TEMPLETON CRICKET CLUB CHAIRMAN'S REPORT – 2005/2006

If success is measured by premierships alone Templeton had our worst season for about 12 years with no teams winning the elusive flags, however I don't believe that is the only way we judge success.

We still managed to get two teams to make the grand finals in their respective grades but at the end of the day just couldn't get over the line, but both teams played their games in true Temps spirit and held the clubs name up in high regard, with a little bit more luck and a little less interference from mother nature and the firsts and seconds could quite possibly have also been playing off in grand finals, but that's cricket.

Off the field however was a fantastic year for the club, after last season's undertaking to fully upgrade the training nets which stretched our finances, this season was one of consolidation which I am sure you will see in the financial reports later was well and truly achieved.

The end result could not have been achieved without some great work by a few people, Jason Disney's efforts for Templetonians and Raffle day, Wendy Dewar in the Canteen, Phil Dewar with his great work controlling the finances, Graham Brookman making sure all our business affairs were all kept well and truly in order, however there is still quite a few areas that we as a club can still improve.

There are a lot of people that want to take the kudos for being on the committee etc but don't really put in the hard yards to help achieve the desired success, it is these people that really need to put their hand up and step up to be a part of the next generation of the clubs leaders. Being a fairly young club it is difficult to get people to take on various roles but if people continually stand back and think that someone else will do it, or she'll be right well we might not have our beloved club around in years to come for other to enjoy, you should take on the challenge and leave the club better than it was before you arrived.

The key area that we as a club need to really work on to improve and keep that Temps domination of the RDCA is to concentrate on building up our juniors, one year of bad management can set your junior program back 5-6 years, and this is an area that we have failed in over that period of time, so we all as a club (not just the committee) need to work doubly hard to get this back up to its former glory days of 9-10 years ago.

I have decided that it is time for me to pass the baton onto that next generation and step down from any roles on the executive and hopefully see that generational change take the club to an even stronger force not only in the RDCA but within the greater Knox community, I believe that I am leaving the club in great shape for it to continue to build from strength to strength, I couldn't have done that without the help of a lot of people Brooky, Phil, Garvs & Diso all members of the current committee but also people like Murray Parker, Norm Barnfield, Paul Denton and Paul Owen who have all helped me and shown me the way in the formative years of our club and to all these people I say a big thank you, it not only forms the way you go about things in your sporting life but it also helps you in many ways in your business and family lives as well.

To each and every person that I have had the honour and pleasure of playing cricket with at Templeton over some 22 years thanks for the wonderful memories that I will cherish forever, in a club like Temps you don't just become team members you get a friend and mate for life and they are all friendships that I will always remember, the on field games & finals but more importantly the off field camaraderie, there is no other club like Temps so we should all work hard to keep it that way were everyone is an equal.

Finally I would like to thank my family for being so patient over the years allowing me to put so much time and effort into something that I love with a passion, thanks Helen, Alyssa, Taylah & Aussie.

Remember it's our club now, but we are only custodians for the time being so be the one to make a difference and pass it onto the next generation better than how you found it when you arrived.

And in the immortal words of a former player at Temps "I'll take a step back now, but you know what I'd do".

Go Taipans!

Brett Keys (Keysie)
Chairman

TEMPLETON CRICKET CLUB GENERAL MANAGERS REPORT – 2005/2006

This season was a mixed bag – with a very good year financially , but not such a great year with on field performances. The first eleven was a little stiff in just missing out on qualifying for the finals, but with the exception of the 4th and 6th Elevens, no other side made the finals. Well done to the 4ths in going all the way to the Grand Final, even though they didn't come away with the flag and to the 6ths for getting to the prelim. There is always next year.

I also would like to say well done to all the junior sides, even though we didn't have too much success on the field, all the boys gave their best and should look forward to much success in the future. However it is important that next season the Club concentrates on supporting and building of the juniors. They are the future of the Club and certainly need some urgent attention.

Off the field we had a very good year which was pleasing to see and special thanks must in particular go to Diso for his efforts with Templetonians and SuperDraw day to raise some much needed cash. As can be seen from the Club's financial reports – we go into the new season with a very healthy bank balance.

It has been another very busy year and the committee has worked extremely hard for the benefit of both the Club and its members. I would like to thank all the committee for their efforts and in particular Keysie who is standing down as Chairman as at end of the 2005/2006 season. He has done an enormous amount for the Club over the years and he will be missed. The new Chairman will have large shoes to fill.

