Zoe Vozzo

Our u14/2 side returned two players from last season's team that made the Grand Final. Eleven players came up from our u12/2 and u12/7 sides.

It was a tough season, as a young team it was challenging competing against older sides and balancing our players development. Although our results show 2 wins from 13 games, we should all take pride in that we were competitive in every single game and our players improved as the season went on.

Some of our players season highlights

- Week 2 Jake Taylor scoring a hard fought 10 runs and taking two wickets off two overs.
- Week 3 Jake Ryan cutting loose and scoring 20* not out, deadly onside play.
- Week 4 Oscar Williams scoring 14* not out, he always seems to be in a rush!
- Week 5 Zac Disney smacking 34* not out and Aum taking 2 wickets against Seville the Grand Final winners.
- Week 6 Jayde Reidy bowling 4 overs of heat and taking 1 wicket
- Week 7 Zac Disney carving 28 runs with some great drives.
- Week 8 Seb Pascoe hitting 23* not out
- Week 9 Seb Pascoe retiring and then returning to hit the winning runs scoring 45* not out.
- Week 9 and 10 Zoe Vozzo with some great batting, retiring not out both weeks and scoring 21 runs.
- Week 10 Jack Taylor excellent wicket keeping allowed no byes. Extras were a pain point this season
- Week 11 Drew Baker bowling 2 overs and taking 1 wicket.
- Week 11 Luke Moore with some great stroke play to make 17* not out.
- Week 12 Aahan Kamdar strong bowling 2 overs and taking 1 wicket

- Week 12 Jake Taylor in his standard aggressive style blasting 16*
- Week 12 Tom Vozzo opened the batting many times this season, scoring 8 valuable runs in our victory.
- Week 13 Jake Reidy bowling 3 great overs for 9 runs.
- Week 13 Aahan with some great stroke play scoring 17*
- Week 14 Aahan bowled a lethal opening spell on a very wet track in Lilydale.

There was so much improvement in all our players, I look forward to seeing them grow and continue their cricketing career.

A big thank you to our team manager Damian Taylor who gets everything organised and running smoothly, he did a great job.

Thanks to all the parents in particular Joel Taylor, Michael Vozzo and Jason Disney who helped out again and again.

Lastly, I would like to recognise Kristi Disney, Steve Tasevski and Sean Meehan who provided great support during the season, they do so much to make our club successful and allow us to play.

Greg Williams, Coach

Under 14-6 Season Report

Coach: Zane Tasevski
Manager: Lucia Hetherington

Award Winners:	Batting Average:	Harjas Saini, 152 runs, avg 19.00
	Bowling Average:	Jai Stone, 7 wickets, avg 14.17
	All Rounder:	Kye Tasevski, 263 points
	Coaches Award:	Cooper Lynch

Overall, a tough year for the boys, with only 2 wins but they worked well as a team. Each and every one of them showed improvement over the season, and most of all had fun and enjoyed their cricket.

A standout for me was watching Hajas make 44 and taking 4/16 against Wantirna South, he showed such determination and really helped the team get over the line for our first win.

A big thank you to Lucia who was a standout team manager and the support of the parents week in and week out was fantastic to see.

The boys showed great sportsmanship both on and off the field, never letting a loss get them down and out. It was an absolute pleasure to coach this group of boys this season.

Zane Tasevski, Coach

Under 12-3 Season Report

Coach: Steve Tasevski
Manager: Shawn Newton

Award Winners:	Batting Average:	Adam Veljovic, 116 runs, avg 23.20
	Bowling Average:	Kye Tasevski, 7 wickets, avg 10.29
	All Rounder:	Adam Veljovic, 256 points
	Coaches Award:	Jack Newton

The 2021/22 season was a rewarding one from a coaching perspective. It's always a pleasure to work with a team of great listeners. Watching the boys put in to practice on match days what they were working on at training during the week is a credit to every one of them. Whether it's a minor tweak of a bowling action or a small correction of their batting stance, to see the gradual improvement throughout the course of season is testament to how much they want to learn.

