Templeton Cricket Club
Chairman's Report – 2009/2010

Well another season has come and gone, and this was probably one of the hardest seasons we have faced in the history of the club.

Whilst in previous years we have always seen growth or stability in our senior ranks , this season we were always fighting a battle to have enough numbers to field our six teams regularly, which made for tough juggling act by our selection committee.

This made for a steep learning curve for our new coach Nathan Owen and his team of captains every selection night, but I can say they did a fantastic job to keep focused on the end goal, Nathan received a huge amount of support from these guys and in particular Craig Henry and Simon Denton. The struggle for numbers also affected the results on the field with most teams struggling to be competitive. With only our first eleven making the finals but coming up short in the Preliminary final, but this was a great effort considering a lot of people had us marked to finish at the bottom of the ladder.

Our Juniors had a reasonable year with the under 14/3 team making it to the grand final but unfortunately coming up short, but the kids can hold there heads high as they acquitted themselves in true Taipans fashion, a big thanks to all of our Team Managers, Coaches for getting the teams organised every week and a big thanks to Ian Roberts for overseeing the junior program, but most importantly a big thanks to the kids, hopefully they all had an enjoyable year.

I would like to thank all of our sponsors for there support in particular our major partner SP Ausnet who came onboard this year for the first of a three year deal.

A big thanks to the committee this year, it seems to get harder and harder each year to get people to put there hand up to take on roles on the committee as it is a very thankless job, but to my team of people, Ian, Phil, Jason, Simon, Ian, Jason and Craig a big thank you for your efforts, whilst there was some things we could have done better all in all the guys did a great job. I believe the committee has been able to set the club up with a healthy bank balance which will allow the new team to work on some new projects .

Well done to my fellow Vets on another successful season winning the masters 2 premiership to step up to division 1 next season(bit quicker up here), 3 grand finals in a row for two flags clearly see's the vets as our most successful team of recent times, next season may also see a second vets team introduced so if you know anyone who's keen for a bit of a hit and giggle let us know

All things must come to an end and I have decided to step away from a role on the committee after holding many positions including President for 10+ years and 20+ years on the committee in total, I have worked with a lot of great people in my time on the committee and learnt a hell of a lot from them along the way, I have made some great friendships in that time as well that I will treasure forever, I will continue to be around the club and offer support wherever I can but I take this opportunity to wish the new team all the best in there endeavours to take our great club to a new level.

Hopefully I have managed to leave the club in a better position than when I started, this is something that you as a member of our club need to ask yourself, have you done enough to make the club a better place or are you just happy to stand on the outside and do nothing, a lot of small pieces are required to complete a puzzle and your little piece may just be that missing piece we need, so I implore each and everyone of you to please do that little bit.

I wouldn't have been able to spend the time at the club I have without the support and assistance of My wife Helen and my 3 kids(Alyssa, Taylah & Aussie) and I am truly grateful for that support.

A new committee with a newly appointed coaching panel will be able to set the club up for the next era of Temps success

Thank You, Good Luck to all and GO TAIPANS

Brett Keys

Templeton Cricket Club
Director Of Finance Report – 2009/2010

The goal for the Templeton Cricket Club in season 2009/2010 was to ensure that the club progressed on and off the field during the season.

We have priorities to increase the Bank account balance each season to a level where we can look at long-term projects to improve our clubrooms. But this goal was made hard this season with the lack of playing numbers and attendances at the club on Saturdays and at club functions.

Financially, we recorded a profit of \$2973, which is a decrease of \$3480 from last season's profit with our Bank account balance ending the year at \$14261.

The highlights for the season were the following:

1. A highly successful Superdraw function that made a profit of \$7166 on the day, which is another amazing result. Thank you to Jason Disney and Brett Keys for another fantastic effort.
2. The canteen made a very good profit of \$1568. An excellent effort by Brett and Taylah Keys in running the canteen for the year.
3. Sponsorship increased this season to \$9610. Thank you to all of our sponsors especially SPAusnet for their generous support.
4. Bunnings Barbeques are an excellent fundraiser for the club and we made a profit of \$968 with them this year.