I am also standing down as General Manager and I would like to thank everyone on the committee for their support over the last two years. Its time for someone else to have a turn.

Good luck to all.

**Graham Brookman
General Manager**

TEMPLETON CRICKET CLUB DIRECTOR OF FINANCE REPORT – 2005/2006

The goal for the Templeton Cricket Club in season 2005/2006 was to ensure the club progressed on and off the field during the season. We had priorities to return the Bank account balance to a level where we could successfully run a club as well as ensure the new cricket nets met everybody's needs.

Financially, we recorded a profit of \$14657 which is a \$15440 turnaround from last season with our Bank account balances increasing to \$11542 from last season's \$709.

The highlights/ lowlights for the season were the following:

- ✎ A highly successful Super draw function that made a profit of \$7197 on the day, which is the highest ever. Thank you to Jason Disney and Brett Gibb for another fantastic effort.
- ✎ The canteen made a profit of \$3001. An excellent effort by Wendy Dewar.
- ✎ Templetonians was highly successful this season with an auction incorporated this year and made a profit of \$6793. Thanks to Jason Disney and Brett Keys for your efforts. A function will be held early next season for all Templetonians members.
- ✎ Bar takings decreased by \$681 from last season which was a disappointing result.
- ✎ Subscriptions increased this season by \$2102.

Thank you everyone for your assistance.

Please find the following notes for the season and Financial Statements for 2005/2006. The asset amounts are at Executive Committee valuation as at 30th June 2006 and are considered conservative.

Philip Dewar
Director of Finance

NOTES FORMING PART OF FINANCIAL STATEMENTS

INCOME

BAR

A decrease in income of \$681 from last season is explained by the lack of numbers on Thursday and Saturday nights. We had to increase our prices this season due to the increased cost of alcohol. We need to secure a better deal with next season's supplier.

CANTEEN

A lot of hard work by Wendy Dewar resulted in a profit of \$3001, a decrease of \$394 from last season. This is a great result considering we had no junior finals at Templeton and no senior teams played at Templeton during the finals.

CLUB MERCHANDISE

We changed the way we account for our clothing income this season by itemizing each type of apparel. The total of clothing sold was \$2761, which was an increase of \$1136 from last season, but we introduced a new cricket shirt this year.

SOCIAL FUNCTIONS

We had a number of very successful functions with attendances being mainly the same people at all events. Thanks to those who helped with the organization of our functions. The presentation night and gaming nights made good profits for the club.

AFTERNOON TEA

We made a profit of \$610 for the season, which was a \$1052 turnaround from the previous season. The addition of the afternoon tea payment to the subscriptions worked well for collection of funds and convenience for players, captains and treasurer. Thank you to Anne Tasevski for her fantastic efforts.

BARBEQUE

We made a profit of only \$40 for the season compared to last season's \$665. Lack of numbers on Saturday nights reduced the sale of food. Thanks to Wendy Dewar for organizing the meat and the players for cooking each week. Thanks to Brett McIlroy for supplying the bread whenever we needed it.

FUNDRAISING

A decrease in income of \$1614 from last season with an overall profit of \$2020. The differences in income were due to the poor attendances on Thursday and Saturday nights. Joker Poker's income dropped by \$85, the Saturday raffles were down by \$490 this season and \$1032 the last two seasons. Ritchies was very similar to last season and the pre-season raffle was down \$288 from last season. The club needs to look at the attendances of its players and supporters on Thursday and Saturday nights.

SPONSORSHIP

Thank you to all of our sponsors, especially Michelle at King Club Hair & Beauty Design, HSBC Bank Australia Ltd, Luke Cosgrove at A1 Blinds and Andrew Morris.

TEMPLETONIANS

The second season this group has been introduced to the club. Coupled with an auction of sports memorabilia, Templetonians made a profit of \$6793 - an increase of \$4492 from last season. The profit of \$6793 is distorted as money has been allocated from this profit for a function early in the 2006/07 cricket season.

SUBSCRIPTIONS

A good increase in subscriptions of \$2102 from last season with most of that being in seniors.

INTEREST

A decrease in interest earned of \$519 from last season is due to the grant money we had deposited in our accounts for the majority of last season.

EXPENSES

CRICKET BALLS

Expenditure increased slightly by \$127 this season.