The season from a results point of view was a little bit up and down. Good wins against sides at our level, but disappointing losses against the top couple showed there was more work to be done.

Overall, a year of learning and development that the boys can take into their future years with the Templeton Cricket Club.

Also, a huge thanks to Shaun Newton for all his efforts to make things run smoothly and Nick Veljovic for scoring all year.

Well done to the Stage 3 girls and 16/6s on their well deserved premierships.

Steve Tasevski, Coach

Under 12-7 Season Report

Coach: Mark Howley
Manager: Nicki Ryan

Award Winners:	Batting Average:	Shlok Thaker, 119 runs, avg 59.50
	Bowling Average:	Dheer Chaudhari, 11 wickets, avg 8.73
	All Rounder:	Kobe Ryan, 277 points
	Coaches Award:	Mitchell Ferguson

This season's under 12-7 Boys team was comprised primarily of the players from the previous season's U12-9 with the addition of three players from last season's U12-8 team. Many of the boys have played together for 2 or 3 seasons and they have formed strong friendships.

We started the season strongly with an away win against Warrandyte in Round 2. Kobe and Dheer led the way with bat and ball.

In Round 3, we ground out a tough win over Montrose at Milpera. Fergus, Shrey, Kobe, and Oli all putting in strong batting performances.

This was followed up strong wins against South Croydon, North Ringwood and Boronia. At the mid-season break, we were sitting unbeaten in second position.

Our winning ways continued after Christmas, with a win over beating St Andrews at home in Round 8. Shlok Thaker starred with the bat, making an unbeaten 20.

We had our first loss for the season away against Montrose in Round 10 with a COVID-depleted team (8 players) falling 3 runs short in the run chase.

Our second loss came the next week, when South Croydon chased down the winning runs with an over to spare.

A strong fielding performance and stellar run chase guaranteed a win over North Ringwood in Round 12. Kobe, Oscar and Dheer put in fine performances with the bat while, in the field, Fergus Gibson and Mitchell Ferguson contributed 6 run-outs between them.

We followed that up with a win over an undermanned Boronia in Round 13.

In last round, we finally came up against the unbeaten Mitcham, who had been sitting above us in first place all season. Despite a superb 33 by Kobe with the bat and economic bowling from Oli, Riley, Dheer and Rhys, our 89 runs were never going to be enough. Mitcham cruised past our total with 4 overs to spare.

Our loss to Mitcham and a strong win from Montrose saw us drop to third place for the first time all season. This meant we'd have to face Montrose away in the semi-final.

In the semi-final, our performance with the ball was brilliant. Rhys, Dheer and Fergus starred with ball in hand and our fielding was tight - restricting Montrose to 110 on a small, fast ground.

Unfortunately, our nerves got the better of us in the run chase.

The loss of our star opening partnership for 0 and the series of run-outs which followed thereafter, we were always on the back foot. Shlok anchored the innings as best he could, but wickets continued to fall around him. In the end, we fell well short.

Despite the result in the semi-final, the boys can hold our heads high. The team bonding so well over the season, the boys have continued to hone their cricket skills and much fun was had by all. They truly are a pleasure to watch and to coach.

Highlights of the season include:

- Kobe Ryan's 33 against Mitcham.
- Oscar Marshall's innings against North Ringwood in Round 12
- Xavier van der Liit's first wicket in Round 4.

A personal thanks to Nic Ryan and Kristi Disney for all their help during the year. Thanks also to all the parent for their support and assistance with scoring. Special thanks for Chris Munro for filling in for me in Rounds 10 and 13.