Notes

We purchased a new Slurpee machine this season at an expense of \$2832. This has already been a great hit for the juniors and seniors on Saturdays or at social functions.

We also went halves with the football club at a cost of \$3350 and purchased a new Fridge for the bar. I would expect our drinks to stay cold all season now.

Further funds were received totalling \$655 after I closed the accounts for this financial year. These funds will appear in next years accounts.

We also improved the condition of the nets at Templeton at a cost of \$1529.

Thank you everyone for your assistance.

Please find the following notes for the season and Financial Statements for 2009/2010. The asset amounts are at Executive Committee valuation as at 30th June 2010, and are considered conservative.

Director of Finance TCC

Notes Forming Part Of Financial Statements

INCOME

BAR

A decrease in income of \$6251 from last season was close to our poor result of 2 seasons ago. Our level of income in this area should sit between \$30k - \$33k each year and obviously can't be relied upon to support the clubs finances. We maintained our prices this season as much as we could but we rarely used kegs. Thanks to Paul Denton for his assistance for the majority of the season.

CANTEEN

A lot of hard work by Brett and Taylah Keys resulted in a profit of \$1568 which was a decrease of \$863 from last season. To enable the canteen to be open each week we paid Taylah \$50 a week for when she worked. This has contributed to the drop in profit this year.

CLUB MERCHANDISE

The total dollar value of clothing sold was \$7752, which was an increase of \$5554 from last season. This includes the new cricket shirts and the 20/20 shirts.

SOCIAL FUNCTIONS

We only had a few social functions for the season with the attendances being mainly from the same people at all events. Thanks to those who helped with the organization of our functions.

AFTERNOON TEA

We made a profit of \$101 for the season which was good. Thank you to Anne Gottliebse, Brett Keys and other helpers for making the afternoon teas this season. We slightly changed the food but with minimal difference in the standard of the food and at a better cost saving.

DINNERS

We raised \$1156 this season which was a drop of income of \$2604 with a profit of \$637 a big drop from last seasons profit of \$2491. Thanks to Craig Henry for all of his hard work. This highlights the lack of numbers on Thursday and Saturday nights where we purchased pizzas instead of cooking.

BUNNINGS BARBEQUE

We conducted a Senior and Junior Bunnings Barbecue day during the season which raised us \$2047 and a profit of \$763.

RAFFLES

An increase of \$80 from last seasons result but well down from the \$1190 of 3 seasons ago.

PRE SEASON RAFFLE

No Pre season raffle was conducted this year.

SPONSORSHIP

Thank you to all of our sponsors especially SPAusnet as our major sponsor for this season as well as Andrew Morris at CHN Herold Ross Chartered Accountants, Simon Denton at Port Melbourne Containers , KR Peters Real Estate , Knox Tavern and Val U Vouchers.

GRANT

We received one grant this season of \$1000 which we plan to use for future air conditioning of the clubrooms.

SUBSCRIPTIONS

There was a decrease in subscriptions of \$2560 from last season which was caused by the lack of senior players at the club. There was also a number of players who only played 2 or 3 games for the season.

INTEREST

A decrease of \$53 from last season.

EXPENSES

CRICKET BALLS

Expenditure decreased by \$1511 this season. We identified this as a high expense item last season and we needed to keep this under control. Thanks to Leigh Boyle for doing an excellent job this year.

COACHING

This amount consists of payments to our coach and paid players. This amount decreased by \$4379 from last season. This was due to the changing of some senior players in the firsts.

EQUIPMENT REPLACEMENT

The purchase/ renewal of equipment is an ongoing expense in running a cricket club. This amount was lower this season by \$842 as we purchased more gear the previous season.

GROUND FEES

An increase in fees of \$320 this season due to the full use of Schultz Reserve this season.

RDCA

This seasons costs increased by \$246 from the previous season.

INDOOR TRAINING

A decrease in expenditure of \$20 from last season with a loss of \$1334 overall. This was an improvement overall of \$694 from last season due to the better collection and payment of training money.

UMPIRES - FINALS

A decrease of \$270 this season.

BAR

Expenditure decreased by \$2771 for the season, which was in comparison to the decrease in income as well. The major reason for the decrease in expenditure was the lack of numbers around the club during the season. Beer gas costs were down by \$129 due to the limited use of the beer taps. This will change next season were we will use them more.