COACHING

This amount consists of payments to our paid players and increased by \$563 from last season but was less than our budget estimates.

EQUIPMENT REPLACEMENT

The purchase/renewal of equipment is an ongoing expense in running a cricket club. This amount was low due to our cricket gear purchases in the previous season.

GROUND FEES

An increase in fees of \$314 this year due to a fee increase by Knox Council.

RDCA

The costs were the same as last season. Unfortunately, our fines increased this year to \$62.

INDOOR TRAINING

An increase in expenditure of \$584 from last season due to an increase in prices and the extra use by the seniors.

CRICKET WICKET REPAIRS

The cost to remove and lay a new synthetic pitch at Milpera Reserve.

CRICKET NETS AND PITCHES

The cost to lock and secure the gates at the nets.

BAR

Expenditure increased by \$234 during the season, which was in comparison to the decrease in income.

CLUB MERCHANDISE

A large increase of \$6026 this season as we have new stock on hand of our club shirts, which we need to sell next season.

SOCIAL/FUNDRAISING

This includes payments for functions during the year. DJ's raffle prizes and all other expenses incurred in presenting functions for the players.

CLEANING

A decrease of \$287 this season thanks to Paul and Judy Denton for their efforts on a weekly basis. The clubrooms displayed a professional image to our members and visitors at all times.

TELEPHONE

A decrease in expenditure of \$367 from last season as the internet costs are now itemized separately.

INSURANCE

A decrease of \$43 this season.

CONSUMER AND BUSINESS AFFAIRS

A decrease of \$101 as last season we registered a new business name.

TROPHIES

A decrease of \$562 from last season due to the lack of any premierships in seniors and juniors.

BANK CHARGES

The credit card merchant facility accrued charges of \$858 from credit card spending of \$19,965 up \$6,464 from last season. There were 129 credit card transactions at an average of \$155 per transaction. Unfortunately, the \$4 fee will need to increase to cover the costs. The abolition of the Government debits tax saved us \$118.

INTERNET

These are the costs for having the Internet from Telstra.

WEBSITE

The cost of the maintenance of the website was decreased by \$355 this season.

TEMPLETON CRICKET CLUB COACHES REPORT – 2005/2006

I would like to thank Brett Keys and the committee for providing me with the opportunity to continue in the role of coach at the Templeton Cricket Club and for their ongoing support during the year.

To assist with the development of the playing group I was ably assisted by Travis Degenhardt who was responsible for the bowling and Luke Robertson who worked with the batsmen. Along with the new training facilities this provided the club with a solid coaching base with ample opportunities for the players to develop and improve their cricketing skills.

The 2005/2006 season proved to be a challenging one with only two teams playing consistent cricket to record a top four finish in their respective grades. During the year over 100 players represented the Templeton Cricket Club with the following four players to be congratulated on their achievements:

- Adam Parker – Chandler Two Batting Average
- Luke Robertson – RDCA All Star Team and 20/20 RDCA team v Ringwood
- Jason Disney - 20/20 RDCA team v Ringwood
- Andrew Gottliebsen – RDCA representative team

A Player Development program was presented to players to assist in furthering their playing and training performances. This required the players to analyse their performances and set personal goals in all aspects of their play. Also introduced was a focus on achieving team targets in batting, bowling and fielding that complimented the Templeton CC Playing Guidelines introduced last season.

I would like to pass on my thanks and appreciation to the captains for their valuable input into selection and the way they guided their teams on the field. The first eleven under the leadership of Jason Disney failed to reach the finals through a combination of inconsistent performances and having four games washed out - three having the team in a "winning" position.

The second eleven continued to provide opportunities for the younger players to develop their cricketing skills with the future in mind. Thanks to Brett Gibb and Sam Bates who led the team throughout the year.

Adam De Jager took on the challenge of leading the third eleven in the Newey Plate competition. Playing against a number of first eleven teams the team struggled to come to grips with building an innings in order for the bowlers to have a total to defend.

The "B Train" driven by Brett Keys played an exciting final series which saw them overcome some more fancied opponents. They bowled and fielded with enthusiasm over their three games, only to fall short against an experienced Norwood in the grand final.

Graham Brookman's fifth eleven battled hard throughout the season providing many opportunities for a group of experienced and younger players, while Steve Tasevski successfully guided the G Grade team into a preliminary final with a 70's one day cricket theme proving successful at St. Andrews.