Mark Howley, Coach

Under 12-8 Season Report

Coach: Andrew Hathaway
 Manager: Adrian Buras

Award Winners:	Batting Average:	Ranbir Khanna, 90 runs, avg 18.00
	Bowling Average:	Connor Bruhn, 8 wickets, avg 8.75
	All Rounder:	Krish Kothare, 158 points
	Coaches Award:	Arjun V

Like previous seasons the majority of the under 12's could have played under 10s this season with only 1 of the team in their last season of under 12s. With most having come out of under 10s this was their first foray into competitive cricket and given they were such a young side, you could have been forgiven for thinking they would not have been competitive, this was far from the case. With the delayed start the boys hadn't had much practise leading in but you wouldn't have known it from the start of the season winning the first 3 games. It was clear from the start that the boys attitude was A1 with support of every player apparent regardless of the scoreboard or individual achievements. I was particularly proud of feedback from an opposition coach at the end of the season around the boys support for each other and spirit in which they played the game.

Due to the delayed start and a few opposition forfeits only 4 games were played by mid-season where we were 3-1 and sitting second on the ladder though we hadn't played any of the top sides save the last game loss where despite a great effort, we were soundly beaten.

Post the midseason break the team's form was a bit patchy with a few losses in a row but you couldn't fault the effort. The highlight of the season was leading into the last two games where we needed to beat the top two teams, one of which (East Ringwood) having easily accounted for us before Christmas. The boy's effort in that second last game was astounding particularly in the field with 3 direct hit runouts and pulling off a massive turn around to win the game.

Entering the last game of the season against the undefeated top of the table Heathmont, a win would see us playing finals. Our attitude and effort was even better than the previous week and we passed 100 runs for the first and only time of the season. With them being a batting team and us a bowling team the game was interestingly poised. After the first over of their innings we were in the best position possible after dismissing one of their best bats in the first over. Unfortunately, a close call didn't go our way in the second over which probably would have seen us winning the game however the boys never gave up through the whole innings even as they chased down our total. The other result that had to go our way unfortunately didn't and we fell short of playing finals.

The highlight of the season for mine was each young man showing vast improvement over the season and contributing every week despite the scoreboard. Many of the boys struggled to make the end of the pitch at the first training session but by the end of the season all boys were capable of taking wickets and bowling tight overs.

A special thanks to Adrian for his team management / co coaching skills throughout the season, to Vel and Muthu for scoring throughout the year and to all the parents who supported (vigorously) the boys through the season.

Go Temps,
Andrew Hathaway, Coach

Stage 3 Girls Team Report

Coach: Jason Disney
Manager: Kylie Reidy

Award Winners:	Batting Average:	Ava Rebeiro, 209 runs, avg 104.50
	Bowling Average:	Jayde Reidy, 13 wickets, avg 10.31
	All Rounder:	Jayde Reidy, 398 points
	Coaches Award:	Muthu Velmurugan

The 2021/22 Season had always shaped as a big year for our girl's cricket; however, I did not expect such a nail-biting finish to the season!!

Our key focus for the season as it has been in previous years was to continue to improve and develop each of the girl's respective skills, contribute and play their role in the overall team, but most importantly enjoying their cricket and having fun.

Early signs from the first few games really did showcase that we had an extremely strong overall team with contributions and excellent performances from all girls. We ended up going into Christmas undefeated with the most pleasing aspect being how well the girls were all working as a team.

We had a few girls play representative cricket over the holiday break which was pleasing to see them recognised and rewarded for all their hard work and high performances. Well done girls!

The new year saw the girls continue to play great team cricket which led to the team being undefeated for the home and away season. This was a fantastic effort in a very competitive level in the top grade of girl's cricket in the RDCA. Well done girls!!

The final series was always going to be a tough one and very competitive. Our girls put in a dominant performance in our semi-final win over Heatherdale. This set up what was to be a massive Grand Final versus Chirnside Park/Warranwood.