CLUB MERCHANDISE

A large increase of \$8095 this season as we spent \$9465 on our new cricket shirts and 20/20 shirts. This was offset to some degree by the increase in income. We still have some stock on hand.

CORDIAL

Was a very similar cost to last season.

AUCTION

Auction expenses this season were allocated to the superdraw function.

SOCIAL/FUNDRAISING

This includes payments for functions during the year and all other expenses incurred in presenting functions for the players.

BUSHFIRE DONATIONS

There was no donations this season. The previous season we had donations of \$3879 including \$1000 was from the Cricket Club.

CLEANING

An increase in costs of \$479 this season. Thanks to Paul and Judy Denton for their efforts and for Mal Calladine's work after Christmas. The clubrooms displayed a professional image to our members and visitors at all times. This season also included the cleaning of Milpera Reserve.

TELEPHONE

A decrease in expenditure of \$64 from last season.

INSURANCE

An increase of \$17 this season.

FINES

This season our fines from the RDCA were up to \$345 from last seasons \$230. This was due to the forfeiting of the 6ths team on a few occasions as well as the late lodgement of short and full match results. We need to reduce this amount next season with nominated people to lodge these results each week.

TROPHIES

A decrease in expenditure of \$674 this season with both Senior and Junior costs coming down.

BANK CHARGES

The credit /debit card merchant facility accrued charges of \$610 an increase of \$26 from the previous season. With the Eftpos machine we had credit / debit card spending of \$16706 down \$288 from last season. This was still high because the SPAusnet sponsorship of \$5000 was paid by credit card. There were 80 electronic card transactions this season well down on last seasons 242.

STATIONERY

A decrease in costs of \$144 this season.

INTERNET

An increase of \$918 from last season as we now have an unlimited use Business plan with Telstra for our computer and laptop. This plan will be reviewed next season.

WEBSITE

The cost of the maintenance of the website decreased by \$65 this season.

Coaches Report – 2009/2010

Let me start by saying that the season of 2009/2010 was never going to be easy after Steve Teakel had set the last 5 years of coaching at a high standard. None the less I love a challenge and was looking forward to a successful year as the new coach and getting to know the new faces and reconnecting with the old. Unfortunately on the clubs whole we didn't live up to the expectations of the clubs potential but on the other hand the 1st XI exceeded expectations by making finals and looking very strong. It was great to see so many debutants in the 1st XI and so many of these guys at a young age with so much potential for years ahead.

I'd like to say thank you to the captains who put their hand up to take on the roles for the year. Jason Denton 2nd XI (Brett Gibb, Arron Vinen who took over) Terri Rowe 3rd XI (Andrew Gottliebisen also helped out), 4th XI Craig Henry, Ryan Lane 5th XI and Steve 6th XI. Without the help of these guys reporting back to me and giving the information of each game it would have made my job impossible. Also thanks to Simon Denton and Keysie for being the go to guys for all other aspects, and Ray as chairman of selectors.

We are starting a new era at Templeton. With the loss of a couple of our senior players we welcomed the new and young players coming through the ranks. We have so much to look forward to in the next coming years. Although times were tough throughout the season with numbers low at training, and results not falling our way, for the players who trained the results proved themselves on the scorecard.

The 2nd XI didn't have the year we had all hoped they would. With the names on the paper the side looked like they had a lot of promise to win games. Unfortunately this was not the case but as mentioned earlier we had a number of players from the 2nds debut in the 1st XI. Congratulations to Leigh Boyle, Steve Dewar, Ryan Baker, and Simon Hall for representing Templeton in the 1st XI.

Our 3rd XI battled well through the season. With our junior players moving up the ranks we saw some impressive results from Shae Perera, Luke Mollinue. Keep an eye on these young guys as we are looking forward to what they can produce in the coming years.

It was a tough year for the 4th XI lead well by Craig Henry. For most of the season Craig had over 50% of his team filled with juniors so it was always going to be a tough ask to put wins on the board. But in saying this it goes to show that once again we are heading in the right direction for the future of Templeton as we have a lot of talent forming in the juniors and watching them rise up through the seniors.