I look forward to the upcoming season with great enthusiasm – the challenge for us all is in the area of performing at a consistent level over a full day's cricket.

Steve Teakel
Senior Coach

TEMPLETON CRICKET CLUB JUNIOR OPERATIONS REPORT – 2005/2006

Season 2005/06 was a very challenging year for the juniors at Templeton.

Firstly, it is becoming increasingly difficult to attract new players to the sport as children now have so many options on how to spend their Saturdays. No longer is it the given that football in winter and cricket in summer. Another area that definitely didn't help our numbers was a miscommunication, which saw much of our promotional material for registration days arrive at the schools after the actual registration days. This resulted in being short of numbers in a year where we were definitely looking to grow. We ended up fielding 1 under 12's side, 1 under 14's side, 1 under 16's side and a merged under 17 side with Bayswater Park.

However whilst our junior playing numbers have been struggling, our Milo- Have- A-Go program has continued to grow with around 30 participants this year. Unfortunately the program started in a shambles with our program co-coordinator withdrawing a week before the program was set to start, the first week of the program was disastrous (at no fault of those who tried to fill in) and this resulted in the whole Milo-Have-A-Go program nearly folding for season 2005/06 which would have had long term repercussions in numbers for Templeton Cricket Club.

Luckily, Matt Fisher put his hand up to run the Milo-Have-A-Go program, and very quickly the program started to take shape and run very smoothly with the help of Tim Lee, Simon Hall and Steve Dewar (all under 16 cricketers). I could not have been happier how these guys ran the program, and I thank them all very much as it is a lot of responsibility for these guys every Sunday to take control of 30 small children. What makes this disappointing is that for a club of our size and success we had to rely on one 19 year old and three 15 year olds to run one of the lifelines of our club because no-one else was willing to help out.

I'd like to thank Arron Vinen who came back for a second stint of the juniors by coaching the under 16's. Whilst we didn't achieve some of the success we have hoped for, these young men will be better cricketers from Arron's tutelage. Having a Chandler 1 premiership player coaching our future cricketers will put them in good stead, by showing them what is required to play at that level. Thanks a lot Arron.

To Hayden Surrao, I take my hat off to you again. Coaching the under 12's would be one of the hardest jobs but you seem to get better at it each year. The development of these young kids is really coming along and there will be some future stars at Templeton to come from this bunch. Your focus on developing these kids' techniques rather than just trying to win every game will put Templeton in great shape for the future.

Matt Fisher has shown great maturity this season by taking on responsibility of the Under 14's and the Milo Program. His work with the under 14's was exceptional with such a young side. Matt really got this side to bond and play for each other, and for a side which many thought would struggle, they just missed the finals. There is no doubt that if the under 14's were to sneak in; they would have given the sides in there a run for their money.

To all the parents who helped out during the year with umpiring and scoring thank you very much. I'd like to especially thank Phil & Wendy Dewar for all of their help, both of your help this year has been enormous and I am very grateful for that.

This is my last season in the role of Junior Operations Manager for Templeton. I would like to thank both Dean Morrison and Brett Keys for giving me the opportunity to take on this role. Whilst I have not achieved everything I would have liked to I believe it is time for change with the juniors, and I'm sure the processes are in place to grow to one of the biggest junior clubs again.

If I have one last message for 2006/07 is for those who have taken a lot to put something back into OUR CLUB and OUR FUTURE. Remember, everybody has to start somewhere.

Ian Garvey
Junior Operations Manager

TEMPLETON CRICKET CLUB

1ST XI CAPTAINS REPORT – 2005/2006

First of all it would be remiss of me not to congratulate all the players and teams that played finals this year. You all did a fantastic job and it was unfortunate you did not walk away with a premiership.

To all trophy and award winners, well done and continue the good work.

The first eleven's year could be best described as the 'one that got away' I believe. With the disappointment of a number of games being washed out with our team in a commanding match winning position as well as some poor results in games at critical times meant that we missed out on the finals action by .3. Obviously very disappointing to miss out as we definitely had the team to win the premiership. To lose only three games for the year and not make the finals is extremely unlucky but I guess at the end of the day I believe you create your own luck.

There were however some fantastic signs and performance over the year with a number of guys showing they have the key ingredients to not only match but be leading players in the competition.

