## **PRESIDENT'S REPORT**

In 1983 Templeton Cricket Club was born, we are still in our infancy and for a club twelve years young we have performed wonderfully. Throughout the R.D.C.A we play against teams formed fifty, eighty and even one hundred years ago. These clubs have years of tradition, great depth of past players and cultures which evolve over time.

For a club so young our culture is evolving, our tradition building and our success ever increasing.

I commenced my report in this vein in an endeavour to encourage every member to reflect on what we have achieved in such a short time frame. It is easy for us to view our competition with envy, however when we put all things into their correct perspective we are an extremely successful club.

In season 93 / 94 we fielded eleven teams, ten of which made the finals. This year we put ten teams into play for two premierships and two runners up, giving T.C.C many premiership flags in twelve seasons - a fabulous effort.

We should be proud of our club and we must treat T.C.C with the respect and care it deserves.

The season just gone presented us with enormous pleasure mixed with trauma and emotion. The former is what all team sports are about, the latter brought on by selfish individuals who exhibit no respect for the club and sadly no respect for their colleagues or themselves. Hopefully we have culled this type of character out of our club which will create an even greater sense of pride within the ranks.

Seeing the happiness members and visitors enjoyed on grand final night was a great thrill. Players of premiership teams, runners up and others "lapped up" the adulation and congratulations of all. That night will never be forgotten.

Throughout the season our senior eleven's were mostly competitive with the first in the four two games prior to the finals, we know all about the seconds and thirds, the fourths runners up, the fifths just missing out and the sixths badly undermanned.

The juniors once more performed very well, under 16's and 14's just missing out on flags and the under 12's showed great improvement throughout the year.

As the nineties progress, the administration of any sporting body becomes harder. Expenses rise continuously and income never exceeds costs. This season we found it almost impossible to create sponsorship and it wasn't for great support from Wally (Boococks Meats Wantirna) and Michael Goyne, our situation could have been less buoyant than the final wash-up.

Sincere thanks to Scott Simmonds, Ray Megarry, Ken Colwell, Michael Goyne, Terry Shanly and John Nightingale for their tremendous contribution to our successful year and to Paul Owen for completing the thankless task of Chairman of Selectors.

I thank the executive members for their hard work and support during the season.

The future of the club is in our own hands. There is a need for some new blood on the executive committee to instill new ideas, thoughts and direction. The present committee have served you well, however like all management teams, people retire, suffer burnout and alike, this creates opportunity for others.

Thankyou Templeton Cricket Club for all the pleasure you have given me and my family and I wish the club every success in the future.

Murray J. Parker

**GENERAL SECRETARY'S REPORT 1994/95**

It gives me great pleasure to present the Templeton Cricket Club Inc Annual Report and Financial Statement for season 1994/95, at this our Twelfth Annual General Meeting.

I take heart that all senior and junior sides were extremely competitive during the season, with six of our ten sides making the semi-finals, three senior teams and two junior teams making the grand finals, culminating with the A2 and A3 senior sides achieving the ultimate goal in their division.

The on-field accomplishments, especially with our junior players gives us all great encouragement in looking forward to further success. Scott Simmonds and Dean Morrison deserve well earned praise for their continued efforts on behalf of the club and it's members.

The off-field success is sometimes difficult to gauge, but under the leadership of hard working club president Murray Parker, the executive were a most dedicated team, and I thank them all for their sustained efforts.

Unfortunately, it was apparent that several players had the perception that undisciplined behaviour (both on and off the field) will be tolerated by the executive committee. I trust the action that was taken with these players gave a clear indication of what is expected from members of Templeton Cricket Club.

A number of initiatives must be taken by the committee before next season commences. Improvement to the training net area by the installation of a barrel drain and ensuring that the surrounds are level. The bowling run-ups at Templeton Reserve also require further attention, building on the excellent work of Murray Parker during last season.

In the main, Templeton players represented the club with distinction, although one or two players were mentioned in umpires reports, these players modified their behaviour after being advised of the report.

I congratulate all individual club trophy winners, particularly those players who achieved Association success, and of course, the members of the A2 & A3 Premiership Teams. WELL DONE FELLAS !. I look forward to seeing all players again next season.

NORM BARNFIELD, CLUB SECRETARY

## TREASURERS REPORT

The following 1994/95 financial statement has been prepared on an accrual basis.