Well done to Ryan Lane who led a reasonably successful year for the 5th XI. Halfway through the year we were sitting top 4 and looking promising for finals. Disappointingly we dropped away toward the end of the season losing a couple of crucial games which made them miss out on finals. An amazing performance to be noted by for taking a 9 wicket haul.

Unfortunately our 6's were struggling for numbers and was unable to fill a team for most of the season. Thanks to the efforts of Scuba Steve for taking the time to organise the 6's throughout the year. And congratulations to the vets for bringing home our only premiership flag for the season.

As the new coach I am very excited to be a part of this club. Our direction for the coming years is looking promising. At the moment we are putting the stepping stones in place to keep the clubs future as successful as it has been for the past 27 years. Look out for 2010/2011 season as we expect bigger and better things.

Junior Operations Report – 2009/2010

For the 09/10 season we again fielded 5 teams. 2 under 12 sides, 2 Under 14's and a under 16 side. The start of the season was a bit of a mess after losing one of our coaches and nearly not being able to field a second under 12 team when St. Andrews let us down after agreeing to field a combined team. Fortunately Knox rang to forfeit the first round and we ended up doing a combined team. As well as the extra players that allowed all of our kids to get games Knox also supplied a coach, Leah Perry, who did a great job with the kids getting them through to play in the 12-4's finals. Our other under 12 side were graded in 12-2 and coached by Wilbur who did a stellar job with the team. They were in the hunt for finals right up to the last round and only just missed out. As was the case last season Zack Barmby dominated the awards for this team taking out everything and he still has at least another two years in the 12's.

The 14's started the season graded in 14-1 and 14-4. After the second round and two wins including an outright the 14-4's were moved to 14-3. Some were a little concerned about this after the same thing happened last year and they got smashed. This year with the help of the coaches, Andrew Drury and Wayne Guest, the boys kept winning. Unfortunately their only loss was the Grand Final. Daniel George with a batting average of 39.8 just piped Justin Wade with 39.7 for the batting award. Another Barmby again came to the top with Zack's older brother Josh taking out the bowling and all rounder awards for the team, one of the highlights was Josh taking 6/7 in the first innings and 4/5 in the second. Another highlight for Josh was to take out the RDCA bowling for the 14-3's

After taking the flag in 14-2 last year our top 14's were moved up to 14-1. With only 4 of the players staying down and quite a few bottom age players in the team we were not sure how well the boys would do. With coaching from Scott Carter and Steve Dewar the boys put on a good show and started winning games. Just before Christmas we had a double blow losing the coach and our top spin bowler when Scott and Sammy Carter moved to Queensland. Fortunately Steve took over the coaching role and the boys responded well. We lost the last game against a Ringwood side that contained at least 8 rep players and didn't make the finals. Although we lost the game the boys scored their second highest score against one of the best bowling attacks in the comp. It looked like Jordan Roberts had most of the awards wrapped up only to have Sammy Carter take the Bowling leaving Jordan with batting and all rounder. Jordan also represented Templeton as a member of the Outer Eastern Eagles U14 squad in the state championships where they came third in the state.

The 16's playing in the 16-2's had a really tight comp and even though they finished in 7th they were in the hunt for finals in the last round as well. Paul 'PT' Taylor coached the boys this year and seemed to relate to boys well and was able to get performances out most of the boys. Sheehan Pereira had a great season only just missing out on a ton with a questionable decision but managed to take out the junior club champion, batting and all rounder for the team. Robby Naylor after a slow start finished the season by taking the bowling award. Luke Molyneaux who finished second in the batting also represented the club as a member of the Bayswater Hatch side.

We started the season with some ideas about what we wanted to achieve, not all of our ideas came off but hopefully we can build on good start and develop one of the better junior programs in the region. We did get a lot of the juniors playing seniors, maybe not in the way we would have liked but the fact is the boys stood up for the club and filled in when needed. The captains did a great job dealing with juniors in their teams and with only 1 or 2 misunderstandings the general feedback was very positive. We also had a juniors get man of the match awards in some of the senior games which is also a positive for the future of our club.