These guys need to keep improving and producing top performances more consistently. I have a fair idea where I think we need to improve individually and as a team but it has to start from everyone having an honest look at themselves and identifying what it is they want to get out of their cricket and what is it going to take for them to achieve their desired result.

Huge changes are not required, the structures are in place and at your disposal, it is just a case of committing ourselves more and best harnessing our energies and efforts on the critical components that will get our club and individuals the result we and they are all striving for.

Special thanks to Steve Teakel on all his efforts on the coaching side. Your time and commitment to your role is much appreciated and the strategies and structures in place have had a huge impact on all players. A big thanks to Robo and Deggers for their time and efforts both as assistant coaches as well as their support to me on a Saturday on field. Also thanks to all captains of their respective teams.

To Anne Gottliebsen for scoring every Saturday your help is much appreciated and we thank you.

To the committee for all your efforts, well done on ensuring that we have a club and are in a strong position both on and off the field. Special mention to both Keysie and Brooky who are not continuing in roles on the committee. Your efforts and impact on the club will be very difficult to replace and I personally would like to thank you both for your friendship and outstanding service to the club.

There are huge opportunities waiting in front of us so we have to start the 06/07 season full of energy, commitment and with a sense of urgency to rectify what I believe is unfinished business from last season.

Good luck and I look forward to seeing everyone ready and prepared for a huge 06/07 season full of exciting challenges and hopefully some more premiership success.

Jason Disney

TEMPLETON CRICKET CLUB
2ND XI CAPTAINS REPORT – 2005/2006

2005 / 2006 was going to be a challenging testing year for Templeton, following on from the success the club has had in the previous 2 seasons. Right from the onset we were the side to beat. At the end of the season we missed out on the finals by one game.

Following on from last two seasons where we showed the consistency necessary to be part of the finals and win, this year we had both good and bad days, unfortunately too many bad days.

As a club the challenge will be there again next year, with opportunities opening up in the top couple of sides for the guys who are prepared to work hard, play as a team and dedicate themselves to a strong cause. It's not chance, or bit of luck that the blokes who put in the time and effort get their opportunities and make the most of it.

Again it was extremely pleasing this year to see some of the junior guy's progress. There was one game when 10 of the 11 players were all under 21.

I would sincerely like to thank both Sam Bates and Jason Denton who lead the team at various times throughout the year. To have the support of blokes like this in the team does make a captain's job a lot easier.

For his time and effort in his second season as coach, Steve Teakel played an important role both on and off field, thank you for all your club and personal contributions. Steve has brought a very fresh and exciting approach to the way training has been run.

Personally I would like to thank everyone who supported me throughout the back part of the season too.

I look forward to seeing you all again in 2006/2007.

Brett Gibb
2ND XI Captain

TEMPLETON CRICKET CLUB

3RD XI CAPTAINS REPORT – 2005/2006

This year was a tough year for our 3rd eleven being promoted to Newey Plate but I'd like to think it was a successful year, we blooded a lot of young players and I was extremely happy with the improving performances of Scott Gibson and Matthew Weerden. These 2 players were the only senior players in our side that consistently attended training and it showed. I think both of these players could potentially play a lot higher for the Templeton Cricket Club.

It just shows that consistent training really helps, even though we only won 3 games for the year I thought we put up some solid performances against first 11 sides.

We only lost to Olinda who eventually won the competition by 30 runs in a 1 day, made 300 against Eastfield before the game was called off due to rain and, facing an outright defeat against Scoresby Ferndale, our inexperienced batting line up with 3 batsmen out injured dug in and staved off an outright defeat which was fabulous. That was one of my proudest days playing for the Templeton Cricket Club.

After Christmas it could have been really easy for the boys to really drop off but to their credit they picked up their chins and got back out there and put in some competitive performances, with us easily beating Wonga Park in the final game. Congratulations go out to Scott Gibson who made a fine 100 against Kilsyth and Adam Parker who dominated Eastfield to make a 100 before tea; one of the better 100's that I've seen.

Special thanks go out to Steve Teakel for coaching this year, he does a terrific job and even though I was not at training as often as he would like he supported me throughout the year. He is a credit to himself and the Templeton Cricket Club and I hope that he continues to be our coach for the indefinite future.

Finally, I would like to thank all the players that played with me this year, it was always going to be tough playing Newey with half of last year's grand final side not playing, it was a privilege leading you boys and in the whole the spirit you played the game was exemplary.