In the Grand Final, we bowled first keeping Chirnside Park/Warranwood to 102 which was a great effort from our girls against a very good batting line up. All the girls bowled well with the best of our bowlers being Ava Rebeiro (3/14), Zoe Vozzo (1/13), Kaitlyn Clark (1/16),

Kate Montgomery (0/9), Muthu Velmurugan (0/5), Jayde Reidy (0/13), Alana Bond (0/8), Emma Bavage (0/8), Kamryn Disney (0/12). Em and Kam also did a great job behind the stumps not letting through any byes.

Our batting performance was just huge with all the girls playing their role and giving their best effort. Ava (29 not out) & Jayde Reidy (21 not out) were unbelievable. We kept edging closer to our target with Kam (5), Zoe (6), Kaitlyn (6), Alana Bond (9) all making important runs under enormous pressure!! We needed 2 runs from the final ball of the match to win and 1 run to draw, with Jayde and Ava out in the middle. Amazingly the girls made 1 run which meant it was a draw and we were joint Premiers!! Just an unbelievable game and finish to the season. Well done to Ava for her player of the match award also. So proud of all the girls.

To go through the season undefeated was such a remarkable effort from all the girls, you should all be so proud of what you achieved. In saying that, I must admit I am prouder of the girls and the way they played as a team, enjoyed each other's company, built friendships, and learnt that success is not based on wins and losses.

There was never a shortage of banter, jokes, gossip, and constant waffling - from mainly the girls!! I don't think I have ever been given as many nick names, attitude, harassment, heckling in my time as a coach!!! I loved every minute of it!!

Well done to all award winners – club awards, All Star team players, Jayde Reidy Best Female Player – Stage 3 RDCA, Alana Bond – Templeton - Renee Drury Club Champion. A big thank you to Kylie Reidy our Team Manager for all her efforts and support throughout the season, you always do an amazing job and make my life easier, so thank you.

To Dan Clarke, Michael Vozzo, thank you for all your help and support at training, it was greatly appreciated.

Thanks to all the parents for all your support and assistance over the season. We were truly blessed to have such amazing parents always willing to help when and where required. Especially early on a Sunday morning after me being a bit dusty from the night before!! Thank you to Arron Vinen and Warwick Armstrong for coaching our Stage 2 and 1 girl's teams and all your efforts and support.

To Kristi Disney, Steve Tasevski, Para Ekanayake, Sean Meehan your collective efforts and support has really helped put our girls/women's programme in a great place to continue to develop exceptional talent and people. A big thank you.

Finally, to my exceptional group of young women and up and coming stars – Kamryn (thanks for leading the team, you did a fantastic job), Jayde, Zoe, Emma, Ava, Charlee, Kate, Muthu, Kaitlyn & Alana the biggest thank you to you all for all your energy, commitment, efforts, support, waffle, and friendship. You're all unique and special individuals who deserve the best.

Jason Disney, Coach

Stage 2 Girls Team Report

Coach: Arron Vinen
Manager: Amanda Bond

Award Winners:	Batting Average:	Alana Bond, 230 runs, avg 32.86
	Bowling Average:	Alana Bond, 10 wickets, avg 10.10
	All Rounder:	Alana Bond, 410 points
	Coaches Award:	Meesha Kothari

The 2021/22 Season of Stage 2 Girls Cricket brought myself plenty of joy throughout the Season from the first training session all the way through to our final game of the season.

We had fantastic leadership from our leaders in Sarah Meehan (Captain) & Alana Bond (Vice Captain). These girls really bought the team together as a tight knit group which was absolutely fantastic. Sarah & Alana selected the batting and bowling orders rotating it all around so all the girls got a go!

I said at the start of the Season that the Girls needed to do the basics of Cricket and do them well, improve their skill set each week and most importantly have fun whilst playing. All of which I believe we achieved.

Like all teams, we got washed out for Round 1 and after not winning a game in the previous Season, we came out with a BANG for Round 2 winning our first game! The entire team were so happy to finally get that first win in 12months. We lost the next 2 games but we were competitive, the last game before the Christmas break, everything we have been working just clicked and we got another win on the board. I may have shed a happy tear. It was so good to see the girls finally put an almost perfect game of Cricket together with the highlight of Vice Captain Alana Bond making 50 not out.