1st XI Captains Report – 2009/2010

From everything that I had heard through the pre season about each of the players I was looking forward to a successful season ahead. I'd played cricket 6 years ago through juniors and also some of the seniors for a season and it was great to come back to see so many players continue there success. Despite all this we had lost a couple of good players and there was rumour that the ones will struggle this year because of this.

After the first 5 over's of round one everyone watching the game would have been thinking that the rumours were going to be true. But the start of the game showed what Templeton cricket is all about. After being 3 for 5 the guys pulled together and managed to put a large score on the board to give us a win. We were looked at as lucky, but as the season continued we started to show that it was luck that won us so many games it was the determination and passion we showed.

For the last couple of years there has been a strong core of the older seniors bonding the ones and with some of them departing it opened the door to some of the younger guys to have a chance. Congratulations to Leigh Boyle, Ryan Baker, Steve Dewar, Simon Hall for making their debut games. All Four of these players proved themselves well worthy of the standard of cricket and at a young age these guys will be the future of Templeton cricket we hope for many years.

I'd like to thank Jason Disney and Simon Denton for there on field and off field support. There experience and knowledge of the game helped us out throughout the season. Having these guys to bounce ideas off and strategise with made my job a lot easier. Thanks to all the guys who played ones for their efforts throughout the season. Unfortunately we weren't able to go all the way but we proved we have the ability to take it to the competition next season.

Keep your eyes on Temps for next year as I believe we will be very strong and it will be game on.

Templeton Cricket Club
2nd XI Captains Report – 2009/2010

Season 2009/2010 began with plenty of optimism as we were given a great opportunity to compete in the higher regarded Wilkins Cup against 1st X1 teams trying to gain entry into the elite Chandler Shield competition.

At the beginning we knew we were going to be challenged and the standard of cricket was to be more competitive than what we had previously been exposed to.

Although from a win loss ratio we failed miserably only to win the one game for the year with another narrow loss in the last round it was most pleasing to see the development of some of our clubs promising younger players especially Steven Dewar and Ryan Baker who both spent the second half of the year opening the batting in the first X1. Simon Hall, Ian Garvey and Leigh Boyle all proved to be valuable and consistent contributors with the ball in the firsts with Matt Weerden, Ryan Dennis and Andrew Teakel gaining valuable experience and showing great promise for the future. Overall ten players from the second eleven this year were given opportunities at the highest level with most applying themselves in a positive manner.

With the ball we were able to bowl sides out on seven occasions with the Warrandyte, Lilydale, Kilsyth and East Ringwood games in positions to push for victory only to have been let down with the bat. Some better individual performances with the ball were Ian Garvey who took 5 for 36 against Chirnside Park and 5 for 46 against Warrandyte. Ganga took 5 for 24 in our win against Nth Ringwood. Terry Rowe took 9 wickets in a game against eventual premiers East Ringwood with 5 for 51 and 4 for 32 and Jarred Palin took 5 for 32 against Montrose who scored 286

With the bat we posted 3 scores only over 200 including 282 against Nth Ringwood, 205 against Montrose chasing 286 after being 2 for 100 and 257 against Heathmont Baptists to narrowly lose by 9 runs. On a few occasions we managed to get reasonable starts only to throw games away by not being able to build partnerships in the middle order through lack of depth and consistency we had over 30 players represent the second X1 through eleven games. In games against Chirnside, Lilydale, East Ringwood, Kilsyth and Mooroolbark we lost our last 6 to 8 wickets in all games for fewer than 50 runs. Some better individual performances with the bat were Steve Dewar's 53 against Lilydale. Brett Gibbs 59 against North Ringwood. Arron Vinen's 43 against Warrandyte in a team total of 117. Matt Weerden's 77 against Kilsyth and Paul Taylor and Ryan Dennis who both made 72 in our narrow last round defeat to Heathmont baptists.

I would like to thank Brett Gibb for his support as captain in my absence and his friendship and contributions to our great club over many years he will be sorely missed and we look forward to seeing him back in a couple of years in the vets. Other mentions of thanks go to Paul Taylor, Stuart Simpson and Arron Vinen who were all a great support to our group through a very testing year I hope we all can stick together and strive to push the second XI back to the powerhouse we once were in the coming season.