Let's hope the 3rd eleven will be at the top again next year which I'm sure we will.

Adam Dejager
3RD XI Captain

TEMPLETON CRICKET CLUB

4TH XI CAPTAINS REPORT – 2005/2006

The 4ths enjoyed a pretty good year for a team that at the commencement of the season a lot of people thought would be the team to get beaten week in week out, so to prove a lot of these doom sayers wrong was very satisfying.

We had an up and down season before Christmas losing a couple of games that we should have won but the aim was to give a few of the younger guys a go early and see how they performed, it obviously helped because a lot of these guys were instrumental in us getting on a bit of roll in the second half of the year and into the finals. We lost to the eventual premiers by 2 runs in an early game when they managed to sneak a six off the last ball of the game but to everyone's credit they still believed that we were good enough to match it with the other teams in the grade and that belief was rewarded in the second half with some pretty good consistent cricket.

As a team we were probably playing out of our depth playing against a 1st eleven, 2nd eleven and the other were all 3rd elevens but that didn't worry the group of guys we put out on the park they played for fun and enjoyment but they gave it 100% and the results followed. We had Knox City on the ropes in the one dayer before the rain interfered, in the return game we had an absolute stinker, but it showed the grit and determination of the guys to stave off an outright defeat, the next time we played them was in the preliminary final and we showed what we were made of, there were a couple of hiccups along the way but we pretty much had the game in hand the whole way. A great victory which saw us through to the big one against Norwood.

The boys were all pretty confident going into the game as both games during the year were close but unfortunately it wasn't to be as our batsmen went missing not really giving our bowlers a target to bowl at eventually losing by 5 wickets, which probably didn't really reflect the tightness of the game. During the finals campaign it was Matty Groat that really stepped up for us and bowled superbly in the 3 games to really lift the other guys around him and we all owe him a great deal for giving us the chance at playing off in the grand final, his 7/31 and 43 against St Andrews in the semi gave us some great momentum, along with Greg Ryan's 54 no, the Saints were no match for us. In the preliminary final against Knox City little Steve Dewar stepped up and showed the older blokes how it was done compiling a great 67 setting us up for a great victory, and in the grand final Groatty was the only highlight for us taking all 5 Norwood wickets to fall and being named man of the match

To all the guys that played in the 4ths this year I would like to say a big thank you for making my last year of competitive cricket so enjoyable and to even get to the grand final just about completed the fairytale. Groatty, Wardy, G, Steve D, Beams, Brooky, Toppa, Denno, Boggle, Big Bird thank very much boys it was a pleasure to play cricket with you all and I will remember it for ever.

To the rest of the club I would like to thank everyone that supported us throughout the season and I wish you all well next season

Keysie
B Train Driver

TEMPLETON CRICKET CLUB
5TH XI CAPTAINS REPORT – 2005/2006

Well, not much to report I'm afraid. The 5ths, whilst trying hard, really were not able to match it with most of the other sides in the competition. With only three wins out of thirteen games, we were never competitive.

However, I must say that I enjoyed my cricket this year and it was great to play with all the guys in the side, young and old! Congratulations to Kevin Reed for winning the batting and all rounder award for the 5ths. Also well done to all the young guys who played in the side during the year. They are all good kids and some of them I am sure will do very well in future seasons.

Special thanks to Neil Howard, Kevin Reed and Kev Moore for their help on game day and their assistance with captaining the side.

This will be my last season of playing senior cricket – I have really had a great time, but now its time to retire.

All the best to everyone at Temps - hope to see you around the Club.

Graham Brookman
5TH XI Captain

TEMPLETON CRICKET CLUB 6TH XI CAPTAINS REPORT – 2005/2006

Another enjoyable season was had in the 6th XI.

Although the end result was disappointing, the year was filled with numerous laughs at each other's expense, plenty of beer after the game, and some good cricket too!

Some individual efforts included:

- ♣ Wilbur defying his age to bag 6 fa in the semi
- ♣ Cod winning a slab off Andy Teakel for making a 50
- ♣ Sotchy winning the bowling average, stopping the Trophy Hunter, Scotty Shaw from making a clean sweep
- ♣ Baldy filling in for a game, making a duck, dropping two catches, and busted kissing his missus - expensive day of fines for Craig!!

The team highlight was the one-dayer after Christmas, taking on the undefeated top team, St Andrews.