The Club's financial year actually finishes on 30 April however, as the Presentation Night was held in May it was decided to include the income and expenditure associated with this function in the 1994/95 financial statement. This allows income and expenses to be matched against the year in which they were derived or incurred.

Although the final balance looks quite healthy there is a known expenditure which was budgeted for in 1994/95 but which in fact will actually occur in 1995/96, in fact prior to the commencement of next season.

As you are aware the Cricket Club and the Wantirna Football Club agreed to extend the veranda out from the Club rooms to give more shelter to players and supporters. The cost of this to the Cricket Club will be in the vicinity of \$3,500.

If you deduct this amount from the balance it takes the starting balance for 1995/96 down to around \$3,500. A balance that doesn't leave much room to manoeuvre.

It will therefore be paramount for subscriptions to be paid as early as possible.

This plea is reiterated each year yet there are people, usually the same ones, who leave it to the last possible moment to pay or make arrangements to pay over an extended time.

The Committee faced a number of difficulties this year in meeting its adopted budget:

- \* it was budgeted that there would be two under 12 sides. Unfortunately, due to numbers this was reduced to one.
- \* A larger number of junior players played senior cricket, which is great for the Club, but indicates that senior players were down compared to previous years.
- \* Early in the season the Club lost the services of Nathan Small. Nathan had planned great things in the fund raising/social events as well as the canteen. Unfortunately we were unable to replace Nathan and many of the things he had planned did not proceed.

Thanks must go to Murray Parker who managed to keep the canteen operating and for organising a successful chocolate drive.

Next season will bring different challenges to the incoming Committee. It will be imperative for the Committee to continue to strive to build up financial reserve to meet major expenditure in the future. The cricket pitch covering at both Templeton and Milpera will have to be replaced in the next year or so and greater expenditure on equipment will also be required during this period.

Finally congratulations must go to Murray and his Committee for a job well done. To meet all its financial responsibilities whilst keeping subscriptions as low as they have been is a terrific effort. The low level of subscriptions may not be able to be maintained unless greater income is derived from social events, sponsors and other fund raising activities.

Barry R McClure  
Honorary Treasurer.

**REGISTRATION SECRETARY'S REPORT 1994/95**

In season 1994/95, the Templeton Cricket Club fielded six (6) senior teams, three (3) junior teams and a veterans team. At the end of the season, the club has over one hundred (100) players registered with the Ringwood and District Cricket Association.

The club has come through the season with very few fines in relation to Match Result Sheets. This is a credit to the senior team captains and junior team managers and I thank them for their efforts.

A concern for the future of cricket, not only at Templeton Cricket Club but also Victorian and Australian wide, is the declining number of juniors that play competitive cricket. The issue needs to be addressed by our club and hopefully the number of junior teams will increase in the coming seasons.

From a First Eleven viewpoint, the introduction of some quality players and continual improvement of our existing young players will result in more first eleven appearances. All members should support the endeavours of the club in this regard.

**CHAIRMAN OF SELECTORS REPORT SEASON 1994/95**

Overall, season 1994/95 proved to be successful for our senior teams. At the end of the home and away matches, four sides qualified for the finals. Three Grand Finals produced two premierships, with A2 the and A3 teams being victorious. Special congratulations to Ray Megarry, Ken Colwelll and all the players from these two teams.

During the season, injury and unavailability made the job of the selectors much harder than we would have hoped, it was not unusual to have ten or more players unavailable at any point in time. Despite these limitations, competitive teams were fielded most of the season. I acknowledge the support provided by our under sixteen players and some under fourteen players in making themselves available for senior cricket.

The aim of every player at Templeton Cricket Club should be to play the highest possible standard of cricket available. Unfortunately this is not always the case and I believe that this attitude is harmful to the longterm success of the club and the individual.

A challenge now faces the group of good young players at the club. Only a combination of fitness, solid training and a positive mental attitude will enable an individual to take the huge step up to First Eleven standard. Opportunities will be provided if you are committed to the task.

A great deal of thought went into selection during the season and all the captains or their representatives are to be congratulated on their efforts. I commend the captains on their willingness to give young players a taste of cricket at the higher levels.

I wish the players every success for next season.

CLUB COACH REPORT - SEASON 1994/95

Firstly, congratulations to Ray and the seconds, and Ken and the thirds on their Grand Final wins, the highlight of the season. Also I would like to congratulate the fourths, playing of in the "A-4" Grand Final and the fifths, playing in the "C-1" Semi Final, a fantastic year for both sides.