Regards

JD

Templeton Cricket Club
3rd XI Captains Report – 2009/2010

It was a good start to the season with a first up win against St Andrews.
Unfortunately the season then fell away with only 2 more wins against Lilydale.
So to go a season with only 3 wins makes it a long one.

It was hard playing a season when you don't play with the same team twice, especially when you are playing that high of a grade.

We did play people out of their depth but I appreciate it because they gave it a go and they helped the team and club.

But on a good note we had two positives in the season. One was Rob Horwill, he had a good year with the ball, and also Sheehan Pereira, this kid can play and I'm glad we stuck with him all year. This kid is going to go places and I hope he stays on.

It was a tough year for the club, but a good club bounces back.

Regards
NTGT

Templeton Cricket Club
4th XI Captains Report – 2009/2010

We started the year with great hopes and dreams. Unfortunately we realised very quickly that we faced a long year ahead. One of the goals of the year was to blood many younger players through the lower grades. Fortunately we were able to do that with ease, as numbers during the course of the year were poor and if not for the help of the juniors we would have struggled to fill the 4th 11 on many occasions.

Many of our juniors played in the 4th 11 during the year, understanding that these boys played from 8 in the morning until 6 at night, it is easy to see that they love their cricket. Whilst many juniors played, Scott Lawson (11) played nearly every game, which is an outstanding effort. Other players filtered through the team but special mentions go to Jordan Roberts (8), Jayden Bennett (5), Robbie Naylor (2), Sam Carter (40), Matthew Petherick (2), Luke Molyneux (2) and Tyson Henry (1). In all 41 different players represented the 4th 11 for the year, which is an outstanding number, as some clubs don't even have that many members.

I would also like to thank Tyson Henry, Josh Barmby, Josh Hudson and Lincoln Wong for taking the field on several occasions during the year, when we played with players who were only available for t1 of the 2 days. These kids never whinged and shared the duties between themselves on at least 4 days over the year.

It would also be remiss of me not to mention the help from the vets, no less than 9 players from the grand final side filled in for the 4ths at some stage over the season.

I would also like to congratulate Brett Barmby for winning the batting and allrounders award, along with Matt Syer for a great year both behind the stumps and with the bat. Dale Hudson only played the 4 games for the 4ths and 1 in the 6ths but with 297 runs from 6 innings and 15 wickets from 68 overs, he was more than handy for us. Unfortunately Dale is looking to play higher next year, but that is great for the club. It was good to get Dave Wayman on the park for 7 games this year, he is a very handy cricketer, and hopefully work will not interfere with his cricket next year.

Finally thanks to my vice captain and good mate Mick Elliott for putting up with all my crap for the year, unfortunately someone has to cop the negative side of things. When you are trying to be positive out on the field unfortunately for Mick he was the one who copped most of that.

In finishing I would like to thank the club, the coach and the selection committee for the opportunity to captain this season. It is an honour to be asked or chosen to fill this role and one which I can only suggest that players should strive for at some stage of their career.

Whilst we finished bottom of the ladder with only 2 wins for the season, we had many outstanding performances during the year.

- Round 1 Saw Sam Carter and Scott Lawson take 3 wickets each
- Round 2 We had a 100 run partnership between Matt Syer (56) and Brett Barmby (47) and Scott Lawson 3 wickets
- Round 3 Had Tim Aumann make 33 and take 2-49
- Round 4 An even spread of wickets and runs with no stand out performance
- Round 5 A dark day, but we were able to strand a not out batsman on 99 with some good work from Keysie
- Round 6 Jamie Baker 4-130 off 33 consecutive overs and 50 ODD was not enough to get us across the Line
- Round 7 Nothing major (thanks to Keysie for taking the captains role while I was away
- Round 8 Was our first win of the season great opening partnership from Matt Syer(44) and Leigh Waller (51) superbly backed up by Dale Hudson at 3 with (53) and Brett Barmby (38)
Had us post 4-233 and in the field we held our chances and restricted East Ringwood to 183
With great bowling from Steve Teakel 3-29 and Dale Hudson 2-34
- Round 9 At the toss and captain said lucky win last week, that was enough fuel to get us across the Line again. Chasing 201 at Warrenwood was not going to be easy. We started the chase
With solid contributions from Dale Hudson (30) and Brett Barmby (51) however the innings
That got us across the line was an unbeaten 69 with a 6 off the first ball of the last over to
Bring up the victory from Steve Teakel. Having said that, it was also an even contribution
From the whole team that enabled us to win the game.
- Round 10 Rod Jenkins bowled extremely well taking 2-12 from 8 overs
- Round 11 Brett Barmby took 4-20 and Mick Elliott got (54)
- Round 12 This round belonged to Dale Hudson (53) in the first innings (59) in the second and 3-31
With the ball
- Round 13 Brett Barmby took 4-77
- Round 14 Andrew Gottliebson made his 1st ton for Templeton and took 3-37. Brett Barmby took
3-54, Robbie Taylor and Cam Flint picked up 2 wickets each

