FOREWORD

History is a major part of a sporting club's make-up, not only outlining past achievement but also giving an insight as to how the club has set itself up for the future.

This book has been compiled not only as a reminder of your own personal achievements but also outlines the achievements of your many teammates, it also details the many outstanding feats of some of our past, present and up and coming club champions.

After many hours of delving through as many club records, scorebooks and the like we have been able to produce something that we believe to be a pretty good account of the clubs past statistics, regrettably due to some poor record keeping in earlier times it is not however an 100% accurate account (particularly catches).

I hope you enjoy reading and reminiscing through fifteen years of the Templeton Cricket Club.