The firsts had a mixed season, with three rounds to go we were well placed in the four, the last three games saw us drop right off the pace and miss out on competing in the finals.

If three or four players can improve on last season, and if some of the under sixteens come through the ranks, and as long as all existing players play next season, and hopefully we can pick up one or two players that will make the firsts, the team should have a big chance of playing in the finals.

Thanks to Martin Wood for all his help on the training track and the members of the Selection Committee led by Paul Owen, a job very well done. A special thanks to Ray (Gorgs) Megarry for his support, Ray's main object as seconds captain was to push players into the firsts, his insight made my job very easy at selection meetings.

I would also like to thank my wife Deb for her support, it makes your job a lot easier when you have support from home.

ALL THE BEST TO EVERYONE FOR SEASON 1995/96

*SECOND ELEVEN CAPTAINS REPORT - SEASON 1994/95*

The year was successful and enjoyable for all who played in the seconds during 1994/95.

A lot was learned from last years Semi-final defeat.

The seconds had a *catch cry* during the last four games of the season of "putting your hand up and not letting someone else do the work" - As they say the proof is in the pudding.

Several outstanding performances occurred during the year, with most rewarded with trophies - I would like to highlight some that will get that recognition.

- \* Cockers catch vs East Ringwood
- \* Paul Owens catch vs East Ringwood
- \* Paul Owens pull shot vs East Ringwood
- \* David Parkers hand vs East Ringwood
- \* The win against East Ringwood
- \* Willo's "patient" innings vs Bayswater Park
- \* Brett Keys catch vs South Ringwood
- \* Nick Lines hand vs Chirnside Park
- \* Grumpies catch vs South Warrandyte (Semi Final)
- \* Stingers catch vs South Warrandyte (Semi Final)
- \* Chris Vorwerks hand in the Grand Final
- \* Work done by Murray/Norm/Barry and the committee
- \* Larry Johnston - "Enough said"

The future looks good with several great talents emerging this season. Steve and Craig Johnston, Sam Bates and Paul Taylor just to name a few. I think everyone knows my opinion of Stu Simpson and I wish him every success in the future.

The success gained this year by the two's & three's has to make those players, and others, emulate that feeling again preferably in the highest possible grade.

- \* To Ken Colwell and his team - "A fantastic win"
- \* To Scott - Thanks for allowing the qualified first players to play in the two's for the last home and away game.
- \* Simon Denton - Thanks for being the 12th man during the finals. - from all the two's.
- \* Thanks to all the seconds players during 1994/95
- \* To Cockers for a great effort in the Grand Final
- \* Thanks to Nick Lines for your input and help
- \* To Templeton Cricket Club - Thanks for your friendship, wobbly legs and four (4) very enjoyable years.

GOOD LUCK,

Ray Megarry,  
Seconds Captain (Grade A2).

THIRD ELEVEN CAPTAINS REPORT - SEASON 1994/95

Congratulations to all concerned for a job well done!.

To even have made the finals was a remarkable achievement, especially after a tardy start to the year, let alone "get up off the floor" in both finals to win the flag.

It just goes to prove what pressure and a never give up attitude can do.

The year was highlighted by contrasts (strangely enough both against the same side, St Andrews) - 350 runs was never going to be enough! - and 112 was always going to be plenty.

The thirds this year was a well balanced even team, with everyone contributing at some stage, this is why I'm reluctant to name too many individual performances, however it would be remiss of me not to congratulate Keith Smith, not just on his Grand Final performance, which was tremendous, but also on the whole year.

Dean Morrison's aggression in the semi-final resulting in a six wicket bag and the emergence of Craig Johnston as an opening batsman were also highlights.

Special thanks to the senior players who at various times and for varying reasons contributed to the thirds victory, Keysie, Woody and "apparently" Glenn Leonard.

With the seconds and thirds winning flags and the injection of young players from a very strong under sixteen side the future looks bright for Templeton Cricket Club and I believe a senior flag is on the cards next season.

Good luck and remember "always bowl at the stumps".

Ken Colwell,  
Third's Captain (Grade A3).

FOURTH ELEVEN CAPTAINS REPORT - SEASON 1994/95

Congratulations to players from the seconds and thirds on their Grand Final success, it was a great achievement and both of the wins were gutsy efforts.

I also congratulate the members of Terry Shanley's team for having a wonderful season, unfortunately they lost in the Semi to the eventual Grand Final winners.