Templeton Cricket Club
5th XI Captains Report – 2009/2010

After losing some promising young talent in the off season a decision was made to put an extra emphasis on youth development for Season 09/10. Although I am disappointed that the 5th XI were not able to make the finals I believe that foundations were laid for success in the future not only this grade but also with progression in candidates to push up the grades in the coming years.

The season got off to a good start with a couple of hard fought wins with two single run victories in the opening games, the best part of these victories was the fact that it was the junior players that were asked to step up and delivered the goods. Cam Flint coming back on and bowling at the death was crucial to the wins on both occasions.

At the halfway point of the season the 'Fifths' were sitting in fourth position with the highlight being a strong first innings win against the top of the ladder, and eventual Premiers, Warrandyte 4th XI in a two-day game. Players such as Robbie Naylor, Jayden Bennett & Matt Petherick and were all coming along well and looking at home playing senior cricket. Robbie cemented himself as a regular opening bowler with great swing and bounce, the other two batting high in the order.

The second half of the season was less successful on the scoreboard and saw us finish up in sixth position, though once again the encouraging signs were in the junior players coming along such as Lincoln Wong and Dale Kline. Dale put his hand up to open the batting in the last game of the season, after being sent back in on the last day with East Ringwood trying to snag an outright victory Dale dug in and batted very sensibly when it would have been very easy to throw his wicket away. The attitude of all players mentioned in this report was as encouraging as their cricketing skills.

Also worth noting was the lower grades working together in selection to maintain balanced sides which helps keep cricket more enjoyable for all players.

As well as the encouraging signs in junior development there was some great improvement in some of the newer senior recruits to the club. Matty Bartling, Paul Ryan and Nick Johnson all showed great improvement with 'Kiwi Nick' deservedly winning the Coaches Award coming along in leaps and bounds with his batting, and throwing himself around in the field.

Captaining a cricket team is a job with a lot of tasks and responsibilities, support from your team makes this job much easier. Tyson McCamley was invaluable to me helping out with many of the tasks when I was unavailable.

This season was my second season as captain so I came into the job with an understanding of exactly what the job entailed, for future captains in their first year a rundown before the season of responsibilities would make the task much easier.

Lets all look forward to Season 2010/11 with a few Senior flags to add to the Vet's winning ways of 2009/10.

Templeton Cricket Club
6th XI Captains Report – 2009/2010

Season 2009/2010 was always going to be an interesting year for the team as we were entering the first year in a while without some of the senior members of the previous year's team.

We had throughout the year a mixture of players, both senior and junior with a few very experienced stalwarts of the club helping to encourage and develop the juniors we had play for us during the year.

We had a couple of good wins early in the year, and fought very hard in all of the other games. Unfortunately by the end of the year, with senior players from the other side's going out with injuries and the resulting reduction in the numbers available, we were unable to finish out the season.

We had a couple of good wins against Scoresby in the first game as well as defeating Norwood completely relying on a bowling attack of our under 14's side who had all played in the morning. We had strong performances from many of the junior players who throughout the year played for us. Highlights for me with the bat included Dale Kline, who did tell me before he batted for the first time in seniors he wasn't very good, then preceded to make 34 opening the batting. Other excellent performances with the bat included Jordan Roberts and Lincoln Wong, who also was brilliant behind the stumps when he was asked to step up to the task. Other excellent performances with the bat included Dave Adam, who was called upon more than once to help salvage an innings, Nick Johnson, Andrew Morris and Brett Keys.