Mullets, plenty of zinc cream, and Boony moustaches was the dress code we applied this day, and beating them in the last over made it all worthwhile.

Looking forward to next season boys.

**Steve Tasevski
6TH XI Captain**

TEMPLETON CRICKET CLUB VETERANS REPORT – 2005/2006

After 12 years the Vets made the Grand Final and put up a very credible performance against a much younger opposition, going down by 11 runs in a high scoring game where nearly 400 runs were scored off 72 overs. We basically managed with a list of 14 regulars with the 'coach' being hard to pin down at times.

We opened the season with a home game against BORONIA and lost by 16 runs; Rob Gregory and Steve Goodman were the most economical in their 6 overs and Murray Parker finished off with 2/2. Warren Groenewald and Geoff Ofield made handy scores and Steve G. retired on 40.

We then went to WARRANWOOD and batting first made 138, warren made 31, Goody again retired on 421 and 'young' Skeeter made 29 *. We soon had the home side in trouble at 5/24 and they managed only 108; Terry Shanley taking 4/18 and all the main bowlers were economical.

Back home we entertained WANTIRNA and batting first made a 'par' 148 from our 36 overs, useful contributions from Goody, the Coach and Gary Caulfield[smashing 31].

After two early wickets they steadied but then tight bowling saw 5 wickets go down in 5 overs and when they had to hit out the Colonel [3/26] Dents [1/16] and Neil Howard [1/4] took regular wickets and they lost by 23runs.

The last game before Xmas we were at home again , to BAYSWATER Park and made a credible score of 153, Warren [36], Phil Dewar[27] and Skeeter[32*] being the best.

We got two early wickets then they consolidated but steady bowling at the end saw us get over the line by 4 runs! In the New Year at Mullum Res. against N. RINGWOOD the bottom side who made a credible 4/156, most bowlers were economical. Murray and Terry put on over 90 before both had to retire [at 40], the only wicket lost was at 117 then the "coach" pounded out another 40 and we were home with 6 overs to spare.

Round 6 back at Templeton for a return game against BORONIA, recent rains prevented playing on turf at Tormore St. We struggled early on before Dennis G and Phil D. put on 64, then Steve G and Skeeter put on 43 and we had another good score of 156 to defend. Boronia started well and had passed 50 in the 12th over, 4/110 at the 24th before being all out for 124 in the 33rd over. Steve G had 3/3 off 4.2 overs; this was Boronia's first loss.

Another return game against the third side WARRANWOOD at Templeton saw us bat first passing 100 with only 2 wickets down, Murray P and Dennis both making 40's; in the quest for runs against tight bowling we reached 6/138. The visitors lost an early wicket and passed 100 with only 3 down and 10 overs left and ran out winners with an over to spare.

Two weeks later in the semi-final at Templeton we played WARRANWOOD again, they batted first and with 12 overs to go were 5/89 finishing with 148, Rob G. [2/16] and Steve G [3/19] were our best bowlers. We were 4/88 at the 26th over with Murray and the 'coach' making useful scores before Goody and Skeeter brought us home with two overs to spare.

The Grand final was played a week later at Templeton before a good crowd against WANTIRNA who had recruited well after Xmas. This showed in their batting making 6/197 with both openers retiring [the first after 9 overs!!]. Dents took 3/39. we knew we needed a brisk scoring rate and in spite of Murray going out in the 4th over we went along at 4 runs/over and at the 20th over were 2/98 [just under required r.rate].Phil D had to retire soon after and then we started to fall behind the required r. rate and

eventually fell 11 runs short. More athletic running between the wickets and in the field made the difference [there was an "age gap" of about 10 years per man] but we could hold our heads up high. Thanks to Paul Denton our captain and 'social convenor' for moulding us into a competitive team; Geoff Ofield as 'catering officer' for the B.B.Q' and his 'underchef' Dennis; also to Wendy D for helping out on G-F day.

Congratulations to the 4ths and 6ths for reaching the finals and like us not achieving the "final glory". The 'recruiting officer' will be looking out for potential "youngsters" to play in the side next year as Father Time takes its toll on old bones; and wish young Phil D a speedy recovery before next year.

Ian Wood
Vets Team Manager/RDCA Co-Ordinator

TEMPLETON CRICKET CLUB UNDER 16'S TEAM REPORT – 2005/2006

After 4 years out of being involved with the Junior's I was delighted to be asked if I would coach the Under 16's for season 2005/06.