Now, what can I say about the fourths! we had some memorable wins and some not so wonderful losses, but all the same the boys enjoyed a successful year with most players "getting a go" at either batting or bowling which gave them an opportunity to show what they could do.

Some players in the club would say we did not field a strong batting side, but we had plenty of fifty plus opening partnerships from Norm (Jurassic) Barnfield and Gary (Basher) Peters, Luke (Big Boy) Flintoff bowled well all season and was the winner of the R.D.C.A. bowling averages.

The players compiled a good score on the majority of occasions, but a couple of times we let ourselves down after good start! All I would like to say is that we deserved to make the Grand Final, but things did not go well for us on the day and East Ringwood deserved the win.

Thanks to Norm( Jurassic) Barnfield for his assistance, Brett (Mossie) Morrison for his competitive aggression, Leigh (Lethal) Corcoran for some marvellous catches, Matt (Mattie) Barbutto for his consistent batting performances, (maybe if Mattie was over his glandular fever the Final could have turned out differently), Gary (Basher) Peters for his consistent year batting and bowling, and to all the other players who joined us in the fourths throughout the season, we enjoyed your company and we intend to go one better in 1995/96.

Have a restful off season because we will be "kicking butt" on the cricketing field during 1995/96.

Michael Goyne,  
Fourth's Captain (Grade A4).

FIFTH ELEVEN CAPTAINS REPORT - SEASON 1994/95

Firstly, I would like to congratulate Ray Megarry and Ken Colwell on the seconds and thirds premierships. It was a great effort by all concerned when you consider that both teams had to beat undefeated sides in the finals to win.

Well, the fifths had a magic start to the season by winning our first two games outright, which really had us in a good position all year, allowing us to finish on top of the ladder at the end of the home and away season. We had a blend of experienced players and the young brigade from the juniors, which complimented each other well.

From the juniors, I would like to congratulate P.T. (Paul Taylor) on his century against Boronia, his first in any standard of cricket, which I think, gave him the confidence to go on, as he eventually played some games in the "firsts" before season's end. Also Aaron Vinen from the under fourteens played with us as a keeper near the end of the season (and kept beautifully). He has a big future in front of him.

Unfortunately, we lost our Semi-final to Ferntree Gully (Premiers) which was extremely disappointing, as we had beaten them easily just two games before the finals.

I would like to thank Wayne Halbert (Vice Captain) and Graham Brookman for their help throughout the season with the mundane things such as putting down the mats, setting out the cones, packing up the kits etc, as we got very little help from the younger players, who seem to think that all they have to do is turn up and play. If the younger players had Brooky's enthusiasm, teamed with their own natural ability, they would go a long way.

Finally, I would like to congratulate Rob Norton on his hat-trick against Scoresby, a great effort against any opposition.

Hopefully, the Fifths can take that next step next season and bring home the flag.

Terry Shanley,  
Fifth's Captain (Grade C1).

*SIXTH ELEVEN CAPTAINS REPORT - SEASON 1994/95*

The Sixth's eleven had a long and frustrating year, dropped catches, short numbers and people not turning up for the second week of a match etc, made it a hard season for those in the team.

On the positive side I would like to thank Jim Potts, Ian Wood and Gary Caulfield ( who came out of retirement) for making my job a bit easier.

To Gary Pik, Daisy Morrison, Alex Small, Peter Fernando, Wayne Ferguson etc, thanks for putting your heart and soul in each week. I'm sure with this commitment and if a few players such as Donja can be picked up the sixth's could be a competitive unit.

Whilst we had a frustrating season I'm sure that if we had held our catches (an average of ten dropped catches a game) and a more balanced side, we would have had a more successful year.

The club and the players must now decide if its worth fielding a sixth side next year, and if so, must show a genuine commitment to make the team competitive on the ground.

To the Seconds and Thirds congratulations on winning the flag, to the Fourths and Fifths, my commiserations.

As for my own future, who knows, as David Lavoie says "crickets a funny game".

John Nightingale,  
Sixth's Captain (Grade C3).

VETERAN'S REPORT - SEASON 1994/95

Following our very successful year last season finishing in second position, and missing out in the Grand Final by just one run. We came into the 1994/95 year looking forward to going the extra step and promotion into the First Division.

The year commenced with a win over Eastfield, however, wins would prove to be few and far between. The loss of many key players proved to be our downfall, players the calibre of Phil Brewis, Barry McClure, Trevor Tormey, Eddie Hicks and Terry Andrews were all sadly missed at different times throughout the year.