With having so many juniors throughout the year, we decided the best way to develop the cricketing skills was to throw them the ball and experience bowling to seniors and guide them with this process (well obviously not me, but other seniors in the side). There was no one who dominated with the ball with many players taking a handful of wickets. Excellent performers for the year include Jake Middleton, Nick Adam and Sam Carter. Senior guys helped the juniors out with mentionable efforts from Andrew Johnson, Paul Williams, Dave Adam and Dale Hudson. We tried to give everyone a chance when we could and even my very, very ordinary and questionable bowling style got trundled out a couple of times, possibly the last too.

Other juniors who played throughout the year who deserve a big thanks, especially backing up after the morning include Lewis Daniels-Gardiner, Tyson Henry, Jake Adam and the other under 14's and occasionally 12's who helped out even if it was only as sub fielders, your efforts were appreciated.

Also I would like to thank the many seniors who helped us out when we were in a tight struggle to get a side together and for helping out the juniors when they needed it. These include Brett Keys, Dave Adam, Scott Carter, Paul Middleton, Ian Roberts, Andrew Morris, Sean Exton, Craig Baldwin, Elliot Roach and Malcolm Calladine. I apologise to anyone I have forgotten, we had so many players this year, but again your efforts (however much I pled to get you to play) was appreciated.

Regards

Stephen Mikecz (Scube)

Veterans RDCA Division Two

After last year's loss in the Grand final by 20 runs the team was out to win this year in style; and they did going through the season undefeated. We welcomed Dale Hudson and Mike Elliott into our ranks which relieved the strain on our over -60 players.

We opened the season with a win over Bayswater park who were a couple of players short and only managed 135 runs, we passed their score in the 25th over thanks to a 72 run partnership between Keysie and Craig Henry. Our second game was at home against Wonga Park no2 and we amassed 220 for 5 wkts, Wonga fell in a hole and were 8 down for 66 in the 23rd over and crept to 139 -8. It was pleasing to note all catches were held and the bowlers were very economical.

Round 3 was a washout and no alternative date could be found to play it.

We were then at home to Croydon Ranges and made 201/8 and bundled the Ranges out for 82; the Master [Steve T] taking 3/9 in 4 overs. After Christmas we went up to Mt Evelyn and played on their small bottom ground, containing them to 172/9cc; which we passed in the 26th over with only five out. Craig Henry pacing his innings with boundaries and a six when on 39!

Round six was called off due to excessive heat ; the last game of the regular season was played at Chandler Park against Boronia on a very lush oval and we struggled to 153 off our allotted overs. Boronia put up a good fight and went down by only 20 runs with their last wicket falling on the last ball of the day.

So into the finals where we hosted Croydon Ranges again; they batted first and were soon in trouble at 4/10 after ten overs;and finally managed 119/9cc. For the Taipans 6 catches and 3 run outs reflected the skills of the team as well as 10 maidens being bowled out of the 36 overs. After losing 3 early wickets [3/41 off 14 overs]Steve T. And Craig H. came together and knocked off the remaining runs.

The Grand Final was played at Templeton in front of a massive crowd against East Ringwood. Easts batted first and raced to 44 off 8 overs and were 1/79 at drinks, but the Taipans strangled them with the spinners operating until Jim McDonald hit out in the last few overs. Easts finishing with 7/191, it being a fair score. The Taipans also started off at a healthy rate with Shaun Exton and Denis George waiting for the right ball to hit; at drinks we were 2/99; with Steve T and Craig H. controlling the game then 3 wickets fell quickly but with ample overs left Mike Elliott sealed the result in the 33rd over with a succession of fours. It was a good tussle played in the correct spirit and enjoyed by the crowd. Next year DIVISION ONE boys!

Congratulations to the first XI under Nathan Owen on reaching the preliminary final, and the under 14-3 side in the final. Thanks to our support team Paul Denton [overseeing training; Anne G for supervising teas and scoring when I had the call to O-60's cricket, and Denis G our BBQ chef.