After the Christmas break all refreshed we hit the ground running and got another win on the board and everything was looking bright for the back end of the Season. Unfortunately, we lost a couple of games in a row but we were very competitive in each game which put us on the back foot for Finals but the Girls continued to put what we had been practising at training into games and it was pleasing to win 2 of the last 3 games of the Season.

We finished the Season with 5 wins and just missing out on Finals so well done to all the Stage 2 Girls.

I would like to thank Amanda Bond for putting her hand up as Team Manager. It is a thankless task and I am very appreciative of all your work. Thank you to Glen Bond for assisting with training and making yourself available to help out with the indoor session we had.

Thank you to Caydn Gottliebsen for coming on board as Assistant Coach this season. For a young bloke to put his hand up and help is a wonderful attribute, and all the Girls enjoyed your coaching and help in making them better Cricketers. It defiantly made my role a lot easier so thank you very much mate.

Thank you to all the Parents for getting the kids to training every week and setting that alarm for the early Sunday morning games.

Arron Vinen, Coach

Stage 1 Girls Team Report

Coach: Warwick Armstrong
Manager: Erin Ascenzo

Award Winners:	Batting Average:	Holly Allen, 87 runs
	Bowling Average:	Holly Allen, 9 wickets, avg 12.67
	All Rounder:	Holly Allen, 212 points
	Coaches Award:	Amalie Ascenzo

The 2021/22 Season of the Stage 1 Girls Cricket brought myself a new chapter in my life with plenty to learn and enjoy along the way.

All the girls were very excited to get the season started. Having Grace and Holly in the team made thing a little easier with their previous experience with playing cricket, both girls were able to help out and encourage the younger girls. I believe the younger girls really appreciated the older girls there as they could see where they could go.

We had a great start to the season a couple of wins under our hats which the girls were really excited about, even though the rest of the season we didn't continue our great start the girls enjoyed themselves through the season.

My main goal for the season was to get the girls to work together and have a lot of fun. Which I believed we all had.

The parents were all a great help with helping out with training get the girls setup and warmed up before each game. A huge thank you to Erin for keeping us all up to date with game location and times. Big thankyou to Esky for filling in as coach when I was busy with work and getting us fill in players when we were short and also Kristy for all her support.

A big thankyou to all the stage 1 girls for a great season and for letting me be your coach.

Warwick Armstrong, Coach

Under 10 Mini Bash Templeton Blue

Coach: Paul Denton & Ray Baird
Manager: Nicole Denton

The under 10 blue side for 2021/2022 was made up of boys and girls of varying experience and cricket ability.

Our objective at the start of our year was for all concerned to learn the art of playing our great game of cricket but more importantly to have fun and enjoy the game and friendship with teammates.

In under 10 we do not play for premiership points or partake in finals which I believe is a good thing in this age group.

We began the season well, being very competitive and as the year progressed the improvement in the boys and girls was very noticeable both with bat ball and fielding.

Each player batted in a different position in the batting order in each game and the bowlers bowled in different positions each week. Those who batted high in the order would then bowl later in the innings and if you bowled later, you would bat higher.

All players had equal batting and bowling time which enabled them to demonstrate their strengths and weaknesses in all aspects of the game including fielding and wicket keeping as each player had the chance to keep wickets in at least one game.

All players performed to the best of their ability in all aspects of the game and became a very competitive side over the season.

Many thanks go out to Ray for his assistance throughout the year and also to Nicky in her role as team manager assuring everything ran smoothly.

Last but certainly not least to the parents who assisted all year in different ways whenever asked,

Hopefully there will be some very good cricketers who will represent TCC for many years to come.

Paul Denton, Coach

Under 10 Mini Bash Templeton Red

Coach:	Ekant Kamdar
Manager:	Raji Jayakumar