It wasn't until we managed to recruit our latest member Graeme Brookman, that we were able to get back on the winning track, unfortunately, very late in the season.

Next season we must recruit players from within the club to bolster our stocks and once again become a force within the veterans competition. Any player who is eligible for veterans, ie forty years of age, please consider Vets as an alternative to playing on Saturdays.

In conclusion may I congratulate all trophy winners on their efforts during the season, and also to the Premiership sides, well done.

Last but certainly not the least, thank you to all who assisted with the veterans during the past year.

Paul Denton,  
Veterans Co-Ordinator.

JUNIOR ADMINISTRATOR'S REPORT 1994/95

I remember when I was typing this report last year, we had two premierships and all seemed promising for the future of Templeton Cricket Club. Well I am glad to say that the club continued to go forward in season 1994/95. Whilst the juniors did not achieve the material signs of success that we achieved last year, I believe we are in a very sound position to keep marching on.

The success of the u/16's and u/14's was an obvious highlight of the season, but there were many others that are worth a mention. The continued presence of juniors in the senior sides along with fine performances within the junior ranks ensures that Templeton juniors have been amongst the most talented in the association. This was typified by Mark Wadsworth's selection as captain of the carnival side that won the inter-association competition over christmas. He was joined in that side by Aaron Vinen and to both these boys goes the clubs sincere congratulations.

To reach the Grand Final in any sport is a magnificent achievement and I am very proud of the u/16's and u/14's who reached the Grand Final for the second year in a row !!!  
Whilst the results were not how we would have liked, the fact remains that the boys made it and they should be very proud of themselves.

A special mention must go to the u/12's, whilst on the surface it appears that they did not have the best of seasons, all concerned know of the improvement in every boy in that side. To have a group of boys playing in DIVISION 1, when only a handful of them had played cricket before, and still be highly competitive every week is a marvellous effort.

CONGRATULATION'S BOYS !!!!!

A big thank-you must go to all the parents who assisted me every Saturday morning and allowed me to watch all the boys and not umpire. For this I am very grateful. A special thanks must go to the scorers who made my job of compiling averages a lot easier.

Finally I would like to thank the committee for all their support over the past season. This made a time consuming job all the more easier.

All the best to everyone for the winter break and I hope to see you all next season.

## UNDER 16 TEAM MANAGERS REPORT

As with all junior teams there is a change in players each season as some progress to senior status and some progress from the under 14's.

This season Templeton was lucky in that about half of the victorious under 16 side from season 1993/94 continued to be eligible for under 16's whilst the balance was made up of players progressing from the victorious under 14 side.

We were also fortunate to have a newcomer to Templeton, Luke Robertson, join the side. Luke proved to be a fine lefthand opening bat. The fact that he won the batting award with an average of 64.33 is testament to his ability and his benefit to the team. With Stuart Simpson he formed a formidable opening competition probably second to none in the under 16 competition.

Mark Wadsworth, a young player who has played above his age group for a number of seasons once again proved to be a player of outstanding ability. During the season he was the backbone of our attack taking 27 wickets at an average of 10.37 to win the bowling award. During the season Mark was appointed captain of the victorious RDCA combined under 14 side.

The Captain of the side was Sam Bates. I have been fortunate enough to watch Sam progress through the juniors, as I have with most of the boys. This lad has it all, a great bat, a good bowler and most important a fine cricketing brain. These traits earned him the under 16 allrounder award as well as the coveted Club Champion award.

He lead the team extremely well, which wasn't easy towards the end of the season when, for one reason or another we were able to field only 9 or 10 players. Well done Sam!

Like a number of the other boys Sam has now passed the juniors and begins his senior career proper. This will not be new to him or others like Stuart Simpson, Paul Taylor, Mark Wadsworth and others who during the season consistently played senior cricket and acquitted themselves extremely well.

To those players who now progress to the seniors next season may I say good luck. I know you have the ability to really push older players in the higher sides. I would also like to say thank you on behalf of Templeton Cricket Club for the job you have done during your time with the juniors.

Another player I would like to mention is Phil Perryman. Phil is a player who gives 100% every time he takes the cricket field. I congratulate him on his efforts and in being awarded the Coach's Award as well as the Junior Clubman award this season, well deserved.

Managing the Under 16 is not a hard task as they really look after themselves. I would like to thank them for a great season. Although we did not win the grand final they gave their all and did a magnificent job throughout the season.