After meeting all the boys at training, and seeing the ability they have, I thought we would have a fantastic year. We started off the year with 2 grading games in the top level and unfortunately we lost both off them by the smallest of margins, we were fortunate enough to stay in the top grade to play the year out. Throughout the year victories were tough to come by but against Wantirna South all the boys played a perfect game which I thought would have been the turning point of the season. The boys trained hard every week and showed me what ability they have but we just couldn't put it all together on Game Day. I stressed to the young blokes when bowling to put the ball on and just outside off stump which to their credit they did for most of the year, and when we did that we bowled teams out. We let ourselves down with the bat by not playing the right shot at the right ball, a lot of our wickets fell by getting caught. In the field we didn't take those early chances to get rid of the top order batsmen, on a few occasions we dropped the opposition's best batsman who would then go on to make a big score. To the boy's credit, they stuck it out all year and encouraged each other week in week out. I know at times I was pretty harsh on a few blokes but hopefully that will turn them into the next stars of Templeton Cricket Club.

To Tim Lee our Captain, and Simon Hall our Vice Captain, I would like to personally like to thank you blokes. You did a great job leading our team this year. I'm looking forward to playing a lot of senior cricket with both of you.

To Ryan Dennis, congratulations on a great year winning the Batting, All Rounder and Coaches Award. And also congratulations to Simon Hall for winning the Bowling Award. It is great to see that working hard at training paid off.

To all the boys who still have another year left of Under 16's please enjoy your cricket next season and remember that this could be the last year you will play cricket together as a group.

To the boys who played your last game of Junior Cricket, welcome to Senior Cricket and enjoy the sleep in on Saturday Morning.

A big thank you to all the parents who supported the boys every week, especially Rod Lee for scoring and training the boys on a Tuesday night, Phil Dewar and Barry Mealings for helping out on game day.

Arron Vinen
Under 16 Team Manager & Coach

TEMPLETON CRICKET CLUB UNDER 14'S TEAM REPORT – 2005/2006

The season was a very good season, but unfortunately did not finish the way we intended. The boys really worked hard during the season at both training and matches, which resulted in a huge improvement individually and as a team.

A lot of the boys were either underage, first year players or just had low confidence due to previous seasons, but by the end of the season they all had the belief that they could make finals and were good enough. That is what was disappointing from my perspective, but at the same time, I was both impressed and delighted with the way they played their cricket throughout the season.

I found it very enjoyable and easy to coach them throughout the season not because of their talent, but because of the attitudes they took into training and matches. It was my pleasure to coach them and I am looking forward to working with them again in the coming season, whether it be as a coach or just help out.

I hope the kids had as much fun as I did, it was a great result in the end.

Matt Fisher
Under 14 Team Manager & Coach

TEMPLETON CRICKET CLUB UNDER 12'S TEAM REPORT – 2005/2006

This year was once again a development year for our Under 12's. Fortunately this season the RDCA graded the team fairly, unlike previous years and I was confident our boys would be very competitive. Unfortunately we were only able to win one match for the year against the Premiership team.

This season has taught our players to respect the opposition. Talent wise our team was in the top four. But as result of poor concentration, a lack of discipline and a quite a bit of arrogance we lost many games that we should have won. The main problem was the tea time break. Only on one occasion did the boys perform well after the break, and we won that game. This problem had a lot to do with the young age and lack of experience within the group. The majority of the team was below the age of 11, with only 6 players having any experience in cricket.

There were many positives this season. With the rotating captaincy, the leaders in the group were able to develop their leadership skills. Also only on one occasion did the guys get bowled out in an innings, which showed improved concentration in our batting from previous years.

Luke Molyneux in his first year was a standout. His technique was very sound as was his composure which won him the batting average at 23. Daynah Hopkins once again keeps improving his bowling abilities and comfortably won the bowling average. Let's hope Daynah learns to listen because he does have a lot of talent. Scott Lawson won the all-rounder award in his first year of cricket. His enthusiasm for the game is brilliant, and his natural talent enables him to produce great results.

Sam Carter and Dale Kline showed great leadership skills all year, and will no doubt lead this side into future.

Hope all the boys had fun this year and I look forward to coaching them again next season. Also thank to Bruce, Scott and Phil for all their help during the season.

Hayden Surrao
Under 12 Team Manager & Coach