On behalf of the players and myself to thank all parents who supported the team during the season. Special thanks must go to Rob Simpson and Barry Wadsworth for their untiring efforts. Without them the team could not have managed.

Finally a special thanks to Dean Morrison, the Club's Junior Administrator. Having done the job in the past I know that it is not easy and I believe no-one could have done it better than Dean.

Barry McClure

UNDER FOURTEEN GRADE 2 TEAM REPORT

SEASON 1994/95

The season began with six (6) players from last years under 12 teams, seven (7) from last years under fourteen team, and two (2) boys who had never played competitive cricket before. With Barry McClure moving up to the under sixteens, we also started with a new coach and team manager.

We had hoped to field two teams, but with only fifteen (15) players available, we were only able to field one. This made selection difficult at times, but we endeavoured to give all the boys a chance to bat, bowl and field.

Our results this season were excellent, especially when you consider that two seasons ago, the team only won one game in the under twelves. We won seven (7) out of nine (9) games and finished third on the ladder. In the Semi-final we defeated Lilydale but lost to Ferntree Gully in the Grand Final.

Congratulations must go to Paul Drew and Aaron Vinen for Captaining and vice-captaining the side so well through-out the season. We must also congratulate Aaron for being selected as the number one wicket-keeper in the R.D.C.A. and for performing so well.

Our batting was very even with seven players scoring more than 100 runs, with another scoring 94. Best performed and most consistent was Aaron Vinen. He scored the most runs (219) and had the best average 23.5, Greg Ryan made top score for the season with 95 not out. Aaron Vinen, Leigh Caulfield, Russel Harrup and Greg Ryan all made scores of 50+ runs during the season.

Our bowling, was also very even, with Paul Drew (17 wickets), Matthew Halbert (12 wickets), Tim Aumann (11 wickets) and Richard Lee (9 wickets) being the best. Paul Drew narrowly won the averages (10.3). Notable performances through the year were P. Drew 4/12 vs East Ringwood, R. Lee 2/10 of ten overs vs Montrose, M. Halbert 4/8 of ten overs vs Warrandyte, T. Aumann 3/2 vs Ferntree Gully (Grand Final).

The all rounder trophy was very closely contested, with Aaron Vinen shading Greg Ryan for the honours by just two points.

Congratulations to the trophy winners and to all the other boys who helped them to produce such fine performances during the season.

We would like to thank the parents who assisted us at times during the year, including Peter Harrup, John Drew, Bruce Tolliday, Peter Aumann, Michael Lee and Gary Caulfield.

Well done to all the boys. Best of luck to everyone, whether in the under fourteens or under sixteens next year.

## UNDER 12/1 TEAM COACHES REPORT 1994/95 SEASON

This season was a rather disappointing one due mainly to the fact that the RDCA had promoted us to first division from the 93/94 season with only 4 players coming up from under 12/2 that year. Of the other 11 boys, 6 had only played under 12/4 before and 5 had NEVER played competitive cricket! This really made it hard for us and the results from this season showed that we were playing a higher grade than we should have.

Having fifteen boys in the squad was also a bit of a problem as every game at least two boys had to miss out on batting and bowling. However, I did attempt to give most of the team an opportunity to do something as often as was possible.

Even though we only won a single game, two of the other matches were quite close, although once the opposing team had passed our score, I gave those boys who didn't normally bowl a chance to contribute. I think that had I persisted with the normal bowlers, the scores would have been a lot closer, but as under 12 cricket is all about enjoying the game and everyone 'getting a go', I decided to follow this philosophy.

This year saw those 4 boys from the under 12/2 final last season ( Ben Johnston, Tim Parker, David Weerden and Matthew Brookman) put in some fine efforts, which was very gratifying for me as this was their last season in under 12 and they have improved considerably since their first game 4 years ago. Of the new boys who had not played before, Peter Symons and Ian Garvey displayed a lot of potential, mainly with their bowling. These boys will improve during the next season I am sure.

My sincere thanks once again to Murray Parker for his help during the season and his magnificent scoring skills! I am sure that the under 12 book is the neatest in the entire competition. I would also like to thank the parents for their help this year, particularly Daya Hettiarachchi, Mike Phillips and Michael Lee. My congratulations to the trophy winners and I wish all the boys who will be in under 12's again next season the best of luck.

I must say that I have thoroughly enjoyed the four years that I have been coaching under 12 cricket and it is with some sadness for me that this has now come to an end. Next season will be under 14 which I am already looking forward to.
